Baron Transport Capability Statement

Company Overview

Baron Transport Group Pty Ltd is a Melbourne-based transport, towing, and haulage company proudly serving Victoria. Our team brings together years of experience in moving everything from machinery and containers to custom freight with safety, reliability, and professionalism. We are committed to excellence in customer service, on-time delivery, and adaptable transport solutions.

Baron Transport began with a clear mission: to close the gap in the market for genuine, customer-focused service. We believe in delivering more than just freight—we deliver trust, peace of mind, and proven results.

Our Expertise

Excavator Transport

Reliable transport for up to 15.5-tonne excavators and civil equipment.

Forklift Transport

Efficient multi-load deliveries across Melbourne and regional Victoria.

Custom Transport

Tailored solutions for non-standard and oversized freight.

Agricultural Machinery Transport

Supporting local farmers with dependable machinery logistics.
