OB TASK FORCE ON HOMELESSNESS

Our goal is to focus on the solutions to the many issues surrounding unsheltered people that our community desperately needs in 2026, ...with a sense of urgency, purpose and empathy.

Immediate Goal: 10% reduction in homeless count in 92107 (21 people-suggested goal from RTFHSD)

2026 Goals:

1. Have a comprehensive plan/system in place to offer services to unsheltered neighbors.
2. Establish a funding mechanism to provide those services, in partnership with other organizations/groups, in order to be able to disband the Task Force within 24 months (Sept. 2027).
