***Happy New Year!***

**Here are some very important dates:**

**1-13-2025 YCRCC Organizational Meeting**

**1-20-2025 End of an Error**

**Beginning of MAGA**

**2-12-2025 Join us for Lunch.**

Guest Speaker Loren Spivack at HQ. \$30/person or \$50/couple. Tickets available at [yubagop.com](http://yubagop.com). Limited seating. This will be our first speaker at our new HQ.

Loren Spivack "The Free Market Warrior" was born and raised in Massachusetts and spent most of his adult life in New York City. Before becoming active in politics, Spivack worked for several non-profits and as a management consultant for both profit and non-profit companies. Spivack founded "Free Market Warrior" in 2009 in an effort to make a positive difference in American politics and economics.

His "Free Market Warrior" store was expelled from Concord Mills Mall in North Carolina in July of 2009 for selling material critical of the Obama Administration. (Mall owners, Simon Property Group, are major Democratic donors.) Since then Loren has devoted his time to teaching conservative groups about free market economics. He conducts "Economic Literacy" seminars across the United States. So far, Spivack has delivered his famous seminar on "Economic Literacy" to over 200 groups in 20 states. Spivack is also the author of "The New Democrat" a parody history of the Obama administration, based on a famous children's book. With pitch-perfect rhyme and clever illustrations, "The New Democrat" transforms the political personalities of our times into cartoon characters in a conservative morality play. Spivack's second book "The Gorax" is an anti-environmentalism/pro capitalism parody starring Al Gore and presenting his movement as a threat to American freedom and standard of living. Once again Spivack is both funny and poignant as he makes the case that capitalism (represented by the "Onepercentler") is the real victim of environmental extremists who destroy prosperity without achieving even their own goals. Along the way, Spivack takes well aimed shots at everything from "The Fed" to the teachers unions. "The Gorax" came out on July 1, 2013.

### **11-3-2026 California Primary Election**

Many seats, including the Governor, will be decided at this election. We have seen how complete Democrat Control of California has resulted in total disaster. This is an opportunity for us to make California great again. We won big in 2024, but there is still a huge amount of work to be done. With your help, YCRCC can help to flip seats.
