Hall and Commercial Rentals

Garden Park Rental

Garden Park Tower has a multitude of rental options for your needs; from commercial lease units to hall rentals for your personal or professional events. We can also provide catering for other events and functions.

Introduction

Choose Garden Park

Catered events are very popular at GardenPark Tower. Our buffet choices are savory and our amenities are affordable and clean. We can set up as a dining hall and also as an auditorium for concerts or annual general meetings. Whatever you would like to organize, we can provide you with chairs, tables, rectangular or round, projection, screen, audio, mics and speakers.

We have ample parking, especially underground. Who wants to get wet in the rain? Park in P1 and stay dry. We have many commercial tenants that offer a wide variety of services. Make sure you make the reservation for that special occasion for your next professional event or for personal needs.
