

# Labor & Rest

This depicts the Life of a  
Farm woman. Note un-  
cut hair, muscle in fore  
arms & unconfined  
bosoms. A copy of this has  
been submitted to the  
Share Croppers union to  
prove eligibility of

MAY  
1938

Memberships. Note expression of  
pathetic determination to wrest  
living from the ground.

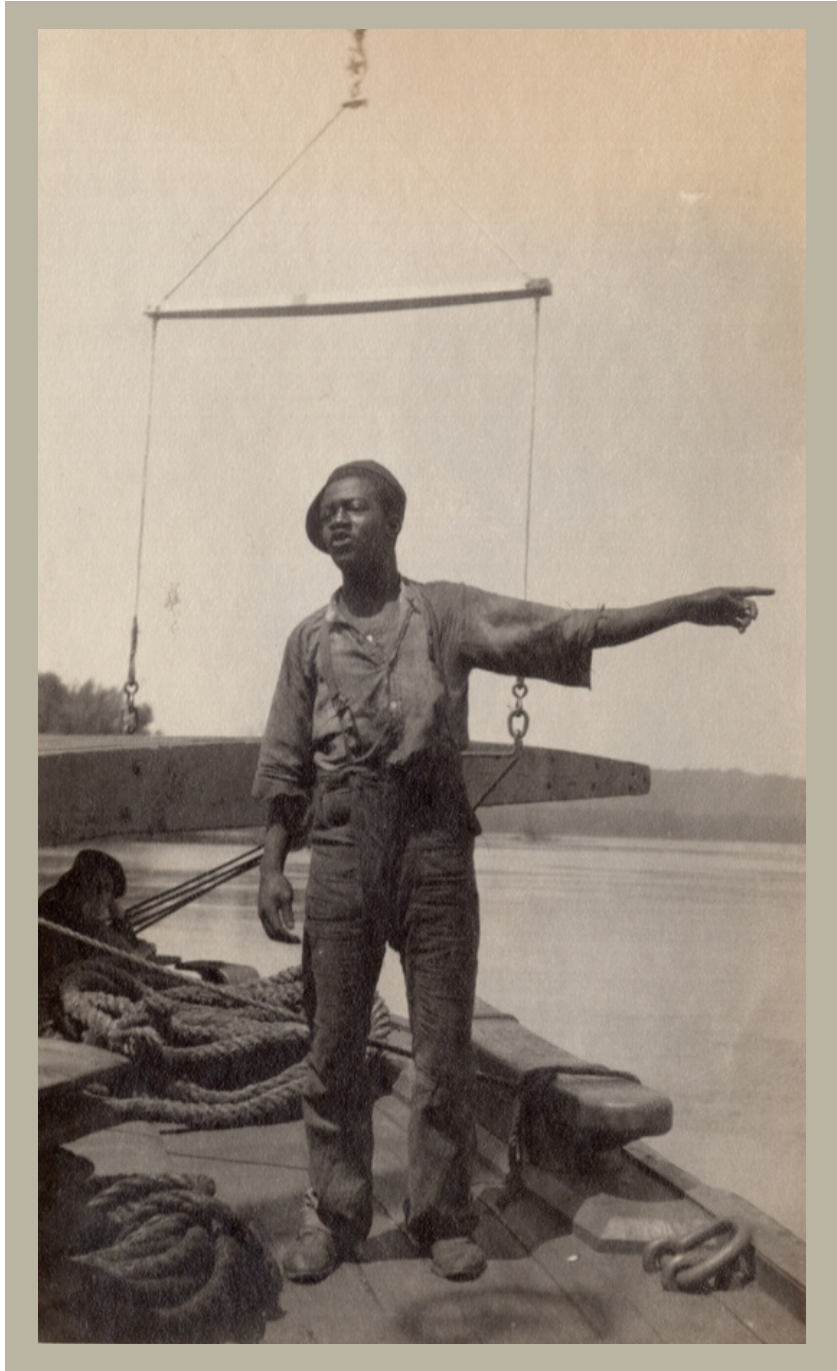

The instrument is a garden  
plow & the crop is potatoes.

The crop is conceded  
to be best in  
county. Vito
