### YCRCC's New Headquarters

Nice new tables and chairs have been purchased and are being put to good use. One fact is certain, and that is our new HQ is accommodating many more attendees at our meetings than our previous HQ could.

**Angie Roddan**, former Sutter County Central Committee Secretary, presented our new HQ with a housewarming present. It is a nifty stuffed elephant named **Trumpet**.

### September Meeting Highlights

**Seth Stemen**, MJUSD Trustee, gave an update on the affect AB1955 can have on parental rights.

### Florentina DiGennaro

reported that teachers, because of AB1955 are fearful of losing their jobs if they buck the Democrat's efforts to keep parents in the dark when regards to children having gender issues.

AB1955 is a terrible law that deserves to be ignored. If CA can ignore and openly violate, Federal laws against marijuana, then a precedent has been set for Yuba County to openly ignore AB1955. What is good for the goose is good for the gander.

**Johanna Lassaga** announced that signs are now free. It is better to have them displayed than sitting in our HQ.

### Upcoming Events

Please visit our website for a list of upcoming events.

### YCRCC in Action Public Meetings

YCRCC held public meetings at Pioneer Hall in Wheatland, and at our HQ in Marysville. The purpose of the meetings was to select candidates for YCRCC to endorse. In advance of the meetings, **Kristina Villanueva** mailed questionnaires to all the Republican candidates.

Only registered Republicans can be endorsed by YCRCC. Each candidate at the meetings gave a brief presentation as to why they should be elected. This was followed by questions from **Johanna Lassaga** and other voting members of YCRCC.

With only voting members of YCRCC present, there was discussion as to which candidates YCRCC should endorse. It was refreshing to have some first-time Republican candidates run for school boards, city councils, and water districts.

Some incumbents, because of their soft positions on conservative issues, were not endorsed. Others were not endorsed because they did not show up at the meeting nor return the questionnaires that were sent to them.

A list of YCRCC endorsed candidates will be added to our website.

### Our HQ is staffed M-F

**Kristina Villanueva** is managing the office. There are now 7 iPads at the office to register voters and to make phone calls. **Kristina** made an excellent video to show how easy it is to use an iPad to make phone calls.

**Kristina** and folks who volunteer to staff the office are making astounding numbers of phone calls to help get Republicans to vote this November.

**Rob and Laura Drown** made almost 700 calls in one day! Every vote is important, and

this effort will help to have many more votes to be cast.

### Opposition to School Bonds

YCRCC is actively opposing these Plumas Lake bonds. If all

these bonds pass, the property taxes in Plumas Lake will go up \$144 per \$100K of assessed value. These proposed bonds are on the ballot after Plumas Lake residents voted against similar Measures V and W Bonds in the March Primary.

The Wheatland School District Supervisor makes more than the Governor in salary and benefits. If more money is needed for schools, trimming costs should be the first consideration. If Plumas Lake chooses to form a separate high school district by passing these bonds, then a lot of tax dollars will be spent on a newly created Superintendent and other overhead positions.

### Wheatland Vendor Night

Johanna Lassaga and Martin Heatlie with YCRCC endorsed candidates for Wheatland City Council **Brian and John Abe**, and for Marysville City Council **Cody Walker**. It was a good evening for the Swag Trailer. Lots of yard signs were given to folks.

Nevada County  
Laura Loomer  
Fund Raiser

**Rebekah Carlson** was the event's barkeeper. She also gave the Invocation.

### Meet Christine Spitzer

YCRCC District 2

After she retired in 2021, **Christine** moved from Arizona to California to be closer to her 2 children and 7 grandchildren. She looked for the local GOP group and found our YCRCC. At her first meeting, she was very impressed with the energy and enthusiasm of the Chair, **Johanna Lassaga**, and 1st Vice Chair, **Rebekah Carlson**.

**Rebekah** wasted no time in asking her to become involved with YCRCC, which she gladly did, and she soon became a voting member, and a Delegate.

**Christine** loves our country, and the people in the USA. Her parents immigrated from Germany to Dayton, Ohio in 1957. A wonderful group of people from a Lutheran Church in Dayton sponsored their entry into this country. They bought her family a home and filled it with food, furniture, and clothes. They helped her father find employment and helped get her family settled in. It took her only 6 months to learn English. She will always be grateful for what these kind people did for her family.

**Christine's** deceased husband was in the Navy for 20 years. He was a Vietnam veteran. He also loved this country and helped her to understand that we have a responsibility to maintain all that is so wonderful in our country.

**Christina** is sad to see that our current government administration is on the path to socialism and communism.

She wants to do whatever she can to help turn this around. She has been helping in our new HQ and maintains our database. She has walked for candidates and has made phone calls. In her words: **"I will never give up hope because God is with us."**
