

Mass Notification System Information and Member Contact Form

Looking Forward to 2026

I am excited about the year 2026 and deeply grateful for the many blessings God has bestowed upon Calvary. As we strive to advance our church to new heights, we are introducing a Mass Notification System. This new system will enable us to quickly and efficiently share information about upcoming church events and activities with all members.

Complete the Member Contact Form

To ensure you are kept informed, please complete the attached contact form and return it to the church office by January 11, 2026. If you are submitting information for your family, you may include all family members on a single form.

Preferred Mode of Communication

Indicate your preferred mode(s) of notification by placing a check mark next to the corresponding telephone number and/or email address. You may select more than one option if you wish.

Online Submission Option

This form is also available online for your convenience at www.calvarybcsa.org. To access, click “Mass Communication,” enter the provided password, and fill out the form.

Blessings,

Pastor Nelson
