## GRAND KNIGHT'S MESSAGE:

Brothers,

As fall arrives, our schedule begins to heat up. With a pancake breakfast, adopt-a-highway cleanup, Special Olympics events and veteran's home bingo, along with work projects around the parish all within the next couple of months, it's the ideal time to become more active with your council. While most men can't be at everything we do, almost everyone can find the time to contribute in some way. This is the reason most of us have joined, to give back in service to the community. So, I encourage you to attend meetings, and to follow our schedule on our website and in The Rays of Mary. I think you'll find opportunities that grab your interest, and fit your busy schedule.

I hope to see you all soon.

Vivat Jesus

Brother Rich

## CHAPLAIN'S MESSAGE:

Brothers,

While the role of mothers and women in the work of living and sharing the Catholic faith cannot be taken lightly or minimized, our role as men cannot be taken lightly or minimized either. I had learned a while ago that children are more likely to live the Catholic faith, for example by coming to Mass, when their fathers are coming to Mass. As I write this column on September 30, I had learned during a meeting with leaders of the Flame of Love Movement today of the importance of Consecration to St. Joseph. We are already familiar with Consecration to Mary as Mother of Jesus and our Mother; is it not sensible to view St. Joseph, Jesus' loving father, as a fitting model for us?

While little is known of St. Joseph, such points to his "behind-the-scenes" and vital role in the Holy Family and in the Church. Joseph, the patron saint of the Church and of a "happy death," was known as an upright and just man, who unhesitatingly followed God's will. As Knights, Catholic men who promote Fraternity, Unity, Charity, and Patriotism, how do we take an active role in our families, and in the family that is the Church? As we remember the role of men in living and sharing the Catholic faith, such cannot be minimized or taken lightly, especially when we imitate St. Joseph.

Vivat Jesus!

Father Mike Davis

### Missing Knights

#### Brother Knights

If you haven't been to a meeting or participated in one of our activities in a while, the new Fraternal year has started. This might be a perfect time to get back into the swing of things and plan and help out with all the things scheduled for the new Fraternal year. The meetings are the first Thursday of the month and the social meetings are the third Thursday of the month. Both are at 7:30 PM

**You can't go back and change the beginning, but you can start where you are and change the ending.**

## THE MCGIVNEY PRAYER:

God, our Father, protector of the poor and defender of the widow and orphan, you called your priest, Father Michael J. McGivney, to be an apostle of Christian Family life and to lead the young to the generous service of their neighbor. Through the example of his life and virtue may we follow your Son, Jesus Christ, more closely, fulfilling his commandment of charity and building up his Body which is the Church. Let the inspiration of your servant prompt us to greater confidence in your love so that we may continue His work of caring for the needy and the outcast. We humbly ask that you glorify your venerable servant Father Michael J. McGivney on earth according to the design of your holy will. Through his intercession, grant the favor I now present (here make your request). Through Christ our Lord. Amen

## Everyone Who Humbles Himself Will Be Exalted

Baptism is our invitation to the Eternal Banquet of the Kingdom. But, like all invitations, it comes with an RSVP. Our response is found in the way that we live our lives, in our gratitude for all that God has done, in our desire to serve God by serving others, and in our life of prayer and worship.

## Question: Why does the priest put water in the wine at Mass?

**Answer:** The practice of mixing water and wine was common in the ancient world. Wines were usually heavier than most modern vintages and to dilute them a bit made them more palatable and less inebriating. People also drank more wine since water in the ancient world could not be easily purified as is done today. Thus, the wine used at Mass was mixed in water before Consecration in the usual manner of wine.

Mystically, it came to represent our inclusion into Christ's Body by our Baptism. The Priest says: "By the mystery of the water and wine, may we come to share in the Divinity of Christ who humbled himself to share our humanity."

Though the practical reason to mix water and wine is no longer needed, it still remains a powerful symbol and so its practice remains.

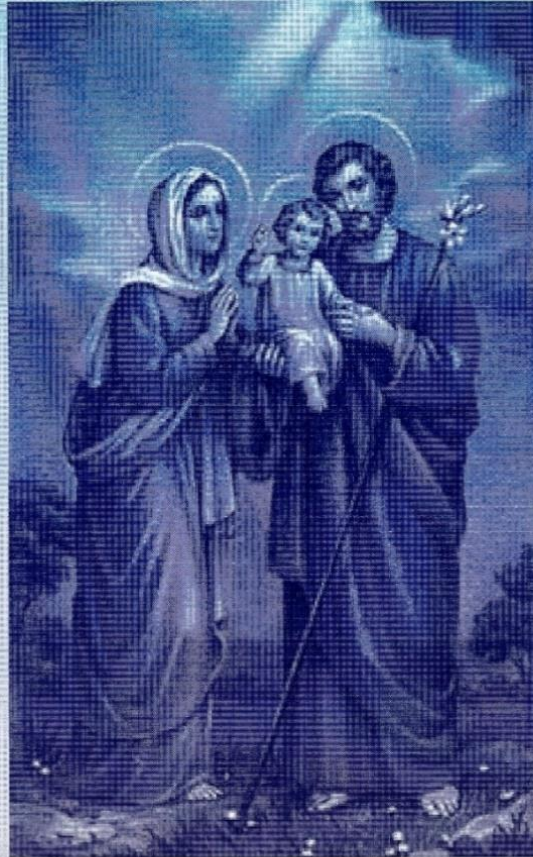

## JUST FOR LAUGHS

The Priest and the Rabbi were eating together when the Priest started to tease the Rabbi. "WOW", this ham is really good" he said licking his lips. "I know it's against your religion, but when are you going to break down and finally have some." After a moment's thought the Rabbi responded with a smile" at your wedding."
