\*\*\*\*\*The Agni Yoga painting a top each column index of the original agniyoga-ay.com website is by Nicholas Roerich. This present updated website has Roerich holding the Chintanmani Treasure, called 'Nicolas Roerich with Sacred Casket,' painted by his son, Svetoslav Roerich.

\*\*\*\*\*Other times, the photo a top each column index of AgniYoga (AY) website was taken at Buddha Gate Monastery. Please note, The Aim of Meditation, and Gradual Cultivation and Sudden Enlightenment are also credited from Buddha Gate Monastery. As well, "Seated Guanyin Bodhisattva" G040, was provided courtesy of The Nelson-Atkins and Museum of Art in Kansas City.

\*\*\*\*\* Calligraphy, "Love" by Chogyam Trungpa expresses our website's theme and may reference 2 of his books informing the "West" of !) **Shambhala**, the Sacred Path of The Warrior and 2) **Crazy Wisdom**.

We are most appreciative of the generosity and continual gracious contribution to humanity's progressive development and understanding of the existence of the higher rhythmic planes in which we may live and breathe and have our being abound in creativity and abide in the profundity of peace, thereby we lovingly extend our many, many thanks to:

- The Rosicrucian Order, AMORC
- The Traditional Martinist Order, AMORC
- Plum Village in the Tradition of Zen Master, Thich Nhat Hanh
- Self-Realization Fellowship, Paramahansa Yogananda Teachings

- Sri Prabhupada's, "*Krsna*," *The Supreme Personality of Godhead*
- NAAM Yoga, Dr Joseph Michael Levy
- '*Meditation*,' *The Dalai Lama: A Policy of Kindness*, Chapter 8
- Buddha Gate Monastery, Venerable Master Wei Chueh
- \*Agni Yoga Book Series by **Helena Roerich**, especially '*Heart*.' (hosted by Agni Yoga Society)
- Alice Bailey, (24 books) on Esoteric Philosophy, hosted by Lucis Trust
- Madame Blavatsky founder of the Theosophical Society, author of *Isis Unveiled*, *The Voice of Silence*, *The Secret Doctrine* ect.,....

To '*The Blessed Hierarchy*,' Whom ardently channel guiding instructions and refined teaching to additionally prepare those who have an ear to hear, The Clarion Call, such as those above mentioned individuals and organizations; and to others whom although not hereby mentioned, are invaluable sources to-wit, support the harmonious theme as being, 'thy fiery heart' is to enlighten the planet and its species with the light of joyful presence, here and now, reverently performing inspired acts of service, centered-in-peace with profound thankfulness, expressing and knowing the limitless flow of Gods' bounty; in furtherance, revealing how, by our very nature, through our innate goodness and the power of our love, the quintessence of silence and the conscious intake of the holy spirit of breath, as well, its' forgiving release, we are All, THAT, I AM. Thus... *Self--Regeneration of Divine Sparks of Light is for the Acceleration in Involution for the Evolution of Consciousness of a Planet and its' People.*

The whole process is alchemical. Alchemy is the transmutation of base (ignorance, hate, mundane driven thoughts; careless actions) metal (your mentality) into gold (the goal of higher consciousness; good deeds and service). Such, a higher altitude of attitude is of the *Heart*, as '*being in the 'world' but not of it*,' nor being confined or defined, by it.

\*Changes and additions may be frequent and I strive to continually acknowledge the wonderful and tremendous contributions, both spiritual and academic, of all whom aid in making this website possible. In Peace Profound, I humbly give thanks.
