I, _____, the undersigned client, do hereby entrust my pet _____ to Solo Paws Grooming and Training LLC, for the purpose of grooming my pet. I agree to the following:

1. Your pet's safety is our top priority. We require a current copy of your pet's vaccination records (**Rabies required for both dogs and cats**).
2. If it is necessary for the safety of your pet and the groomer/stylist, elastic collars, slings, etc. will be humanely used. **You must inform us if your pet bites or has ever bitten any person or other animal.**
3. Have they Been Groomed Before?
4. Client will advise us of any allergies, sensitivities, or **pre-existing medical conditions** so we can avoid aggravating these situations. Please let us know of any prior grooming history you or your dog may not have found satisfactory. We want to avoid the repetition of poor or unpleasant experiences or situations.

Are they spayed? If not, are they in Heat? When was the last heat cycle? We cannot accept them in heat, it will cause them and other dogs to become more anxious.

Heat comes every 6 months, If the heat started give it about a month to rebook, if close to the end, wait about another week, heats last 2-3 weeks

5) **Extra Handler Fee** (1,2,3) 1= not a lot of help needed , 3= Help throughout the groom
-Don't use Muzzles or any other Restraints

6. I am aware that if my pet does not respond to the groomer/stylist and does not remain still during the grooming procedure, accidents can happen such as nicks from clippers, scissors or toenail trimmers. If you arrive early to pick up your pet and they are still being groomed, please **do NOT** talk to them or allow him/her to see you! An excited pet can be dangerous to work on. We reserve the right to end the grooming session even if the groom is not completed and the full grooming price will be charged. For the pet to properly respond to the groom, it is essential that the pet be alone with the groomer/stylist and clients will not assist in the grooming unless requested to do so.

7. Client assumes all liabilities, financial and otherwise, for the behavior and health of their pet. Solo Paws/the groomer will be held liable from damages, loss or claims arising from any known or unknown pre-existing condition of the pet.

8. Client authorizes the groomer/stylist to act as his/her agent in the event emergency veterinary services, boarding, care-taking, and/or transportation is necessary and agrees to pay all costs. Any/all damages or claims shall include but not be limited to advanced age, extreme nervousness, neurosis, illness, previous injury, skin or coat conditions or other medical conditions.

9. If fleas ticks or skunk are found on your pet, the groomer/stylist will administer a flea bath to eradicate the fleas in order to maintain salon sanitation. **This is at the groomer/stylist's discretion and at the client's expense.** The shampoo is gentle, non-alkaline and hypoallergenic.

10. Allowing a pet's coat to get matted is not only very uncomfortable but dangerous for your pet's health. The groomer/stylist will de-mat the pet (if possible) and there is an extra charge for dematting. Mats can be very difficult to remove and your pet may receive a "shave down" to remove them. Under this circumstance, a shave down is the only way to allow the skin to receive necessary oxygen and for new, healthy hair to grow. Charges for the shave down or shaving ears and tail if they are matted are determined on a per pet basis. If the client requests the mats be combed out, the groomer/stylist will not do so if it causes the pet undue stress or

pain. Excessive de-matting is a painful, time-consuming and costly procedure that causes extreme discomfort and can aggravate (or cause) skin problems. I am aware that neglect of my pet's coat can be cause for problems after grooming/shave down such as clipper/brush irritation, itchiness, failure of hair to re-grow and make the pet prone to sunburn. I am also aware that shaving may expose pre-existing skin conditions.

11. **40+ Mat Fee** Shave downs or custom cuts that are outside normal specific breed haircuts will be discussed and the groomer/stylist will perform the cuts to the best of his/her understanding of the client's directions and his/ her ability but no other guarantee is made.

12. Every effort will be made to keep our scheduled grooms running smoothly. A typical pet groom can be completed in **2 to 4 hours from the time of your appointment**. If your pet has behavior issues or skin and coat problems, you may be looking at a longer period of time.

13. Our groomers/stylists are trained professionals. We reserve the right to alter or cease any groom in the event that our staff determines it is in your pet's best interest or your pet displays aggressive behavior. Client understands that Solo Paws has the right to refuse service to the client's pet at any time for any reason.

14. We will use extra care and patience for older pets; however, **we will not be held responsible** for any reaction due to the mental or physical stress of grooming geriatric pets. If in our judgment, brushing or clipping is determined to cause too much stress to the pet, we will modify or terminate the haircut. **Please be sure to notify us of any health conditions that might make your pet uncomfortable during the bathing, drying, or clipping phases. Any grooming which takes place on an elderly or frail pet is conducted at your risk.**

15. Returned Check Policy: Checks that are returned are subject to a \$25 service fee.

16. There will be a \$25 fee added onto the price of your next groom for no shows and for appointments canceled with less than 24 hours notice before the appointment.

17. **Holding Fee 1 hour= \$25 2 hours =\$50**

18. Prices are subject to change due to matting, behavioral issues that require more than one groomer to complete the groom, excessive undercoat, fleas and deskunking that require a longer/more than one bath.

19. **Cat owners must stay** in the grooming salon for the entire duration of the groom. I am aware that **cat's skin is thinner and more susceptible to nicks/ cuts**. If the cat becomes too fractious, we retain the right to end the groom early. We can discuss administering Gabapentin for your cat for their next appointment if the groom must be ended early, but if the problem persists with Gabapentin, your cat will be denied any future appointments. We will not perform grooms for cats under the age of 6 months, but can perform ear cleanings and nail trims.

20. **Small to medium dogs and cats over the age of 10 years** will need **vet clearance** before a groom. **Large dogs over 8 years** of age will need vet clearance before a groom. If no vet clearance is presented the day of the groom, the appointment will be rescheduled and the \$25 fee outlined in #15 will be applied to the rescheduled appointment.

21. All dogs must be leashed upon entry, and all cats must be in a carrier.

22. **If you come early before appointment starts please hang out in the lobby, if you come early before dog is done please hang out in lobby (coming early can disrupt groomings)**

23. **All payment must be paid in full the day of the appointment. We Take Cash, Venmo, Cash App, Check Or (Card, Cardless Tap to Pay (All 3%Fee))**
