February 2022

Nearly 50% of full-time employed women do not return to work after having their first child. But many companies with onsite child care see a dramatic increase in post-maternity leave returns.

Service Overview Spirit's Heart Care Group provides onsite child-care services to businesses in San Antonio, Texas. We are here to help your organization start a mid-sized child care facility serving children from three months to six years of age. Our services are safe and secure, providing the parents with an excellent place where their children can be taken care of while they work.

Our Mission

Spirit's Heart Child Care aims to offer safe and secure child care at all times. Your business needs and your staff needs are our top priority. Our focus is on literacy and communication skills with all students. We work closely with parents and our community to network, serve, and provide high-quality childcare and education.

Keys to Success

- Quality care.
- Competitive pricing for your employees.
- Flexible hours.

In a study from the *Journal of Managerial Psychology*, employee performance was found to be higher, and absenteeism lower, among employees with access to onsite child care.

The Objective

We want to help increase your productivity and profits by enhancing your business incentives. By creating space for Spirit's Heart Care Group within your facility, you will decrease employment tardiness and increase productivity in quality and quantity.
