

FLY-A-WAYS Email and Communication Policy

05/01/2018

Purpose:

Email is the primary method for communicating to club members. When requests are made to send out information to all members via email, board members will use the following guidelines in order to keep this method of communication free from unnecessary spam or misuse by individuals. This policy is relevant only concerning mass emails using the club's master email roster, and may be reviewed or updated at any time without notice to club members.

- Mass emails are to be sent out by the four officers of the club only: President, Vice President, Treasurer, and Secretary.
- At the discretion of the club officers, any request to send out information of any kind by email may be declined and/or posted to the club's RC Groups Forum instead.
- Any club member that utilizes the club email roster for unauthorized personal communications is in violation of this policy.

Acceptable Email Content:
