**YCRCC New Headquarters**

Work is proceeding at a brisk pace to get our new headquarters ready for us to occupy. It won't be long now. On our side of E Street, the highway and the next door 7-Eleven have reopened after the hotel fire. We will be the sole occupants of this high visibility building that is 3 times the size of our current headquarters. There is ample parking at the new location.

**July Meeting Highlights**

**Rebekah Carlson** and **Christine Spitzer** are setting up a phone tree.

**Johanna Lassaga** reported on the great appreciation she receives from GOP Central Committees that she visits for giving them **Trump** signs to sell. Modoc County made enough money selling signs to fund three events. [Yahoo!!](#)

**Marlene Garcia** is in charge of sending out Thank-You-Cards to our Lincoln Dinner donors.

The purchase of iPads was approved that will make it much easier to register voters and to make phone calls. The number purchased is dependent on the purchase price.

The purchase of additional swag was approved.

**Dawn Contreras** was elected to be our new Secretary.

**Florentina DiGennaro** was elected to be our new Treasurer.

**Kristinia Villanueva** was elected to be **Johanna's** alternate. **Johanna** urged everyone to find someone to be their alternate.

**Christian Sachs**, Chief of Police, **Bruce Buttacavoli** Vice Mayor, and **Jim Schaad**, City Manager all urged us to back Measure C which will continue Funding Marysville Police, Fire & Streets without raising taxes. This measure will extend the 1% sales tax approved in 2016 that is due to expire in 2026.

**David Morgan** gave updates on **Congressman LaMalfa's** activities.

**Terrible News** It looked like **Florentina DiGennaro's** efforts to stop AB1955 (schools can hide gender re-assignment information from parents) was going to succeed, but **Newsom** later quietly signed it into law. Lawsuits have been filed.

**Deficit Problem** Because of AB1955 becoming law, billionaire **Elon Musk** said he will relocate SpaceX and X to Texas. The mass relocation of wealthy individuals, retirees, corporations, and employees from California to other states has resulted in billions of dollars

of lost tax revenue. The mass diaspora, wacky wasteful spending, and billions lost to fraud have caused California to have a huge deficit. The Democrat Party is ruining California.

**Upcoming Events**

**Aug 17** Plumas Lake Block Party, Eufay Wood Park, 3:30-9 pm.

**Aug 17-18** Mountain Fair, Brownsville

**Aug 22-25** Butte Co. Fair, Gridley

**Chair Report**

As you are well aware, we are fast approaching a crucial election. Thank you for all that you have done so far, but we cannot rest on our laurels. We need [All-Hands-On-Deck](#) from now until the last vote is counted in November.

**YCRCC in Action**

Despite brutal heat, the Peach Festival was a huge success. Lots of swag was sold.

**Ann Schumacher**, **Florentina DiGennaro**, and **Rebekah Carlson** selling shirt to Representative **Doug LaMalfa**.

**Florentina DiGennaro, Codi Walker and Kristinia Villanueva** in trailer, and **James Villanueva**.

This is a zoom-in on the above photo that shows a youngster registering to vote for the first time.

**Florentina** addressing Hispanic Catholic ladies. She is sending a message that the GOP is dedicated to helping everyone to succeed, whereas Democrats think schools are better than families for raising kids, and they strive to keep folks dependent on big government.

On **July 17** at **Rebekah Carlson's** suggestion, the

Swag Trailer was located at the 76 Station at the intersection of Hwy 20 and Marysville Road. With **Rebekah, Johanna Lassaga, and Tom Pessoa** staffing the trailer, YCRCC made \$1,100 to help restore California to sanity. [Yahoo!!](#)

**Meet Laura and Rob Drown**

**Laura** met **Rob** about 1 1/2 years after her husband died in 2014. They both are retired, and both are committed to conservative values. They share an interest in our Constitution and history. They also share an abject fear regarding the horrible direction California is presently taking.

**Rob**, an engineer, worked for Cal Trans. He is a veteran. He was a 1<sup>st</sup> Lt. in the US Army Ordnance Corps. **Laura**, a revenue specialist worked for Sutter Health and dealt with billing issues.

They became involved with YCRCC as a result of meeting **Tambra Courtright** at a Tea Party breakfast in 2021.

**Tambra** invited them to attend a YCRCC meeting. They have been involved since then. **Laura** is very generous with her time in helping to assist with lots of YCRCC activities.

When **Johanna** learned they were from Olivehurst (Dist. 3), she asked them to fill vacancies on the YCRCC board, which

they did. They were elected in the March 2024 Primary to serve 4-year terms.

They are becoming even more involved with the Yuba County Commission on Aging. Sutter County has a strong senior program with lots of activities, but Yuba County, which used to have several senior centers, presently does not have a viable senior program. There is a real need for a senior program in Yuba County, and **Rob and Laura** are determined to help resurrect it.

Looking ahead, they would like conservative voices in California, that have been silenced by the liberals, to be heard loud and clear again.
