ROOFING PROGRESS

We continue to recommend you check the Villas at Five Ponds website for our roofer's updates as they progress through the development. The rainy weather has obviously put them behind schedule, but they will be meeting with the Board soon hopefully to provide us with a "catch up" plan.

VFP EMAIL "E-BLASTS"

For more than two years now, the "sending source" of our community e-mail E-Blasts has been Continental Management. Their office operating hours are Monday through Thursday 9 AM to 5 PM and on Friday, 9 AM to 12 noon.

Currently the Villas at Five Ponds Board does not have the capability to send out time sensitive e-Blast e-mails, outside of the management companies operating hours. We are looking at potential solutions. Our normal E-Blast send out day is on Thursday. We thank you for your understanding.

RAIN & WET LOCATIONS

On rainy days, umbrellas should be put into the umbrella stand inside the entrance of the door. Coats should be hung up in the closets. Thank you for your cooperation.

GUEST ENTRANCE

Please do not let anyone into our clubhouse or out onto the outdoor pool deck, that is not your guest. The person that opens door for a non-resident, they become your guest, and you become fully responsible for them, while they are in the clubhouse or on the pool deck—guest fee required the person who allows them access,

NOTES: Status of Tennis/Pickleball Court—April 8, 2025

Larry Nodiff and Amy Wert met Brian Douglas from Armor (One of the individuals who created the Armor Product), to inspect the repairs done to the tennis court in late summer of 2023.

Below are notes Amy took from the time spent with Mr. Douglas.

"We inspected the court. The armor crack repair is a material put over individual cracks in the asphalt and then painted over.

In the court you can see areas where armor was applied, it looks like there are wrinkles in it. This is the product doing its job. The material stretches with the shifting asphalt and keeps the crack covered. However, you can see the wrinkles from the movement in the paint which covers the armor repair.

We also observed new cracks throughout the court, Brian said he did not feel any of these cracks were a liability issue, they need to cause a lip or a crack wide enough to catch the side of a shoe and turn an ankle.

The open cracks are new cracks which appeared after the resurfacing.

Questions? Call Donna Besignano 908-672-1092.

FIVE PONDS SINGLES ■ MERRYL PELBERG

THE FIVE PONDS SINGLES have had a very busy first half of 2025. In March, after a delicious dinner at Piccolo Trattoria in Newtown, we went to see *The Galway Girls*, a multi-instrumental trio known for their harmonies and memorable arrangements of traditional Irish songs. It was a tribute to Saint Patrick's Day at the Zlock performing Arts Center at the Bucks County Community College. It was a wonderful evening. In April, we went on the *Masterpieces West Trolley Tour* in Philadelphia. The tour was very interesting, informative and beautiful. The trolley tour was followed by lunch at Jack's Firehouse. A fun day was had by all. In May, we went to *Wycombe Vineyards in Furlong* for our annual wine tasting day followed by lunch at Porterhouse Restaurant in Lahaska. On May 28, we went to see the show *"Some Like It Hot"* at the Forrest Theater in Philadelphia. After returning to Five Ponds, we had dinner at Giovanni's Restaurant. Our year will conclude with our closing luncheon at Scoogis Italian Restaurant on June 11.

After taking the summer off, we will meet again in September. If you are single, and would like to meet with good friends and neighbors for fun times and interesting day trips and outings, come out and join us in September. Information about our first meeting will be in the August *Villa's Voice*.

PROJECT LINUS GROUP PROJECT!

■ KATHY O'BRIEN

THIS CHILD'S fleece blanket was recently completed by our community volunteers for Project Linus. It is so rewarding to provide security and comfort to children with this easy group project.

We get together monthly in the Clubhouse and would love to have more neighbors join us.

This month we are going to meet on Wednesday, June 18th at 1:30 PM.

THANKS FOR ATTENDING THE \$CAM JAM

■ KATHY LUNDE AND SUZANNE YEAGER, CO-CHAIRS PROGRAM CLUB

THE PENNSYLVANIA DEPARTMENT OF BANKING and Securities presented a fun and engaging program.

Katrina Boyer lead the \$cam Jam educating us on the latest scams and fraud targeting seniors. Marc Furber from the District Attorney's office reported on elder abuse and exploitation in Bucks County.

Joel Elias from AARP led several rounds of "Fraud Bingo" with plenty of prizes. Detective Byrne from the Warminster Police Department discussed the current top scams being investigated in Warminster.

Nora Haynos from the Attorney General's office reviewed

the most valuable takeaways to help us avoid scams and fraud in the future.

Thank you to the Social Committee for treating us to snacks for this free event. Special thanks to Karen Kreiger for discovering this valuable program and to the Program Club for hosting all of us.

Thanks to our set-up and break-down guys and gals who always do the hard work of moving the furniture for our programs.

BOARD NOTES—Continued from page 2

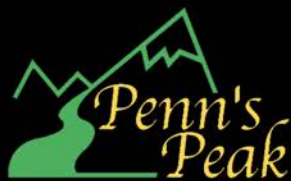

Brian was very impressed with the tennis court, at 20 years old he felt it looked great. Most courts have an expected life of 25 years and ours is nowhere near ready to be redone.

Regarding the new cracks, the court is made from asphalt. It was built in a good location on top of the hill; but it was built over fill dirt which causes a lot of movement when it settles. We will always get cracks in the asphalt court; it is expected. He recommended in several years we could caulk the cracks; he was very clear that he would not do it now as they will continue to grow. He will send me the contact number for a company that will supply the tennis court caulk for when we need it in several years. He cautioned Larry and I that the next company that comes out to do a resurfacing or painting will not appreciate the caulk because it must be removed prior to doing additional repairs or repainting.

Regarding the rust spots: the paints used on the tennis courts are water-based; there are bits of metal throughout the asphalt that will bleed through the water-based paint. He told us that he uses oil based black spray paint and adds sand before painting the court to avoid the bleeding through. This should be mentioned to the contractor when we work on the court again. He said that you will always see new spots as the years go on.

There is no warranty claim or any issue that is not normal maintenance on the court. He basically said that he understands pickle ball players can be very serious about the aesthetics of the courts and the hardest thing to do is get them to learn to manage their expectations with an Asphalt court. You will get new cracks every time the earth below moves and there is no way to avoid this. We believe he was very knowledgeable and helpful with the issues we have seen with the court."

SOCIAL COMMITTEE NEWS

■ AILEEN SALUS, CHAIR

I JUST GOT BACK FROM THE annual Memorial Day BBQ. Kudos to Mary Lou Nodif and Barbara Feldman and their numerous helpers for making this event happen. Everyone enjoyed the side dishes and desserts prepared by our residents. Who knew we had so many talented chefs right here in our community! The number I heard was 157 residents attended. Everyone's hard work is greatly appreciated.

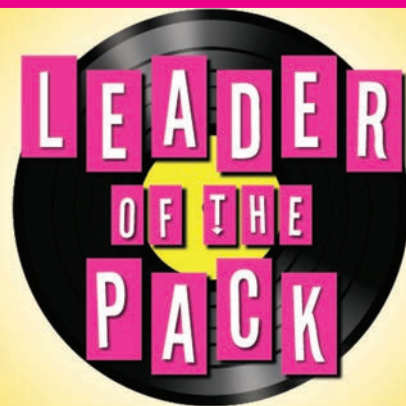

The Men's Club trip to see the Iron Pigs was cancelled. Look for it to be rescheduled in the coming months.

And finally (for now) join your neighbors poolside on Tuesday evening, June 17th and listen to the Acoustic Bandwagon. Bring your dinner, snacks and beverages (no glass) and enjoy the music.

Thank you to Penny Barenbaum and Lorraine Incollongo who co-chaired the Lunch Bunch for many years. They are taking a break and have handed the torch over to Diane Polsky. There will be a luncheon in August. Look for details to follow.
