

provide these other products:

- Louisiana Covid Busters Campaign theme song, “Louisiana Covid Busters to the Rescue.” This song will inspire you and your family.

- Our Safety Product Kit which includes face mask, gloves, sanitizers, wipes, and other products that will keep you safe when you are at home or when you go out into the community.

- Our T-Shirt, “Louisiana Covid Busters Campaign (Join Our Team. Share of our Dream. Let’s Eliminate Covid-19).

- Our Mask with our logo on it.
- Our Covid Buster’s Officer Badge & training program
- We will produce a Nursey Rhyme book to inspire our children to learn, love, and lead others to do what is right.

OUR PRAYERS

We are committed to praying for and

encouraging everyone who has suffered from Covid-19 and its variants. We will provide grief counseling to help those who experienced the death of a loved one to cope and overcome this disaster.

Even though there is not a cure yet, we are praying for and supporting the scientists and researchers as they work hard to do so.

OUR PLEDGE

We pledge to eliminate Covid-19 and its variants by using safe and sound measures in our homes, churches, schools, and communities that have been proven by the WHO and the CDC.

OUR PROBLEM

Covid -19 and its variants are our problem. It is a kind of common virus that causes an infection in our noses, sinuses, or upper throat. After an outbreak in China, in December 2019 that impacted their nation, the World Health Organization identified SARS-CoV2 as a new type of coronavirus. This outbreak spread throughout the world.

This virus can lead to respiratory failure, heart problems, pneumonia, septic shock, liver problems, and even death.

What must you do if you think you have it? Go and get tested, stay at

home, call your doctor, and follow his/her instructions.

How does it spread? It spreads when a sick person coughs or sneezes, also by touching a surface or object that the virus is on.

OUR PROGRAM

The Louisiana Covid Busters Campaign is a grass root effort of Greater Liberty Baptist Church and Nola Baptist Charities, Inc. to eliminate Covid-19 and its variants by using our methods of communication, education, vaccination, and demonstration. We have professionals and ordinary people who use their skills and knowledge to change lives.

We also have a Covid Busters Officers Program that cooperates with the laws of the WHO, CDC, State, and local government, hospitals, law enforcement, and clinics.

OUR PARTNERS

Our partner in this campaign is the State of Louisiana Nonprofit Small Business Assistance Program . We were blessed to receive a grant to promote this program. Also, we partner with churches, schools, businesses, the World Health Organization, the CDC (Center for Disease), and other Covid Buster organizations around the world.

OUR PRINCIPLES

We operate our program on the principles of honesty, excellence, hard work, accountability, cooperation, love, respect and inclusion, safety and well-being.

OUR PRODUCTS

We provide literature from Pfizer-Biotech, Moderna, and Johnson and Johnson and others about their vaccines and other resources to help you to stay informed and safe. We also
