

SIERRA LEONE GOVERNMENT
MINISTRY OF WORKS AND PUBLIC ASSETS, NEW ENGLAND VILLE, FREETOWN.

PUBLIC NOTICE ON GOVERNMENT QUARTERS

The General Public is hereby informed that the Ministry of Works and Public Assets is on the verge of undertaking a thorough verification exercise of all Government Quarters in Freetown, starting in the Brookfields Area.

The essence of this exercise is to ascertain the legal occupancy of all persons currently residing in those quarters and thereafter institute steps to facilitate the immediate eviction of all illegal persons /squatters. This engagement will also assist the Ministry to get first-hand knowledge about the physical status of the Quarters, the results of which will inform its Maintenance Plan.

In view of the above, the Ministry is imploring all occupants to make themselves available and present their relevant documents during the Verification Exercise.

The Ministry is also kindly encouraging the General Public to come forward with any reliable information they may have concerning the Government Quarters in the Brookfields Area.

Signed:-
