

Dear Participants,

Moreno Valley Community Band is participating in Provident Bank's Community Partnership Program in order to qualify at the end of the year for a donation from Provident Bank.

By opening and linking your account(s) at Provident Bank to Moreno Valley Community Band, the Bank will take the aggregate total of all members' deposits to calculate an annual donation.

The annual donation has the potential to increase each year as more members participate. The higher the balance in your Provident Bank account, the greater the donation amount your organization will receive. We would like to remind you that your account information will be confidential and the donation will come from Provident Bank, **NOT** from your account.

Ready to help Moreno Valley Community Band earn a donation? Open and link your new and/or existing accounts at Provident Bank by simply visiting or calling me at (951) 242-3149.

Changing banks is easier than you think. Provident Bank's team of dedicated employees will assist you with all your banking needs. Our years of banking experience will make the transition as smooth as possible with our Provident Bank Switch Kits.

I look forward to seeing you soon.

Sincerely,

Holly Wood
Branch Vice President
