in our communities.

Legacy Community Health Services is a Federally Qualified Health Center (FQHC) that provides comprehensive care to all community members regardless of their ability to pay. Our goal is to treat the entire patient while improving their overall wellness and quality of life.

At Legacy, we provide preventative care and treat chronic illnesses to more than 85,000 patients. We currently have 12 locations across Southeast Texas including Houston, Baytown and Beaumont.

Once patients step through our door, they will feel safe knowing Legacy is their home base for health care.

WHAT WE VALUE

HEALTH CARE AS A RIGHT, NOT A PRIVILEGE

We believe that comprehensive health care is a human right. Legacy's services and programs are open to all who need us, regardless of the ability to pay.

DEVOTION TO OUR COMMUNITIES

We continue to build our legacy on a solid foundation by learning from our communities, embracing the people in them, and serving their unique needs.

LEADING THE CHARGE

We address issues others shy away from. Not because it's easy or popular, but because it's the right thing to do. The Legacy team possesses unwavering courage and serves as a visionary catalyst for sustainably healthy communities.

ACTIVE STEWARDSHIP OF RESOURCES

We carefully manage our available resources, in order to deliver on our promise of driving healthy change. We remain grounded in responsible decision making for sustainable operations, putting every asset where it can do the most good for the community.
