

# Social Work: More Than Just Talking!

## Careers in Social Work (And Why They're Awesome)

Social work isn't just one job – it's a whole universe of careers that help people in different ways! Social workers have **superpowers** that make a real difference in people's lives. Check out these amazing careers:

### **Child & Family Social Worker**

- **Hope Generator:** Helps children and families find light even in dark situations.
- Works with families facing crises like abuse, neglect, or homelessness.
- Finds safe and stable homes for children in difficult circumstances.

### **School Social Worker**

- **Empathy Vision:** Sees what students need, even when they don't say it out loud.
- Provides support for students struggling with mental health, family issues, and academic stress.
- Works with teachers and parents to create a safe and supportive school environment.

### **Medical Social Worker**

- **Crisis Management Reflexes:** Handles emergencies without freaking out.
- Helps patients navigate medical treatment, insurance, and emotional challenges.
- Supports families in hospitals, ensuring they have the resources they need for care and recovery

### **Therapist (Clinical Social Worker)**

- **Empathy Vision:** Understands emotions and helps people work through challenges.
- Provides therapy and mental health support in private practice, hospitals, and community mental health centers.
- With a master's degree, you can become a licensed clinical social worker (LCSW) and provide professional therapy services.

### **Criminal Justice Social Worker**

- **Problem-Solving Powers:** Can untangle life's messiest problems.

- Supports individuals in the justice system, from youth offenders to those reintegrating into society.
- Advocates for rehabilitation and restorative justice instead of just punishment.

### **Corporate Social Worker**

- **Paperwork Ninja Skills:** Masters of forms, applications, and policies.
- Helps employees deal with workplace stress, mental health challenges, and work-life balance.
- Works within companies to create healthier, more supportive environments for workers, including roles in HR that focus on employee well-being and organizational culture.

### **Sports Social Worker**

- **Crisis Management Reflexes:** Supports athletes on and off the field.
- Helps athletes navigate stress, injuries, and career transitions.
- Works with teams, schools, and professional sports organizations to promote mental health and well-being.

### **International Social Worker**

- **Crisis Management Reflexes:** Stays calm and effective in global emergencies.
- Works with refugees, disaster victims, and global organizations to provide aid and support.
- Travels the world to assist communities affected by war, poverty, or natural disasters.

## **Social Work: A Career That changes Lives**

Social workers do way more than people realize. They're in schools, hospitals, courtrooms, nonprofits, businesses-anywhere people need help. If you like making a real impact, this career might be for you!
