Price Estimates

Price estimates will be given before your order is placed. Your approval of the estimate is needed before we can get to work on your order.

Estimates expire after 30 days, and are subject to change. Prices may be revised at the time of invoice based on actual prints, quantities, garments, etc..

Standard printing prices are shown below.

An additional cost of \$0.25 per print will be added for use of specialty inks, and \$10.00 per color change. These prices reflect printing prices, not the cost of garments. Garments can be purchased at multiple price points; we will always recommend the highest quality apparel that fits your needs and budget.

Deposit and Payment

We require a deposit of 50% to order your garments and begin printing. The remaining balance must be paid in full before we can release the order. We accept cash, checks, PayPal, and credit or debit cards. Credit card payments or canceled checks may be subject to additional fees.

In the event an order needs to be canceled, refunds or return of deposits will be based on the order status. (Have the items been ordered? Have any of the items been printed? Etc.)

Turnaround Time

Turnaround is typically about 2 weeks from the time you approve the proof (via email, signature, or verbal agreement) and make your 50% deposit.

Factors such as holidays, shipping time, and out of stocks may affect turnaround time. Rush charges may apply for orders needed sooner than our typical turnaround.

Art and Preparatory Materials

No art? No problem! Our graphic design services are available to help develop your vision. Art and design charges will be assessed based on the specifics of your needs. \$30 per ½ half hour may be added to your invoice.

Print-ready art files can be emailed to highforestink@gmail.com. We prefer the file format to be PDF or Adobe Illustrator. Any further design or art work may be billed at the current rate. Please submit artwork with a corresponding purchase order, and name any art files in correlation with the name of the job and PO.
