YCRCC's New Headquarters

As an experiment at the October meeting, the room was organized with attendees sitting at tables rather than just rows of chairs. 100% agreed that this is the preferred setup.

### October Meeting Highlights

**Johanna Lassaga** announced that she has donated signs to Lake and Mendocino County GOP Committees. She also said remaining signs are now free as they do little good in our HQ building. Few are left of the over 12,000 that were bought.

After the election, our mission is a Republican Governor for CA.

**Johanna** suggested that after setting aside money to cover 9-months' expenses, the rest of our funds should be spent supporting Republican candidates. This received unanimous approval.

**Florentina DiGennaro** reported on the upcoming Parental Awareness Event.

**Tom Pessoa** said that with the HQ being open and staffed, we have taken in \$2000 in swag sales and donations. Even though the signs are free, many give donations to YCRCC. This is how our staffed HQ

looks while stuffing envelopes.

### YCRCC in Action

**\$8000 Giant Billboard**

YCRCC bought this huge billboard sign on Hyw 80 west of Davis. The line below VOTE TRUMP reads: Paid For By The Yuba County Republican Committee Yubagop.Com Not Authorized By Any Candidate Or Candidate Committee.

### Trump Rally in Reno

**Johanna Lassaga** was notified that the Trump Rally in Reno needed volunteer workers. She was notified the morning of the rally. **Johanna** dropped what she was doing, and she and **Cody Walker** drove to Reno to help out.

Upon arrival, they were given a shirt and badge and put to work in one task after another. They kept busy directing folks where they needed to go, passed out signs, and watched doors to make sure folks did not go in the wrong door to the auditorium.

With zero training, their fast grasp of what needed to be done was greatly appreciated by the organizers of the rally. While **Johanna** was doing door watching duty, a man who was part of the **Trump Team** struck up a conversation. He was astounded by all that YCRCC is

doing. After the 9,000 attendees were seated, he took **Johanna** and **Cody** to sit in the second row directly in front of the podium. **Johanna** and **Cody** thought this was too good to be true! They took some great photos.

### Parental Awareness Event

This fight against AB1955 event had **Erin Friday** as the main speaker with **Steth Stemen**, **Florentina DiGennaro**, **Oliver Taylor**, and **Beth Bourne** also giving talks. Down with AB1955!

### Josh Hoover Event

**Marlene Garcia**, **Johanna Lassaga**, **Josh Hoover**, **Rebekah Carlson** and **Tom Pessoa** at a fund raising event for **Hoover**. He was re-elected

to the CA Assembly AD7 with 53% of the vote. YCRCC helped! **MCGA!**

### How YOU can help

### Meet Alfred and Deborah Dunning - YCRCC District 5

Alfred is a CA native born in Santa Monica with family ties to Yuba-Sutter. He and his wife Deborah, a native of Massachusetts, moved to Yuba County in the mid-1970s when they found southern CA getting too crowded. They worked as grant writers for various local charity and educational

agencies, including Sutter County Superintendent of Schools Office, Yuba County Probation, and Friday Night Live. They are both are lifelong Republicans who believe that CA can be saved from the socialist slide it has been in for the last 40-years. After the 2020 fraudulent election results, they joined the YCRCC and have worked hard to counter the passive defeatist attitude of the old CAGOP establishment. Loma Rica has been their retirement home in the foothills. They look forward to working hard to turn the CAGOP Committee and to MAGA.
