Daily Yoga. Vegan Menu. Connective Workshops. Island Adventures.

NOURISHING ADVENTURES AWAIT

Maui is truly a sacred land. It holds us gently to go into our hearts and navigate our experience from this divine expression of ourselves. Together we will tap into our loving awareness through yoga, art and processing work thru the patterns that keep us from experiencing our divinity. Maui is the manifestation of God as the divine mother. She offers us this reflection to go inward and feel all the love and nourishment we are hungry for.
