

A modern hotel room with a large window, a sofa, a bed, and a long cabinet. The room features a large window with a view of greenery, a sofa with patterned pillows, a bed with white linens and brown pillows, and a long cabinet with a blue patterned front. The floor is made of dark wood, and there is a patterned rug. The ceiling has recessed lighting.

# Kimball<sup>®</sup> Hospitality

summer 2020 | resimercial collection

Residential-inspired hotel furnishings should be approachable, authentic, comfy and inviting. Kimball Hospitality, in conjunction with CJMW Architecture, took this design trend and created a collection of casegoods and seating pieces that will have your hotel guest feeling like they never left home.

Mix and match the collection to create a look that is all your own.

**Dreams are built by Kimball Hospitality.**
