## CA Voter ID Initiative

Carl DeMaio joined us in our July meetings and spoke to us about the initiative.

This has been authored as a state constitutional amendment such that it will, when approved, impose the Voter ID requirement for all future elections in California. The amendment has three basis requirements:

### 1) Photo ID to vote.

A voter will need to provide a government issued ID for in-person voting. If voting by mail, the last four digits of the matching driver's license must be provided. This will

allow election officials to verify the voter identity.

### 2) Accurate voter lists.

Election officials will be required to maintain accurate voter rolls, and remove all ineligible voters before ballots are mailed out.

### 3) Verification of citizenship.

Election officials will be required to verify the citizenship of an individual before adding the individual to the state's voter rolls.

So, how can YOU help?

**First**, you can sign the online petition at [www.voterIDpetition.org](http://www.voterIDpetition.org).

**Second**, consider being a volunteer to get signatures from friends, family, and your neighbors. Use the link [www.voterIDvolunteer.org](http://www.voterIDvolunteer.org) to speak up and tell them you want to collect signatures. Anything more than your signature is a step in the right direction.

**Third**, consider contributing to the campaign. You can use [www.voterIDinitiative.org](http://www.voterIDinitiative.org) to access the secure online donation portal.

## Who is Chad Bianco?

Chad Bianco was first elected to be the Riverside County Sheriff in 2018. He was re-elected in 2022. In 2026, **Chad Bianco is running for Governor of California** in a hugely important race at a time when California citizens are crying out for someone to get back to common sense and save our state from the blue mind virus. Let's learn a little about Chad Bianco here and now.

Chad was a vocal advocate for Prop 36 in the last election cycle of 2024. He is in support of a secure border and cooperating with federal law enforcement to deal with illegal immigrants who commit crimes. He opposes California being a sanctuary state. He is pro second

amendment. He is a proponent for active forest management and expanding controlled burns and firebreaks.

There is so much more for you to read about his priorities. Take a look for yourself at this link... [biancoforgovernor.com/meet](https://biancoforgovernor.com/meet)

Chad Bianco will also be in our area for a special event. He is putting in the time and effort to meet the voters and share his platform goals.
