

The world I want to see

The world I want to see

The world I want to see

1.Computer virus

Virus, virus no one nowadays serious
Youngsters are only very curious
It is an unwanted software spurious
Yet for many systems virus is dangerous
For many paying for antivirus is luxurious
When computer crashes, we become furious
Virus prevention is expenses miscellaneous
The creation of virus is sadistically ceremonious.

2.Court

The Temple built to give justice
But now layers do their practice
Litigants run from pillar to post
Clever layers make them to roast
The people in court are bad host;
In the temple angel of justice is blind
Helpful Advocate difficult to find
Only money can make them shine
Hearing date reached one to nine
For justice pending litigation is not fine.

3.Courtesy light

Make your attitude like courtesy light
Life's journey will be beautiful and bright
Sometimes friends many not be right
Yet never start an unnecessary fight
Your courtesy can save it becoming tight;
When bell rings open the door with a smile
It will make to come down the visitor hostile
When you offer a cup of tea to your critique
In future for you he will have better attic
The effects of Thank You never remain static.

4.Appreciate when one is alive

What I will gain if you remember me
After death I will be with omnipotent he
During life never saw your smiling face
Now you are smiling in the funeral race
I was tired to make you understand my case
But your thinking and vision was always haze;
No need to pray for me after final journey
I have already finished my eventful tourney
Mourning will now not change the game
After death what I will do with name and fame
During life time your habit was only to blame
With your appreciation I would not have died lame.

5.Cape town water crisis

Not just combination of hydrogen-oxygen
It is the life line of living beings and citizen
Without water life can't continue in earth
Every moment thousands new lives birth
Ground water in cities going down and down
No new water source yet city residents found
The potable water crisis is coming around
If water is not conserved fall of cities is bound
Cape town water crisis raising alarm for many city
To resolve potable water crisis together every ones duty.

6.He made this

He made this world full of pain
Our prayers mostly go in vain
Tears come from eyes like drain
His mission is to clean heart main
He pulled up when we fall in drain

Everything he binds with fine chain
Without pain no one can gain
He has given every man a brain
His son came to the world to train.

7.Cover

In order to protect or conceal something
Cover never represent everything
In books front and back cover is identity
Sometimes cover protect the integrity
Undercover cops fight with criminals
Vegetation used as cover by animals
Cover is necessary for aesthetic also
For some cover has to represent solo
Because inside everything are hollow.

8.Rain remove dust

When I saw your photo first
I thought one day we meet must
Our friendship doesn't gather rust
As friends we must have trust
The domain of time is very vast
In the world forever we will not last
Our relationship must be true and just
One day I will make our memorable bust
History will remember us friends of past
The rain will always remove the dust
Friendship in the world is rainbow cast.

9.Cow

Fully grown domesticated female animal
Without milk difficult will be kids survival
Most useful animal since time immemorial
Worshipping cow in India is traditional
Butter, cream, ghee, curd part of our food
All cow milk products are tasty and good
Beef is a high protein food in cold countries
In agricultural life cow had no boundaries
Cowboy is important part of all societies.

10.The game of uncertainty

The glorious game of uncertainty
That is why glamour cricketing fraternity
The best team can't claim sure victory
Sometimes weakest team has better trajectory
The ball may take unexpected turn
The good player may make zero run
So for spectators' cricket is exciting fun
For bookies and gamblers it is second to none.

11.Encourage other games also

Cricket is not becoming sports power ticket
Any moment the best one may lose his wicket
India should concentrate on other sports also
Otherwise performance in Olympic will be hollow
Urban game cricket shadowed hockey and football
Indigenous kabaddi is considered to be too small
Athletics can give India more international fame
For India table tennis and badminton also good game
Dependence on only one game to cheers
Defeat leads to broken hearts and tears.

12.Loneliness

Loneliness is not solitary imprisonment
Nor loneliness is forcible punishment
Loneliness is opportunity for introspection
Thinking alone can give determination
Far from the madding crowd we get solution;
Loneliness is creation of one's own mind
Companion and friends one has to find
One become lonely when mind is blind
To others always be helpful and kind
Loneliness of soul forever will wind .

13.Bank balance

When bank balance is in million
You have lot of cheerful companion
For you everyone gives good opinion
In the friends circle you are champion;
When bank balance become zero
For friends you are no more a hero
Best friends will say come tomorrow
On cheerful faces you will see sorrow;
Bank balance is nectar of our beautiful life
With good bank balance enjoyment strive
During bad days bank balance come handy
Without bank balance you not remain dandy.

14.When you are in traffic jam

When you are in traffic jam
Don't lose your patience and calm
Rub your two hands palm
See the surroundings charm
Overtaking will do more harm

On your line remain firm
Smile to others with warm
Jam will not remain infinite term
No benefit in twisting arm
Look forward but remain mum.

15. Twenty nineteen cricket world cup

Uncertainty prevailed till last ball
Overthrow lead to Kiwi's fall
The glorious cricket become tall
Tie in final is not a matter small;
Top two teams exit without fight
Bottom two sides proved they are right
Final match was so very, very tight
Everyone was confused which side bright;
Twenty nineteen world cup become history
Future generations will listen the story
One sixer changed the result of the match
The coveted world cup England could fetch.

16. Sinusoidal cricket

A roller coaster grand finale
Up down like sinusoidal wave
Colour of cheers changed
Every now and then with every delivery
Though the field was not slippery
Millions of supporters speechless
Thousands adopt temporary blindness
Heart beats increased with every bounce
Every boundary produce cheerful sounds
Nail biting finish beyond expectation
England-Kiwi pushed cricket to perfection.

17. Corruption

Never indulge in corruption
It will spoil your reputation
Your integrity will be under suspicion
Life will take a negative direction
Your face value will see dilution
In society you may face humiliation
Corruption is the worst intention of mind
Everywhere corrupt people we always find
Yet toward corruption people are blind
To honest people society should be kind.

18. Crab

With five pairs of legs an unique animal
A tasty food like fish loved by many people
But to cook delicious crab is not simple
A heard of crabs can't move upward
Each one pulls others legs backward
Crabs are seen in various colours and sizes
Avoid crab mentality people to win prizes
Crab Temple is not for worshipping crab
It is a place to fill tummy as much as you can grab.

19. Crack

Crack can easily appear on your sole
But crack of mind break as a whole
In breaking of large stone crack has role
Even in big hills crack can create hole
People give up hope when crack is in soul;
Crack is necessary to break and make
Many things only crackdown can shake
Thousands of cracks earthquake can make
Crack on the earth surface even create lake
People with cracking mentality are always fake.

20. Who will bell the cat?

Every year Assam flood is growing big and fat
Who will bell Brahmaputra the creating cat
The lifeline of Assam go berserk in summer
Destroy embankment and property like a hummer
To regulate water flow we need innovative plumber
Engineers failed to give a permanent solution
To tame Brahmaputra we need new resolution
Where there is a will there is always a way
Scientists, engineers new technology please say.

21. Crash

Don't drive fast you may crash
One mistake can spoil your dress
Slow and steady can enjoy air fresh
What is the joy and fun in driving rash?
Some innocent pedestrian you may thrash
You will land in police net and legal mesh
A crash can drain in hospital all your cash
In cremation ground you may become ash;
When computer crash you lose data all
In case of airplane crash it is free fall
No one you will be able to make a call
Life is precious don't hit everywhere like ball.

22.Crawl

To crawl is the nature of a child
Many animals crawl in the wild
By crawling cross the slippery field
Through in crawling progress is mild
Better satisfaction one can yield;
While running fast you may get derailed
In the rat race of success you can be failed
Through crawling always remain sailed
In the long run defeat will be unveiled
Your struggle and success one day will be hailed.

23.Craze

Short lived enthusiasm for something
Crazy people are busy for nothing
Stadium is full because of football craze
Some crazy supporters always amaze;
Craze can sometimes help to achieve tall
Crazy people's dreams mostly fall
Yet craze is intoxicating inspiration
Crazy scientist can find big solution.

24.Journey is the award

Life is a journey not destination
Enjoy every moment with satisfaction
Similar things may come in rotation
But it will be always in different orientation
The journey is pain and pleasures combination;
Look to the station you have crossed
Forever it's beauty will vanish and lost
Only memory will remain till the end
So with smile gather many, many friend
Remember in the end journey is the award.

25.Hobby and profession

For satisfying life always pursue hobby
If necessary make your own lobby
Life's journey will never become shabby
You can easily win the game of rugby
One day critics will say you hello baby;
When hobby is livelihood and profession
Doing job will give lot of satisfaction
You will not feel bored doing in succession
In your job you can achieve perfection
As an expert you will earn good reputation.

26.Flood

When rivers overflow uncontrolled
Water becomes hostile and bold,
Power of water increases many fold
The force of water embankment can't hold,
About destruction stories are told
Even in summer flood brings cold,
At exorbitant price vegetables are sold
History of flood destruction is very old,
Politicians, contractors earn gold
Misery of poor man remain untold.

27.Cream

Thick white fatty liquid on top of milk
The colour and softness is like silk
The taste of ice cream loved by all
Face cream make female beautiful doll
In society creamy layer is always tall;
Cream cracker, cream cheese nice to eat

Cream puffs taste no one can beat
With ice cream children should be treat
Butter, ghee made from cream are great
All creamy products melt when put heat.

28.Greed and need

Man has unlimited greed
Animals satisfied with need
Food, cloth, shelter man never agreed
All other living beings happy with feed
Thought, greed made man animal in lead;
Greed is good as long as it is motivating
If it becomes everything it is subverting
Never make greed companion everlasting
Throwing away greed will make soul's lighting
You can get rid of unwanted materialistic fighting.

29.Credential

Utilise your inner potential
Develop your credential,
Credential indicates suitability
Your talent will get publicity,
For marketing credential must
Without credential best product rust,
When you earn credential people trust
Your success in society will be must,
Credential is accumulation from past
To become leader make credential vast.

30.SOS

Switch off something, switch off something
Never waste electricity for nothing,
Production of electricity is costly
Electricity damage environment slowly,
Switch off something silently
Help in protecting environment boldly,
Global warming is now warning politely
After some years it will express violently,
When we reduce in electricity consumption
We are helping environment protection.

31.Nudity

Nudity is life's inseparable part
Artists can express it as an art,
We born in the world without cloth
Male female union in necked is truth,
Every day we become necked for bath
Nudity is always in our life's path ,
Life can't flow without nudity
Love, sex and nudity are in solidarity.

32.Credit

Credit is obtained based on trust
Future payment should be must
For non-payment rating will rust
In default credit card always burst
In future you will get credit last;
Credit card stimulates expenses
Banks give you necessary services
Banks profit increases many fold
Your bank balance go down you are told
To recover unpaid property can be sold.

33. Copyright

Thank God no copyright on fire
Without paying royalty you can hire,
On wheel no one claimed copyright
So communication progressed bright,
Air, water, soil all are copyright free
That is why we can see lot of tree,
Copyright bad for spreading of knowledge
Bible is free, everyone can acknowledge,
Copyright caged freedom of free flow
In the world only few people can glow.

34. He sacrificed life

Only Jesus sacrificed own life
He didn't marry several wife
Because of him peace is prevailing
The mankind got path of smooth sailing
Otherwise violence would have boiling;
Jesus showed the path of love
So we saw flying peace of dove
He prayed for those who crucified him
Hate the sin not sinner his teaching theme
Without Jesus world will be lame.

35. Crisis

Time of intense difficulty or danger
Don't be panic, face it all together,
Never allow crisis to cripple your attitude
Overcoming crisis will widen your latitude,
Crisis can make or break your future
Life's course may change forever
Face it with courage and confidence
Crisis will go away like a small incidence;
Use crisis to improve problem solving skill
Once you master, crisis can never kill
For perfection you need regular drill
Crisis will never come to you as bitter pill.

36. My God died young

My God died young
His teaching always strong
We love Christmas Carol song
Journey to sainthood is long;
Love and peace road to salvation
In every walk of life there is satisfaction
The path of Jesus need determination
But to follow him don't have hesitation;
God sent his son to make world beautiful
Jesus stop Satan making man sinful
So Jesus was crucified with cruelty
Yet he prayed for forgiveness boldly;
Jesus's teaching is still showing light
One day world will become heavenly bright
Man will give up hate, violence and fight
Follow Jesus's path mankind will be right.

37. Bed time poem

Plying soft ball in small court
No ace, no race, no double fault,
No service break and losing match
You can drop any number of catch,
Intention to score goal very slow
Game will be over if water flow
Better hit the target mildly and low,
No problem of ball tampering
Both players can do hammering,
You can hug your opponent boldly
Kiss everywhere as you like slowly,
At midnight when game is over
Players sleep comfortably under cover.

38.Cross

Jesus was crucified on holy cross
Injustice to son of God was gross
Jesus's certification mankind's loss;
Cross is the mixture of two things
Better products cross breed brings
Cross fire may hit your own bird's wings;
Cross section is important in engineering
Marathon is long cross country running
Dating of object by co relation is cross- dating;
Multiplication is also known as cross product
Many a times sure goal cross bar obstruct
Earn your cross through hard work and good conduct.

39.Critic

Critic is a person who see everything wrong
Whenever he moves he will make a dong,
Critic never found anything good or right
For silly mistakes he will start a fight,
Through his black glasses nothing is bright
Even in mid noon he never see sun light,
Majority of critics enjoy others leg pulling
In every opportunity they try to bullying,
Yet critics are necessary to identify fault
Sometimes accept them with pinch of salt.

40.Criticise

To criticise is the easiest thing in the world
For small mistake no one should be scold
With politeness deficiency can be told
Respect for your will always remain bold
Your courtesy will be repeatedly told;
When you criticise others on flimsy ground
Everywhere only enemy you will found
No one will lift when you fall on ground
Your harsh words will always rebound
Nobody will listen your crying sound;
Criticism is good as long as it help other
Your criticism should be like words of father
Instead of leg pulling stop your mouth rather
Go inside the situation considering self later
You will find an opinion for comment better.

41.Necessary evil

Religion is like opium
A salt with sodium
But never dissolve like barium
Priest sale it for premium;
Religion is necessary evil
It only created the devil
Good teaching people forget
Misusing religion never regret;
No religion say become corrupt
For greed people change abrupt
Easily do violence and offence
Used religion for self-defence;
Religion failed to change people
Adam, Eve always greedy for apple
No one follow Jesus's path simple
So the society now a days horrible.

42.Culture

Manifestation of human intellect collectively
Culture is based on climate predominantly;
Food, agriculture, vegetation influence culture
Some people offer their dead body to vulture;
Culture become integral part of lifestyle
Religion gave many culture horrible style,
Culture represents inner value of people
In world many ethnic cultures are simple,
Integration of cultures made world beautiful
Culture never encourages men to become harmful.

43.The dog

Man's best companion the dog
It removes loneliness fog
Always better than the hog
You can write in the blog
Friendship will never clog
To make you happy dog will slog;
Dog will never betray master
Bark at enemy coming nearer
To protect you fight like soldier
Always follow you wherever
Wait for you even in hunger
Pet a dog as your partner.

44.Cunning

Cunning people are skilled in deceit
Self-interest is always their ambit
Clever in deceiving even best friend
For propaganda they are rightly trained;
Cunning people instigate others to fight

But always try to make self-interest bright
Don't allow cunning people to make you tight
Avoiding cunning friends is good and right.

45.Current

Flow of electricity is called current
If you touch it you will get death warrant;
Current also means present time
Keep your current assets always fine;
Current account is important in business
If you can't meet current liabilities face disgrace;
Life is nothing but combination of current moment
If you lose current time your lose your improvement.

46.Money has relative value

Money has only relative value
Necessity determines it
When you are in a troubled pit
Even a small amount can fit
Money has no absolute writ;
If you are in hospital bed every penny count
Even though your bill may be small amount
Without money you will be nowhere around
To pay hospital bills you are legally bound
The value of money gives you good sound;
When you give money you know it's importance
While receiving everybody show ignorance
After lending money receiver will forget
In coming days the lender will only regret
Money has different value in the same basket.

47. God is without need

God created man
Man created him
So no one has seen
His existence is thin
To pray God all are keen;
God created man
Man created religion
He never gave permission
God went to oblivion
He is in unknown dimension;
God created man
Caste creed man's selfish greed
Gender inequality not God's seed
Man planned divisive breed
God is omnipotent without need.

48. Cynic

Cynic says people are selfish
Self-interest no need to teach
Others right people breach
Own interest always preach;
Yet we see lot of selfless people
Their lifestyle is very simple
They serve society but humble
Help others during trouble;
Philanthropy is still surviving
Donations people are providing
For others pain lot of people are crying
Cynicism itself selfishness but nothing.

49. Alcohol

Alcohol is a good drink
As long as you don't sink
After three pegs always think
Otherwise you lose your link
Your colour will change to pink
Soon you will be on the brink
Looking you wife will start to wink
Life will reach a uncertain kink
Alcohol is always a helpful drink.

50. Time

Never say time is cruel
Since beginning It is equal
Time is the communist real
Second, minute same for all
For misuse some people fall
Using better some become tall
For time no one is big or small
Work only gives fame and hall
To everyone time give call
Don't wait when on your leg ball
Hit it to score your life's goal.

51. Time is fine

Time is always fine
Utilization is only mine
As per wish I can dine
Any time I can drink wine
As per time sun shine;
Time I can always misuse
But it can never be reuse

Every moment it blow fuse
Light year is very huge
Wasting time why amuse?
Einstein got same hours in a day
Time comes to all in equal ray
But it takes own nonstop way
To nobody anything it will say
Will not give a extra even if you pay;
Time is free resource like light
Utilize time to make future bright
Abuse of time is not right
In future you will face plight
You can't do anything with your might.

52.Daddy

Paying children's bills
Daddy becomes dad
For children he is mad;
Scold by wife every day
To children no never say
Child is his smiling ray;
Sacrifice many hobbies
End life in family lobbies
In children see new promise;
Banker for children, porter for wife
Always busy to make children's life
For daddy children should strive.

53.Dalai Lama

Spiritual head of Tibetan Buddhism
Main opponent of Chinese communism
Now mascot for world pluralism

Always advocate social secularism;
Independent Tibet was once his dream
His mission China already trim
Hope of independent Tibet very slim
Propagating peace his beautiful dream;
Nobel peace prize already he own
Non violence path he has shown
People gave him lovely crown
His visit is always talk of the town.

54.Dance

One of the oldest forms of art
Dance is always cultures part
In early life dancing lesson start
Dancing couples are every smart;
Dance little baby dance with music
Steps in sequence is the basic
Move in a quick lively synchronize way
To enjoy the dance show people will pay;
Dance band is playing in the dance hall
Come to the dancing floor O' baby dall
Don't wait smiling for partners call
Maintain your steps and rhythm not to fall.

55.Danger

The possibility of suffering injury
More dangerous is friends perjury
Danger is possibility of causing harm
To face danger be prepared and firm;
Every walk of life is full of unknown danger
So practice to become a skilled ranger
Brave people overcome fighting face to face

Don't run fearing danger away from life's race;
Danger is always associated with adventure
While climbing Everest you may lost life there
While travelling through jungle take utmost care
Any moment dangerous lion may come and roar.

56.Death

The opposite of life is death
Immortality is only a myth
No one can live forever
Death warrant always there
For death no need to fear;
Death is always uncertain
Any moment may fall curtain
With death no one bargain
Good health always maintain;
Death is ultimate truth in life
You ashes will flow through pipe
Enjoy and love before death come
Time will not return once it is gone.

57.Past

Don't regret for the past
It has already gathered rust
Present will also not last
Utilization of it must
Start working for future fast;
Soon present will gather dust
Future has no definite trust
Anything unpleasant it may cast
Next hour your bubble may burst
Make present beautiful and just;

Forget about your past mistake
Your present past should not dictate
Only carry the experience you gather
Keep your sweet memory as feather
Work and enjoy the present without bother.

58.Caste system

A peculiar social disorder in India
Upper caste suffer superiority fobia
Once lower caste were untouchable
But now they are a force formidable
But caste system is still insoluble;
Brahmins propagated caste system
With it now job reservation is in tandem
In marriage caste is prime consideration
This leads to higher caste glorification
Inter caste marriage still insubordination;
Caste system is now a political tool
Through politics of caste government rule
Caste struggle became vested interest
For caste less society many people protest
On cross road Indian democracy rest.

59.Triple talaq

A bad custom among Indian Muslim
Women suffer a lot for instant divorce
No one bothered fearing religious force;
Triple talaq was against gender equality
Religious relics implemented it forcibly
Triple talaq thrown out of India rationally;
Women are not bonded labour of men
Nor women are child bearing hen

They are part of beautiful human garden;
Man and woman are two sides of same coin
Human race progress when male female join
Now Muslim women will be free from pain.

60.The world I want to see

I want to see a world free from hate
With cruelty no one wish to date
The world is with zero crime rate
Future of child is not determined by fate
Honesty is every human's soul mate;
I want to see a world free from violence
Everyone follow the path of tolerance
No one dies of hunger and war
Gender inequality doesn't create scar
Human values shine like bright star;
I want to see a world free from caste
Humanity is the only religion everyone trust
Boundaries of nation diminished forever
Mind is without fear to rise tall and higher
Society will strive with intellectual desire;
I want to see a world free from greed
For environment and ecology everyone heed
Protecting biodiversity every individual lead
Man animal conflict not known to any kid
In outer space human foot print technology will seed.
