

2025-2026

UPPER SCHOOL

1st Semester SUPPLY LIST

Grades 7-12

At Unity Christian Academy, we try to save parents money while still meeting student needs, so we ask that your students do come with the following supplies listed below. The Lunch & Community supplies are intended to last the 1st Semester. After doing a 1st Semester inventory, we will send home a 2nd Semester Supply List to make sure we only ask for what we need to finish the year; with that, our hope is to reduce the upfront cost of beginning-year expenses. Students will be expanding their creativity this year along with their responsibility in washing their class set of lunch utensils. Thank you for supporting us at UCA!
