

Let us bloom together

Let us bloom together

Let us bloom together

1. Gratitude

Gratitude is a good attitude
It has no longitude latitude
Gratitude has big magnitude
Others heart it can intrude
For better relations it is prelude
Gratitude remove unfriendly cloud
Forget gratitude help will subdued.

2. Joking lol

Congress introduced corrupt culture
All Congress man become vulture
Modi punched in their belly big hole
Congress is now playing enemy role
They are encouraging insurgent mole
Modi will jump over tallest pole
Congress man will starve for dole
Rahul will inflict to many self-goal
In India he has become a joking lol.

3. We the Indian people

We the Indian people are not honest
Do everything for selfish behest
Always give own benefit most interest
Decide everything in personal context
To show example others we request
To do corruption we look for pretext.

4. Clock

Tick tick time fly by
No one can take time my
Second, minute, hour fly fast
Unused time is nothing but rust
Week, month, year is continuous flow
In the walk of life never be slow
Clock can only measure time
Do the right job at right time
Costliest clock can't store a moment
You can't go back and correct comment.

5.Good Night

Good night
End of fight
Jobs are tight
Day was right
No more plight
Mind is light
Bed is the site
Dream will fly kite
Sun will come bright.

6.Close

Come close to near and dear
It will throw away mental fear
Your attitude will be very clear
Friends and foe all will cheer
Come close to people who hate
One day they will realize and regret
They will say you are friend great
Closeness always open new gate
Remain closest to your soul mate.

7.Women's Day

Whole year women say
So, they have one day
Discuss about equality ray
Gender discrimination main issue
To wipe it society need new tissue
Seminars, meetings can send message
Gender inequality is in society since ages
Women's day celebrations too symbolic
Education and empowerment are hydraulic.

8.This is not male world alone

Salute every women of the country
They are the nation building foundry
They are the mother of every human
They move the nation with acumen
Indira, Teresa, Susma, Nirmala or Mamata
Indian women are never behind men
Kalpana and Sunita also have lot of fen
Though male claim world is their den
Eggs can be laid not by Cock but by Hen.

9.Teach to become rich

If you can teach
Barrier it can breach
Others heart you can reach
Students will never ditch
With love they will stitch
Your goal you can reach
You will survive rough pitch
You will overcome all hitch
Intellectually you will be rich.

10.Moral education

Need of the hour is moral education
Otherwise there will be always sedition
Education without moral is dangerous
Such education creates only greedy virus
Childhood is the right time for moral education
After adulthood it is difficult to change foundation
Fables are easily accepted by young child
Without moral education he will grow wild.

11.Morality and ethics

Morality and ethics
Society's they are basics
There is no place for racist
Ethics give solid foundation
Morality give honest orientation
Society progress with determination
Without ethics law is toothless
Without ethics order is useless.

12.Religion and ethics

Every religion claims they are ethical
But nowadays religion is political
Religion is creating maximum anti-social
Religious ethics is now only for show
Cruelty and violence every one vow
Society and mankind are now at its low
Religion and ethics together should go
Love, peace, brotherhood religion must tow.

13.Go to bed with free mind

The world is full of greedy people
Everybody busy with own schedule
No one is satisfied with fulfilling need
Human beings' instinct is to run after greed
Greed is afterwards all problems seed
Richest man is also not free he needs more
Even after having everything life become poor
Greed is infinite it has no end till death
Throw away it and with free mind go to bed.

14. Life is fragile

When I close my eyes in the night
Don't know whether will see sky again
So, for tomorrow I will never do any bargain,
Opening my eyes when I see the sun
I thank God for giving another day for fun
Riding on my white horse, I tell him run
Something memorable today must be done
If I can't do, let me help someone to smile
Certainly, he will keep it in his memory file
Tomorrow he will stand in the graveyard for a while
Always remember at bedtime life is very fragile.

15. Vote for unity

Note for vote no more relevant
Indian voters are now very intelligent
Election commission is stringent
Over expenditure and bribes forbidden
The democracy in India is now matured
There will not be rigging it is assured
New voters now play important role
Free and fair election democracy's soul
Come one come all vote for democracy
It will strengthen India's unity and integrity.

16. Think above petty divide

Think above caste, creed and religion
Above all our beloved nation
India needs every citizens citation
Work for united India with determination
Leadership is important for India to become strong
The journey to become leader in the world is long
The fate of world's largest democracy you only decide
Throw away petty divide and to bold leader provide.

17.Do not humiliate watchman

If the watchman is thief
Nation's future is bleak
Congress legalised bribe culture
Watchman's dignity they want to rupture
Corruption congress now want to formalise
Watchman is not only a poor man with stick
To protect nation's wealth, he takes life's risk
Congress is demolishing dignity of watchman
This is offence in Indian social-cultural temperament.

18.College

The Temple of learning
Without idol of God
The teachers are the messenger
Books are the knowledge bearer
Youths are shaped to become man
The principal always has many fan
After girls the boys used to run
Though in exam companion pen
The songs and drum beats of function
The dance and drama have attraction
College life is the best part of life
In the memory lane forever strive.

19.Think above petty divide

Think above caste, creed and religion

Above all our beloved nation
India needs every citizens citation
Work for united India with determination
Leadership is important for India to become strong
The journey to become leader in the world is long
The fate of world's largest democracy you only decide
Throw away petty divide and to bold leader provide.

20. Better choice

If you are not part of the solution
Don't criticise him who is trying to solve
Critics and problems are hand in glove
Many critics don't know what they want
To show importance unnecessarily shout
In their intention people always doubt
Critics are found to be vested clout
If you don't have solution don't make noise
Allowing others to work is a better choice.

21. Umbrella

When the rain come
The umbrellas jump
They feel proud
Looking to cloud
Never afraid thunder sound
Happy to see rain around
Not foe of cloud and rain
They tied umbrella with chain
Without rain umbrella is in pain.

22. Vested animal

Though man is social

Yet it is vested animal
Sometimes it is political
Divide society vertical
Work for others notional
For self highly emotional
In own interest professional
But pretend to be rational.

23. Enjoy the opera

Enjoy the opera called Indian election
But vote as per your choice and selection
Campaign for your candidate and choice
For society and nation raise your voice
Never quarrel with friends and neighbour
After the opera you have to live together
The leaders will vanish for long five years
Only friends and neighbour will wipe tears
Don't take debates and arguments personally
Enjoy the opera together and vote individually.

24. Partiality

All men and women are partial
Though they pretend to be neutral
For own interest men become social
To satisfy mind they behave emotional
Partiality may be for children or family
For own village, town, district or locality
Partiality for caste, creed or religion
Emotion is high in the name of nation
Impartiality and neutrality are fake
Man pretend so for now shake.

25. Coach

God is always with the best coach
He knows how victory is to toast
In practice trainees must roast
In defeat coach's efforts lost
Coach may not be the best player
But his skills are spread there
His instructions overruled rare
Experience coach always share.

26. Smile to spread colour

Smile has no colour and smell
Yet it is the best colour I can tell
It can ring your heart's bell
Though smile is not for sale
Without smell smile is best perfume
With smile friendship can resume
Smile when combined with sweet voice
You can have everything as per your choice.

27. Clutch

The world is still in the clutch of religion
Very few have own independent opinion
The clutch of nation is also man made
The division of nation nature never said
For the clutches of language also we paid
Mankind has to come out of these clutches
For better tomorrow unite all human races.

28. Club

Club is good place for get together
No caste, creed and religion all together
Wine, alcohol, song and dance forever
Games are played for joy & entertainment
Not for so called religious empowerment
Better place than Temple, Mosque, Church
Club never try to do your brain wash
Sometimes alcohol may make you harsh.

29.Cloud

When life is covered by cloud
When thunder sound loud
Your capability never doubt
In fear no need to shout
Wind will come to make cloud raindrop
Anxiety and tension sunshine will crop
Courage and confidence cloud can't stop
With Cloud computing you will be on top.

30.Extra marital affairs

Love is universal and without boundary
Can't be caged within four walls of home
It is abundant throughout in Google chrome
Find someone for an affair and joyfully roam
If spotted by wife certainly she will drop a bomb
Man is not a monogamy animal nor women
So extra marital affairs bloom at slightest opportunity
Extra marital affairs are pleasure but should be voluntary.

31.Enjoy the festival of colour

Enjoy the festival of colour
The nature is not uni polar
Yet to enjoy you need dollar
We are tiny dot in the system solar
To divide the world too many scholar
Seven colour make beautiful rainbow
Colour chase away people's sorrow
The festival of colour is for brotherhood
In jovial mood enjoy different food
While spreading colour never be rude.

32.Coal

The black carbon is not gold
But industrialisation it mould
As handy fuel coal was sold
In old days coal was very bold
Black diamond coal is told
It's importance petroleum hold
Alternative came to industry fold
Petroleum became liquid gold.

33.Cosmetic life

Life has become cosmetic
People are now pragmatic
No one live life holistic
This is the present statistics
Everyone is very realistic
But many are still sadistic
Money made people mathematic
Without money no cosmetic.

34.We can do it

When we think we can
Actually, really, we can
That is why we are man
Determination and will
Man has instinct to kill
We also have big zeal
Attitude is the driving force
Knowledge is lighting torch
Thrust for success inspiring source
When we think we can, we can.

35. Good day is important for good night

Good day is important for good night
Only a good day can make night bright
In the day if you courageously fight
Your night will always be right
Without good day sleep will be tight
You can't dream to fly like kite
Every moment tension will bite
So, to make night good make day good
Work with smile to have good night food
Your good day determine good night mood.

36. Welcome critics

When you have critic

Realize you are not static
So never become fatigue
Critic are welcome antique
When you have leg puller
Know that you are taller
Make your steps stronger
Time will show them corner
When you have strong enemy
With friend you can build harmony
You become vigil in your journey
Life gives you reward in the tourney.

37.Never feel inferior

Superiority complex is better
From top view is always greater
You can think self to be smarter
Few competitors will be nearer
You can cross the crowded border;
Inferiority complex is always bad
It will make throughout life sad
Looking downward you become mad
You will never find jumping pad;
Make your head high and feel superior
Never accept you are inferior
In the marathon you maybe junior
But you will become successful warrior.

38.Choose your friends better

Tell me your companion

I will make my opinion
If your friends are horse
You will run fast in race course
If your friends are fish
Swimming will be your wish
If your friends are eagle
You can fly high without hassle
Tell me your companion
I will tell your character
Choose your friends better.

39.Cobweb

Clean the cobweb of your mind
A better new world you will find
Meditation and prayer are broom
With prayer cobweb can't zoom
Cleaning of mind is very important
Without reading mind remain ignorant
Enrich your mind with good book
You will see the world a better look.

40.Cocktail

When friends invite for cocktail
We reach the party without fail
Though nobody will send to jail
Cocktail we always like to hail;
Enjoy life with proper blending
Use cocktail for friendship vending
Be careful in cocktail handling
Mistake may lead to bungling.

41.Land of rising sun

In the land of rising sun
For survival people run
Patriotism is their religion

Punctuality is the satisfaction
Every work always in time
Nation building objective prime
Atom bomb could not destroy spirit
Earthquake, tsunami can't dictate writ
Cherry blossom really beautiful
People in Japan are so wonderful.

42.Rohit's Group in Nippon

Cherry blossom was destination
Rohit's group excellent in Nippon
As group we are now champion
For few days we are companion
There may not be any more reunion
But in memory recorded a good opinion
Everybody will move in different direction
Yet evergreen will remain our combination
Unity in diversity is the India's foundation
To make India Nippon patriotism is solution.

43.Ito Nathuhiko

What a wonderful guide we met
All our programmes are well set
A jovial man with open heart
Never stop words once it start
Good story teller and magician
He is also a amateur musician
A polite, helpful, funny human
Through speaking he brings rain
For his good health we pray 'Amin'.

44.Departure

Without departure no arrival
Departure is for future's survival
In arrival there may be carnival
But departure always memorable
Don't shed tear when we depart
For a purpose we will go apart
Load with good memories our cart
Memory will remain in our heart
A new bright day we all will start.

45.Let us bloom together

Enjoy the spirit of blooming together
Life will be easy, fair, beautiful forever
The cherry blossom to spread brotherhood

For a nation unity, integrity is motherhood
We enjoy playing together in childhood
Becoming adult we prefer greed, falsehood
Japan like to bloom together like cherry
So the people of the country live in merry
Let thousand caste, creed bloom with dignity
This will give Indian nationalism strength and longevity.

46. Good bye all co-traveller

Good bye to all
We are too small
The world is funny
Keep your mind sunny
Love your honey
Spend your money
Our meeting is irony;
Farewell to co-traveller
The world is now smaller
In your city I may be caller
We may meet next winter
Hope you may remember
Someone may forget forever
Memory of Japan may become reminder
Good bye Rohit and Ito, the path finder.

47. Opposition has no agenda

Opposition has no new agenda
To stop Modi only propaganda
Price rise, electricity issue no more
Nationalism is now in the core
Surgical strike gives Modi advantage
Opponents are busy to do sabotage
People will not carry opposition's garbage
For falsehood they have to pay demurrage.

48. Election manifesto

Election manifesto useless paper
After election nobody remember
Election manifesto is always there
But implementation is very rare
Poor has become more poorer
After win politicians play snooker
Manifesto is show piece for power broker.

49. Modi is the best option now

Change is the law of nature
But for deformation take care

One bird in hand is better option
Take care in leader selection
Resist deformation with determination
Modi is the best option in India now
If there is better option tell me how?

50.Coefficient

In life acquire a good coefficient
For progress it will be sufficient
Life is not a lonely journey
Coefficient make it tourney
Coefficient can change result
It can guide even a tough adult
With zero coefficient algebra is zero
In physics sometimes coefficient is hero.

51.Coffee

The black hot enjoyable drink
In the morning many of us think
Coffee and tea both are twin
Hot drinks market they win
In office coffee break is welcome
Wait on coffee table for someone
In cold winter coffee mug good companion
Coffee table book casual reading champion
Many things happen in cafe coffee day
Every table has different love story to say.

52.Coincidence

Life in this world is coincidence
Parents are our first confidence

In the world we have little significance
One day life has to face subsidence
Coincidence give friends and foe
We get opportunity in the front row
Life partner or living together
Strange coincidence always there
Coincidence can change life forever
But such coincidence are very rare.

53.Coke

The brown carbonated soft drink
To avoid it always one should think
Too much sugar bad for health
It will erode your money and wealth
Coke can never extinguish your thirst
Drinking plain water is better and must
People use coke as pesticide in field
If you drink regularly you may be killed.

54.Think wisely

Think wisely
Talk politely
Be friendly
Win heart slowly
Move forward boldly
Appreciate highly
Don't hate slightly
Enjoy life lightly
Success comes rightly.

55.Cold

Cold weather is always good
Provided you preserve food

You are upbeat in drinking mood
Warm cloth gives cosy feeling
Sunshine gives heavenly smiling
One can can work very efficiently
Health remains good simultaneously
Cold countries are developed one
Thank God long ago cold war has gone.

56.Collateral

Without collateral business can't grow
To get finance collateral you must show
Though collateral seems to be virtual
One must prove its existence as actual
For financial institutions it is only ritual
It can change for powerful individual
In life also collateral is very important
With your lineage you can be dominant.

57.Chasing wild geese

In the mad crowd of concrete jungle
I am becoming more and more lonely
Everyone is chasing wild geese
In the hope of catching it for golden egg
No one realises that the chase is vague
Sitting on the stairs of supermarket
I look to the busy bees' full basket
No one has time to look back or notice
As if heaven will fall if they lose a moment
How fast you chase baby you can't catch
In the graveyard we will play same match.

58.I cried for Srilankan victims

I shed tears for Srilankan victims
When my cry reaches the sky

Jesus can't remain silent and shy
From crucifix he will come again
With his love wash away all pain
Blood stains on church wall
To humanity a wakeup call
If we don't stop hatred civilization will fall
The killings in Sri Lanka is not incident small
To do justice we pray to the almighty
Let the departed souls rest in peace silently.

59.You are my sun

In the darkest night when I cry alone
You come silently and wipe tears
You can't bear my agony and pain
O thy mother your love omnipotent
Even in worst days it doesn't become silent
After my thousands mistakes not violent
The season changes and year goes by
Yet your love remains spreading light
In the cruel and selfish world, you are my sun.

60.Collision

Don't take the path of collision
Collision may push to insubordination
Take the path of negotiation
Never block opportunity of conciliation
Take view of all concerned before decision
Settle the just and logical objection
Take the just and logical resolution
With fairness win heart of opposition.
