hope services

Hope Services is the leading provider aiding individuals (infant to senior) with developmental disabilities and mental health needs. Serving more than 3,500 individuals and their families in 6 countries. Some assistance includes but not limited to: children services, day programs, staffing, mental health services, community living and senior care.

Hope Services vision is to promote a common understanding and the world is a better place when people with fundamental disabilities are fully integrated into our community and culture.

Hope Services relies strongly on donations to keep their programs running.
