

LOOKBOOK | SUMMER 2025

# Vintage soul, **modern vibes**

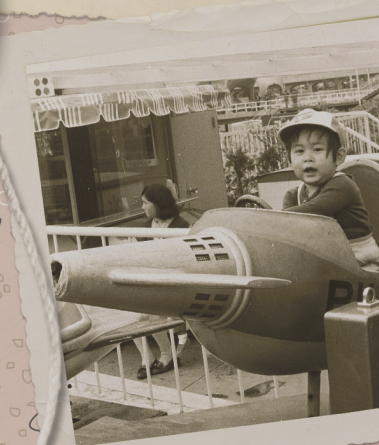

Construction Specialties®

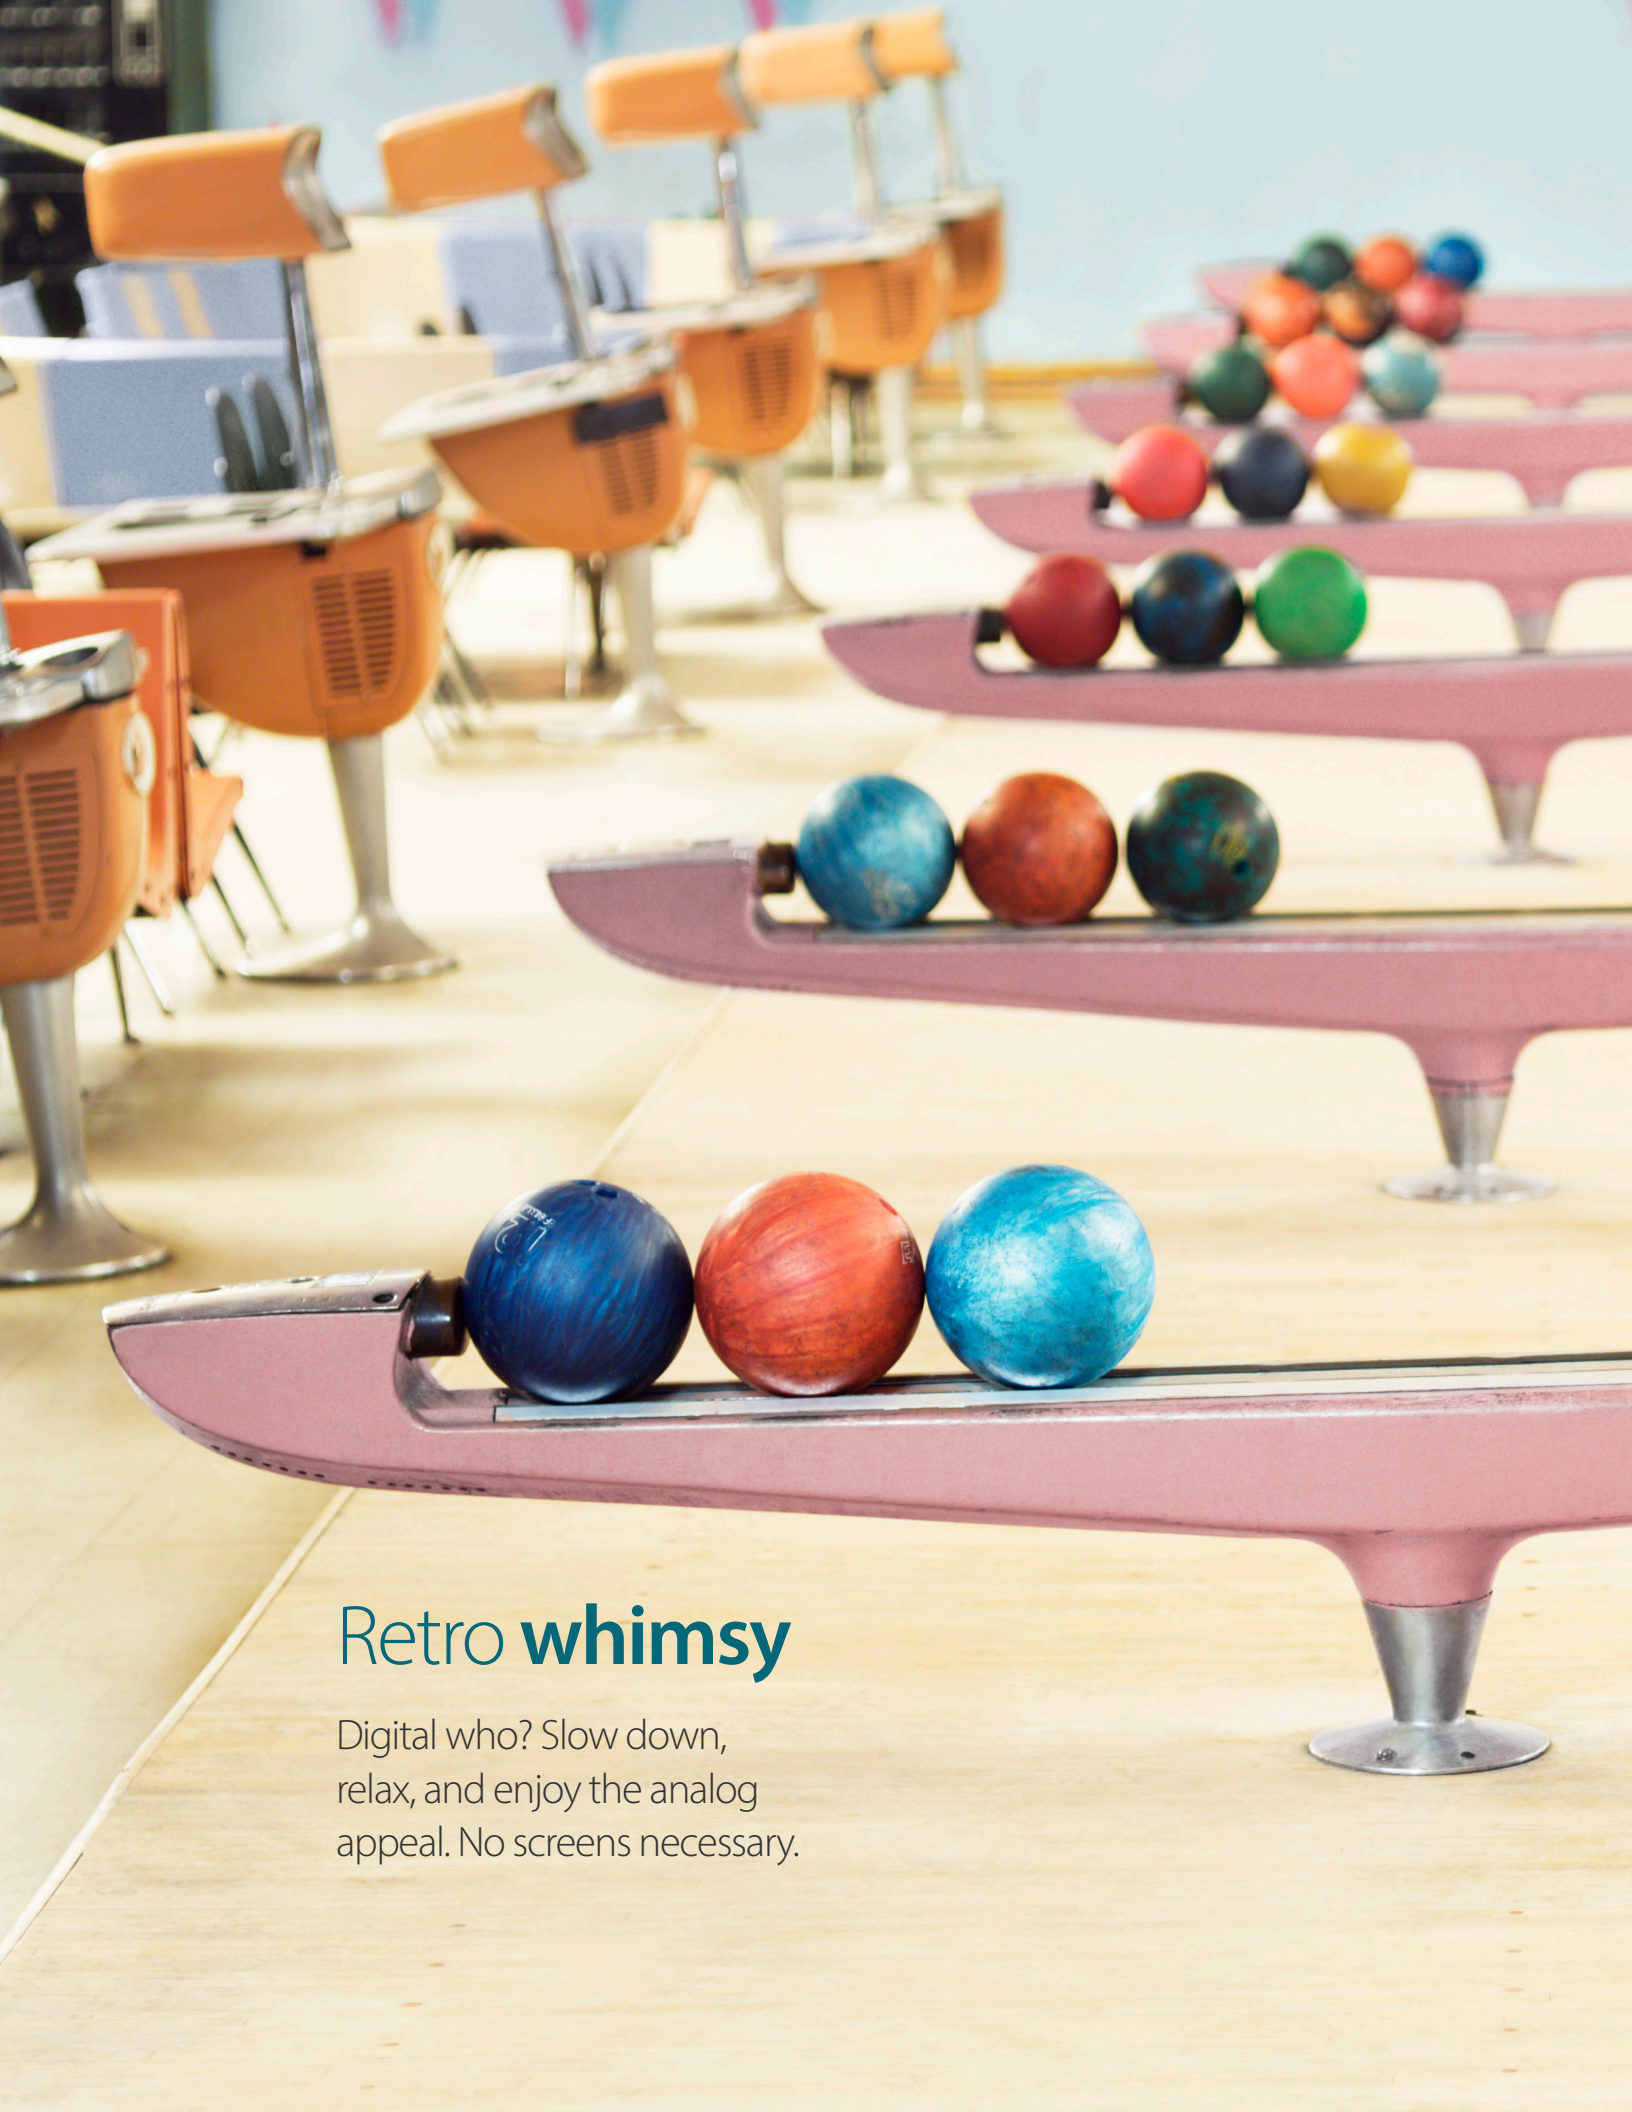

## Classic charm

Haven't you heard? It's hip to be square.  
Sometimes, the most modern thing to  
do is put your own spin on the classics.  
There's nothing quite like that retro vibe.

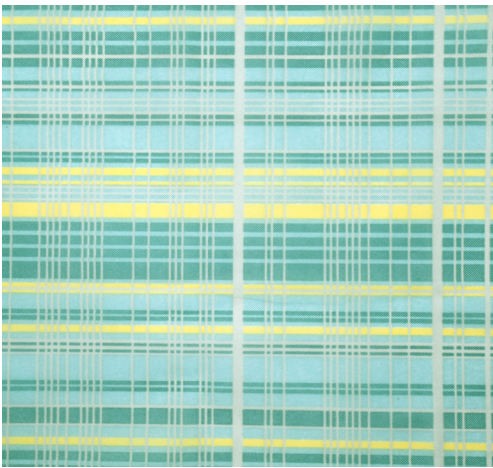

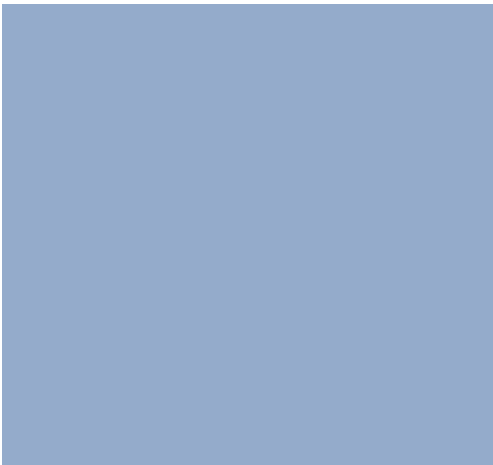

## Retro **whimsy**

Digital who? Slow down, relax, and enjoy the analog appeal. No screens necessary.

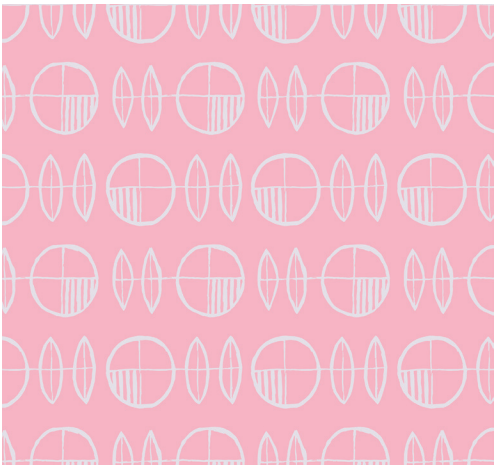

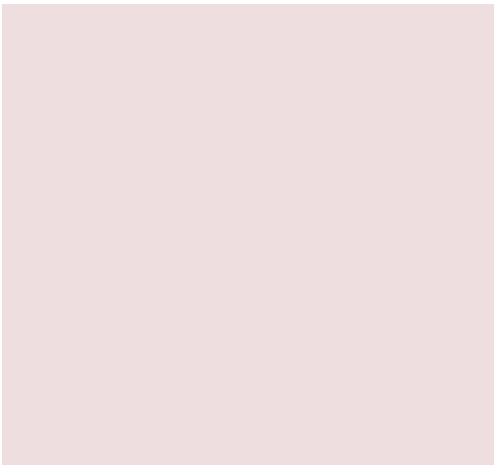

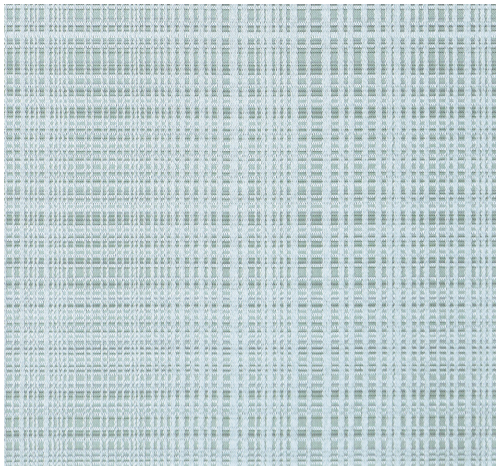

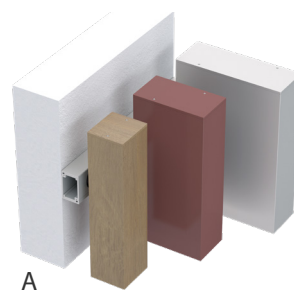

## Throwback appeal, **fresh perspective**

Solutions to take your world from  
black and white to full color.

**STYX™**

adds layers of depth and  
texture to walls and ceilings.

B

### Acrovyn® Woodgrains

achieve the beauty of natural wood without the maintenance.

*Shown: Wall Panels in Pearl Ribbonwood.  
Coordinated with Acrovyn by Design®.*

C

### Acrovyn® Doors

are equally durable and adaptable, with options for every environment.

*Shown: in Classic Maple.*

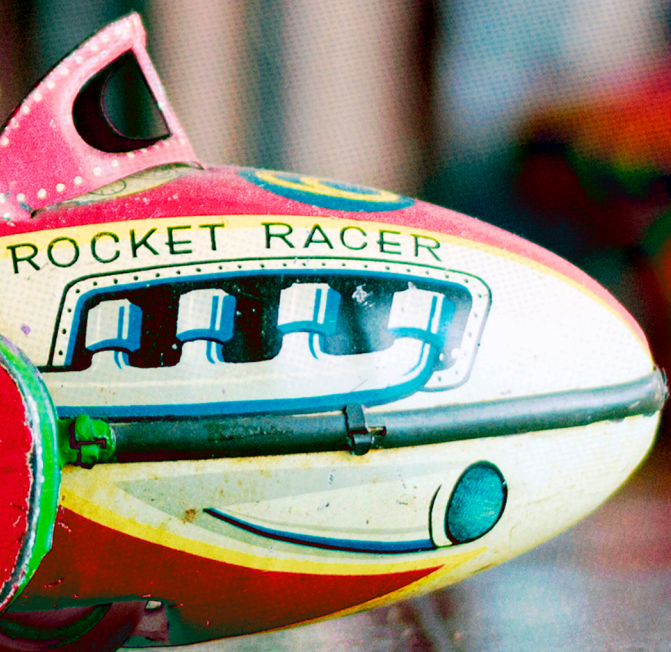

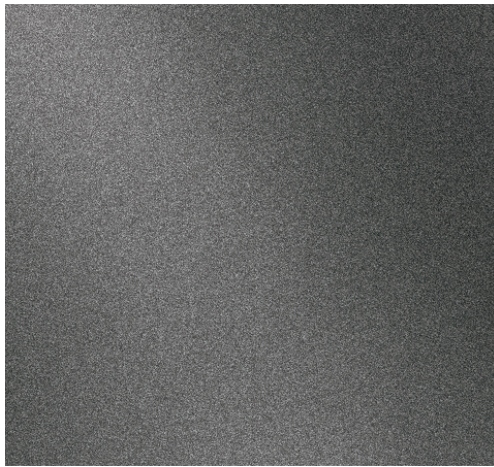

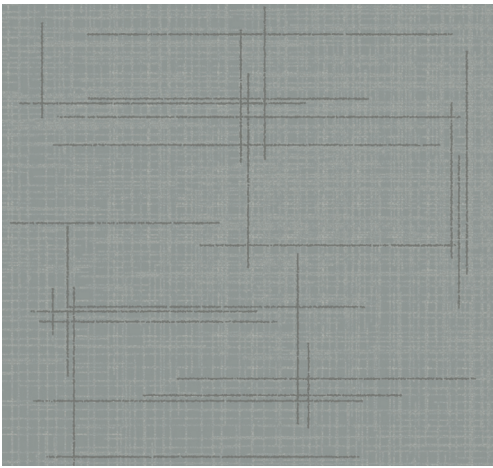

## Atomic **pop**

The future is bright, but memories are made of bold colors and playful patterns.

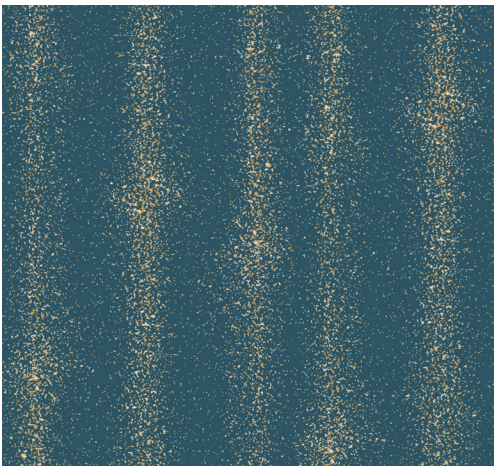

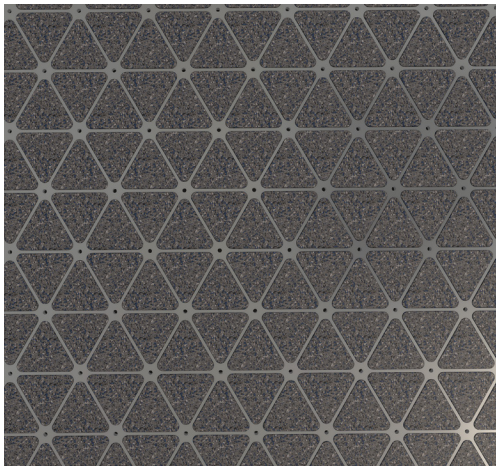

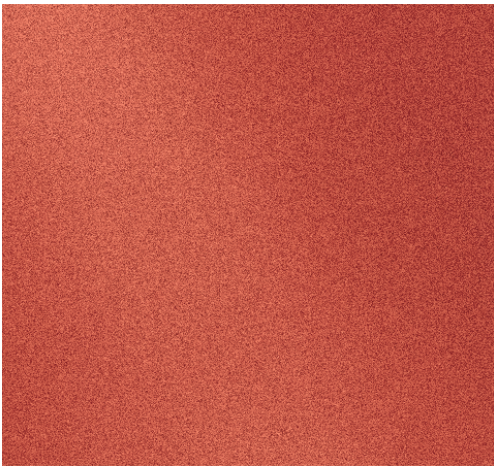

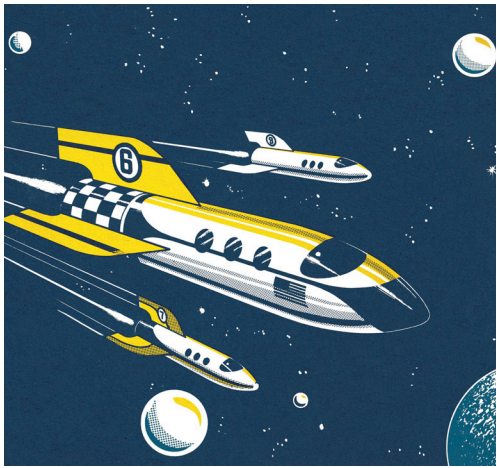

## Nostalgic feel, futuristic twist

Complementary products keep you safe while maintaining the look you want.

### Dimensional Moldings

elevate the room while protecting the walls.

*Shown: with Acrovyn® sheet in Silver Sugar Maple. Coordinated with Acrovyn by Design®.*

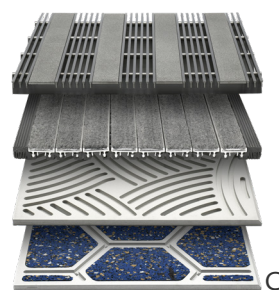

## Handrails

can be the difference between a visitor's mobility and immobility.

*Shown: HRS-6, coordinated with Acrovyn® Wall Panels.*

## Entrance Flooring

traps dirt and moisture at the door keeping your interiors clean and slip-free.

*Shown: Gridline® and Peditred®.*
