2021 Summer Soccer Kinder Clinics: Kinder Program Coordinator and Coach, Lentcen Roig, will be hosting summer soccer clinic sessions throughout the summer for the littles. These will take place on Monday evenings, from 6:30-7:30PM, and all previous Kinder Kickers and Academy players are welcome (and encouraged) to come and play! No sign-up is required, and this is a free program for member families where you can come to one, none, some, or all; this is just a way to keep the younger players active with the Club and continue working on their ball skills until the new season starts. We will focus on different skills each session and play some small field scrimmages. The summer schedule will be as follows:

- Monday, July 12
- Monday, July 19
- Monday, August 2
- Monday, August 9

Parents may stay to watch or drop their players off. Please have them wear shin guards and cleats, and bring a size 3 soccer ball and water bottle to every session. Looking forward to a great summer!

Youth Soccer is also hosting tryouts in the upcoming weeks so please be on the look out for dates and info on our FB Group Page and the website.
