Top Reasons It Takes Bryant

PASSIONATE SERVICE

Bryant dealers do more than just deliver quality products like our Legacy™ 90+% AFUE gas furnaces. They also deliver knowledge, experience and Whatever It Takes® to get each job done right. You and your system will receive the attention to detail and professional service delivered only by Bryant dealers.

EXCEEDING EXPECTATIONS

With more than 100 years of experience, Bryant offers a full lineup of products designed with whole-home comfort in mind. Through innovative design and rigorous testing, our products are built to exceed expectations, backed by Bryant® limited warranty protection.

NEW CONVENIENCES

With a diverse line of products to address almost any need, from hot or cold spots, to improving indoor air quality and programmable thermostats with Wi-Fi® capabilities, convenient comfort can be yours when you choose Bryant.

CUSTOMIZED COMFORT SOLUTIONS

Heating and cooling solutions are not one size fits all. Bryant dealers provide solutions based on your specific needs. From financing and rebates to reliable products professionally installed, Bryant provides options that help keep you and your wallet comfortable.

EFFICIENCY SAVINGS

High-efficiency ENERGY STAR® qualified systems can reduce your energy consumption and carbon footprint. More efficient equipment may reduce monthly utility bills over the life of your system.

Customized Comfort On Three Different Levels

There is a Bryant® gas furnace for almost any heating need or budget. Your Bryant dealer can help you decide which is right for you. For a dependable value in warm, winter comfort, choose one of our Legacy™ Line 90% or better AFUE models.

EVOLUTION SYSTEM

Preferred SERIES

LEGACY™ LINE

Energy Management

Modulating Operation
Our modulating gas valve adjusts up or down in 1% increments to precisely meet heating demand

Two-Stage Operation
Our Perfect Heat® technology feature monitors and adjusts operation for efficient performance based on current and past conditions

Single-Stage Operation
Solid, dependable performance that still provides 90% AFUE gas efficiency or better

Humidity Management

Perfect Humidity® technology
This proprietary feature leverages multi-speed systems to enhance humidity removal without overcooling

SmartEvap™ technology
Reduces indoor humidity by reducing condensate from dehumidification

SmartEvap™ technology
Reduces indoor humidity by reducing condensate from dehumidification

Basic Humidity Management
Provides basic humidity removal during cooling operation

Airflow Management

Fan On Plus™ technology
Enjoy enhanced ventilation control with the ability to change fan speeds from a compatible thermostat

Fan On Plus™ technology
Enjoy enhanced ventilation control with the ability to change fan speeds from a compatible thermostat

Comfort Management

Evolution® Connex™ Control
Our most capable and complete comfort control with full-color touch screen and available wireless access to temperature, humidity, ventilation and more

Variable-Speed Operation
Low speeds enhance comfort with consistent temperature, reduced hot/cold spots and drafts, and superior humidity management. Higher speeds help maintain your comfort in more extreme conditions

Housewise™ Wi-Fi® Thermostat
This deluxe comfort control looks great and performs even better. Wireless operation, touch screen, energy use tracking and usage reports

Côr® 7C & 5C Thermostats
These smart thermostats keep you connected and in control with remote access via Wi-Fi, full programming and energy use monitoring

Constant Air Movement
Delivers quiet, even temperature control, humidity control and greater comfort

Constant Air Movement
Delivers quiet, even temperature control, humidity control and greater comfort

Limited Warranty

To the original owner, the Bryant® Legacy model 9155 gas furnace is covered by a 10-year parts limited warranty and a lifetime heat exchanger limited warranty upon timely registration of your new equipment.* The Legacy model 9125 is covered by a 10-year parts limited warranty and a 20-year heat exchanger limited warranty upon timely registration of your new equipment.* Ask your Bryant dealer about optional extended warranties, which may include labor.

*The limited warranty period is 5 years on parts and 20 years on heat exchangers if not registered within 90 days except in jurisdictions where warranty benefits cannot be conditioned upon registration. See warranty certificate at bryant.com for complete details and restrictions.

Home Comfort Components

AFUE (Annual Fuel Utilization Efficiency) is a measure of how efficiently your furnace converts the energy from fuel into heat.

*Model 915S

- 1 EXTRA GAS EFFICIENCY**
The secondary heat exchanger extends heat transfer for higher efficiency use of heating fuel and is backed by a lifetime limited warranty (915S).*
- 2 RELIABILITY**
Count on the Bryant® Perfect Light™ igniter to reliably bring the heat when you need it.
- 3 SMART OPERATION**
You could say we control our own destiny, because we design both the furnace and the control board. Bryant's furnace control does the thinking for you to deliver solid, reliable performance.
- 4 PRECISION FUEL MANAGEMENT**
Our precision gas valve delivers the right amount of fuel your home needs.
- 5 COMFORT AND SAVINGS**
Newly upgraded ECM motor is more electrically efficient and five-speed operation delivers quiet comfort throughout the winter.

*See warranty certification for further details and restrictions.

Thermostats

Bryant offers a range of solutions for managing your system. Whether you're looking for Wi-Fi® thermostats with energy reporting for the ultimate in connected control, optional zoning management or more basic thermostats—you'll have the system control you want.

Housewise™ Wi-Fi® Thermostat

The Housewise thermostat is your gateway to comfort management. With Wi-Fi capability, you can access your system 24/7 from almost anywhere and view detailed energy reporting from your tablet or web portal. Combine that with custom energy tips and you can make informed decisions regarding your heating and cooling energy usage.

Côr® Thermostats

Côr thermostats take your comfort to heart with next-level performance. Our evolving line includes non-Wi-Fi and smart, Wi-Fi capable thermostats that learn how to efficiently manage your comfort and teach you how to optimize your savings. Whether you want to take command of your system or you want your system to take control, there's a Côr thermostat right for your home.

For California Residents:

If installed with a mobile home conversion kit in SCAQMD only: Models 915S and 912S do not meet the SCAQMD Rule 1111 14 ng/J NOx emission limit, and thus are subject to a mitigation fee of up to \$450.

These furnaces are not eligible for the Clean Air Furnace Rebate Program: www.CleanAirFurnaceRebate.com.

For more than a century, homeowners have associated Bryant® heating and cooling products with the highest standards of indoor comfort. Through commitment and dedication of our product development and manufacturing teams, we have consistently met new challenges head-on and delivered the products to meet or exceed expectations. The national network of passionate Bryant dealers is at the forefront of our success. Knowledgeable in the field, and equipped to address your home comfort needs, Bryant dealers deliver customized comfort solutions to you and your family by doing...
