### YCRCC New Headquarters WE ARE OPEN FOR BUSINESS

**Johanna Lassaga** was working at our new HQ when these folks came inside to see what we are about. After giving them a tour, **Johanna** took this selfie with the first visitors to our new HQ.

### August Meeting Highlights

**Tom Pessoa** outside our new HQ just before our first meeting there. As shown in the photo below, the room was filled.

**Johanna** announced that so much swag and **Trump** signs have been sold that we need to buy more. The purchase of additional swag and **Trump** signs was approved. Contingent on the response

from other counties, it was approved to buy Prop 36 signs.

It was approved to buy tables and chairs for our HQ. Sponsor's names for the tables can be posted on the wall.

**Bruce Buttacavoli**, and **Dom Belza** gave updates on the hotel situation that is a complicated unresolved mess.

**Seth Stemen** gave an update on upcoming MJUSD meeting. He is under fire for mentioning **God** at a MJUSD meeting.

**Jon Messick** gave an update on his district and the upcoming Mountain Fair at Brownsville. He endorses **Charlie Mathews** for the Yuba County Water Agency.

**David Morgan** gave updates on **Congressman LaMalfa's** activities and announced that there will be a Townhall Meeting at Wheatland on **8/24**.

**Renick House** mentioned that a Board of Supervisors budget workshop is coming up, and he encouraged us to attend.

### Meet Margaret Atwell (Dist. 5)

If you enjoy reading our Newsletter, your enjoyment has been enhanced by the numerous corrections that

**Margaret** caught.

She is a fan of **Tucker Carlson's** podcasts and **Steve Bannon's War Room**. A guest on War Room urged people to find their local central committees. This resulted in her finding the YCRCC meeting in August 2021 at Hallwood Church. In March 2022 she became our Secretary, a position she held until May 2024.

**Margaret** believes:

- 1 News today is propaganda and opinions rather than facts.
- 2 The more our government gives you, the more you will be controlled by the government.
3. The strategy of Democrats is to create a state of dependency on big government.
4. Democrats have weaponized the media, the FBI, and the justice systems.

Both **Margaret** and her husband **John** retired from

their jobs working for major airlines. As a perk, they can travel anywhere in the world for free. Using this perk, they have seen a lot of the world. After retiring, they moved to Yuba County in 2016 to start a special events (mostly weddings) venue.

**Margaret's mother** was a conservative who prophesied the mess we are in today. She was an active "Right to Life" supporter that rubbed off on **Margaret**. As a result of **Trump's** pro-life views, **Margaret** became a supporter of **Trump**. This support was made stronger by the shameful efforts Democrats have made to harass **Trump** without letup or merit.

**Margaret's hope** for the future is a more informed electorate that can MAGA. Combined, **Margaret** and **John** have 6 children and 16 grandchildren, only 5 live out of state. They both are committed to fight for a better CA for their future.
