

Me Too

Me Too

Me Too

Me Too

Me Too

1. We love our India most

We love our mother land India most
Will keep it's honor at any cost
We may be in Canada's coast
Yet we love our India most
The tricolor remains in our heart
To keep India's respect is duty first
Himalaya reminds our peaks or so high
Ganga Yamuna Brahmaputra never dry
Our history in the world oldest one
Ramayana and Mahabharata are epic fine
Indus valley civilization still flow
India's civilization is now a rainbow
Language caste religion can't divide
I love my India spirit always unite
Kashmir to Kanyakumari Gujarat to Assam
We always love our India maximum
New York London Singapore Australia
Wherever we stay love India our umbrella
We may be today at Canada's coast
Yet we love our motherland India most.

2. Independence Day

When I salute the tricolor
Joy of my heart fly over
India I always remember
Love my India forever
Fifteen August is symbol only
Thousands year Ganga flows slowly
Oldest civilization our Indus valley
Ramayana Mahabharata are epic fine
In their foot print India always shine
India's head is as tall as the Himalayas
Our spirit always above the skys
Religion divided India once
But the spirit of unity bounce
Europe Australia China America Dubai
Indian flag will always fly high
Million heart sing together
India is motherland our
Independence day remind us unity
India is a lovely country in diversity.

03.AN ODE TO APJ ABDUL KALAM

O thy great soul
Fly in the Universe with Wings of Fire
Igniting Minds of Millions
Nothing is Impossible
How big the dream may be
Determination and work only matters
One day we will land on stars
Flying on the Wings of Fire
Light years will become minute
We shall overcome the time threshold
Ignited Minds will pay the tribute.

4.Salute Indian Oil

Indian Oil Indian Oil
True son of our soil
Supply energy to the nation
Indian Oil is never on vacation
Nation's wheel moves on oil
On LPG country's food boil
Kerosene lightens remote village
ATF gives air force its courage
Serving nation in war and peace
So much progress nation has reach
Salute Indian Oil on foundation day
Indian Oil is nation's brightest ray.

5. Engineers Day

When you stand on Bruj Khalifa
Playing with your smart phone
Think for a while about their back bone
Engineers are the builders of modern world
Yet they remain behind in National Herald
Work silently for progress and prosperity
On their hard work the world see diversity
Wheel electricity computer and many more
In the net now we keep everything as store
Engineers never look behind but improves
That is why they are the best innovators
On the Engineers Day think about their contribution
Saluting Visvesvaraya on this day will give you satisfaction.

6. Life begins at sixty

Life begins at sixty
Mind is still naughty
Pocket is full with gratuity
So can afford luxury
No need to stay in dormitory
We can stay in star hotel comfortably
Break your mind's boundary
Travel abroad and your country
Work for the society voluntarily
Life's journey will be satisfactory
Don't keep anything temporarily
Last day may come simultaneously.

7. After sixty love and laugh

Very often laugh and smile
Health will remain very fine
Exercise and walking is very good
Reduce intake of oily and fatty food
Plying with friends give refreshing mood
Do not argue with your better half
She will make your laugh very tough
With your mind and soul never bluff
Always keep with you love and care puff
Never behave with your neighbours rough.

8.Problem

Running from problem is painkiller
Problem will again reappear
Tackle problem always head on
Then only you will get solution
Problems are part of the life
It comes in different type
Sometimes it gives big bite
Keep your courage right
Never allow problems to override you
In your path problems will be very few
Face your problems with open mind
God will also be very helpful and kind.

9.Run Hima run

Focus focus only focus
You will win certainly lotus
Practice will lead to perfection
Even in lost you have satisfaction
Hard work has no alternative
Mind should be always progressive
Keep unwanted thing passive
Good example always receive
Run Hima run to improve own time
Practice and focus is now prime
Arjun could hit the bird's eye through focus
Modern Arjun you will win Olympic lotus.

10.Happiness bubble

If in life there is missing link
Retrospect and coolly think
After sixty no need of transfer
No one with you can interfere
No need of any more promotion
So under control negative emotion
Look to the full Moon in bright sky
Ask the little star they exist why
How much ever small their little light
They try to enlighten the world bright
Forget your all worldly domestic trouble
Blow to the sky love and happiness bubble
In the rising sun you will see rainbow of life
To eternal peace God will drive your bike.

11.Life is beautiful

Even after bite of venom from people
I shout loudly life is beautiful
Life is not for quarrelling with negative mind
Rather it is to forgive and be kind
Forget the painful bad days
Remember the bright sunny rays
Do not run after for revenge
From bad to worse life will change
Run after butterfly like a kid
Happiness joy will get momentum & speed
People with venom will come with flower
They will praise your happy life with shower.

12.Daughter's Day

Daughters are best gift in our life
Preference for son is now a myth
Daughters are Angel in the family
Give parents accompany happily
Without daughter home is cloudy
For daughter we can laugh loudly
Daughters are always bold and beautiful
She keeps family every moment cheerful
Every father love his daughter most
After marriage many son become ghost
For mother daughter is best companion
Daughter always give mother best opinion
On the Daughter's Day I miss my daughter
Because now she stays from me very far.

13.Kalpana Lajmi

(1954-2018)

Kalpana is Meera of modern time
Bhupen Hazarika's companion fine
Always stood by Bhupen along the line
Cultivated with Bhupen musical vine
Along the Brahmaputra never she fall
Showed the beauty of Assam with Ek Pal
In Lohit Kinare Brahmaputra stands tall
Rudali put her and Bhupen to new height
With bestactress award Dimple glow bright
Daman gave Raveena Tandon new light
In Assam with press Kalpana had big fight
She own the battle with press convincingly
People of Assam accepted her rihgtly
Known in Assam as Bhupen's shadow
But shewas never BhupenHazarika's widow
Iron lady with a lamp is her true identity
We pray for her eternal peace to infinity.

14.The four dimensions

Gravitation matter energy time
Within this universe is confine
All time greatest scientist Einstein
We live in the beautiful relative world
Don't destroy the good time with sword
Matter energy two sides of the coin
In the domain of time it always join
Time has only forward arrow
From past or future you can't borrow
Enjoy and live life now, forget sorrow
Every action has equal opposite reaction
Do good you willget the best satisfaction
Always remember Einstein and Newton.

15.Change the situation

Corruption and inefficiency
India's two major deficiency
Development is the casualty
People are suffering its cruelty
Honesty is a scarce commodity
Truth has lost its longevity
No one bothers about the nation
People love in law and rule violation
Everyone is busy with his satisfaction
That is why country is in poor condition
Together we have to change the situation
As senior citizen we will get satisfaction.

16.Extra Innings

Do not know after sixty what is your role
Yet stand high like highmast pole
Try to give light to the furthest eye
So that towards bright day he can fly
God is kind enough to show you right path
You can now help some one to take holy bath
Play the extra innings cheerfully and blind
No fear of clean blod or caught behind
Every good shot(job) will be feather on your cap
When you are tired or runout rest in nature's lap
Make the extra innings more memorable
In the heart of people you will be unforgettable.

17.Our Democracy

India is world's largest democracy
India also has the highest hypocrisy
Administration is under bureaucracy
Politics is controlled through autocracy
Redtapism is the way of governance
Corruption is always in consonance
Kickbacks give our democracy resonance
Caste religion reservation are hindrance
Because of these democracy lost fragrance
Education can only make democracy effervescence.

18.Need and greed

Life has given me what I need
Why should I feel sad for my greed
Greed creates jealousy, a bad breed
It is the right time mind should be freed
Got food cloth shelter and a happy family
Indian Oil gives medical support easily
When in job we are in need of promotion
Now realised those were useless emotion
This is the best time to contribute for society
In Indian Oil we had worked for nation with sincerity
When we cry for others greed disappear with tears
God gives us bonus to serve many healthy years.

19.Population

Every time I think for a solution
One word always disturb me 'population'
India has thousands of problem
Nobody knows how to solve
Poverty, illiteracy, corruption
Caste, religion what will do government
Population is eating out all development
Unemployment is off shoot of population
One Day nation will go to hibernation
The worst sufferer shall be new generation.

20.HRM

Health, Relations and Money (HRM)
The three sides of our problem triangle
Attitude can only clean problems jungle
If we remove one side it becomes angle
At sixty plus with money no need to mingle
For health and relationship we should jingle
Attitude can cool bad relation with tinkle
With walk and laugh good health twinkle
When our HRM is fine our life will sparkle.

21. We are in the same boat

Status position chairs all are temporary
Friends will be always contemporary
We are in the same boat after retirement
Relationships are only permanent
While in power everybody will salute
Power is gone position status will dilute
In the greed for status and position
Don't make friendship constipation
Relationship friendship is very fragile
Once broken, it will never become agile.

22. Big Business

Buddha Jesus Muhammad all has failed
Violence cruelty crime sin all prevailed
Their teachings and lessons now derailed
For vested interest their philosophy is jailed
Religion is no more spreading brotherhood
For many people it is now only livelihood
Like sex religion is big business worldwide
In the name of Hindu Muslim Christian it divide
A platform for quarrel and dispute it provide
Humanity and human values everybody should embrace
With peace and nonviolence world will progress.

23. Gandhi Jayanti

On the path of truth and nonviolence
With satyagraha and civil disobedience
Independence movement made resonance
Without war India got it's independence
Gandhi's personality was like a tall tower
Nehru-Jinnah both were hungry for power
Division of India made Gandhi's position lower
Millions of Hindu Sikh died during partition
In India this had created lot of frustration
Worshipper of nonviolence gunned down
His legacy is still respected in village & town
On his birth day we give him floral tribute
For India's independence lot he contribute.

24.Need of the hour

We are human with jealousy hatred & greed
Never satisfied fulfilling our basic need
We call ourselves as the supreme breed
Innovation and inventions are also our feed
We are not disciplined hard worker like bee
But we innovate new things for a hefty fee
Greed always a drivingforce to move ahead
Jealousy always push us not to stay behind
Yet love forgiveness kindness need of hour
With humanvalues mankind should shower.

25.Fuel prices fall

Hima Das joined Indian Oil
Fuel price stopped to boil
To welcome her price rise foil
She will run faster on Tokyo soil
Hima is now Indian Oil's idol
In future car will be on electric coil
Demand will go down for oil
Petrol diesel price will never boil
To make India self-sufficient let us toil
One day Hima will be HR manager in Oil.

26.Digboi

Dig boy dig dig boy dig
Later came there oil rig
Lot of machines and jig
British made there thing big
Asia's first refinery came
The place got Digboi name
Though Digboi refinery now lame
Yet it has the glorious fame
Assam Oil was the leader
Now in IOCL's cap a feather
Dig boy dig we always remember.

27.Live like King or Pope

Every morning brings hope
To climb over the life rope
Life is not a funny joke
Nor life is carbonated coke
Life is also not a matter to poke
A long way we have already drove
Now we have nothing to prove
So no need to go for dope
No anxiety tension to cope
After sixty live like King or Pope.

28.Enjoy life with zero tension

After sixty if you get good pension
No need to carry old days tension
Give up greed of having possession
Go as you like should be obsession
Do good to society with own observation
No need for proposals submission
No need to ask anybody's permission
Enjoy life with friends @zero commission.

29. Harmony

Arm in arm hand in hand
Let us play harmony band;
Hindu Muslim Christian, Sikh
All are Assam's foundation Brick
Liberal people will bring new horizon
Peace and progress to be every one's reach
No division rich and poor, upper and lower
Everybody will march no more stops (bandhs)
Sonowal commit progress will be must.

30. Independence Day of an Unknown Indian

Freedom at mid night
Yet sunshine is distant dream
Jatinkai's child is still naked
Not even a pair of cloth
Though play behind the high rise building
Shouting Bharat Mata Ki Jai;
"Ma why don't we have a shed
And remain starved in night?"
Is 69 years not enough, to feel the spirit of freedom?
"Tomorrow I have no work...
Flying tricolor only insult to me
May be another few days of starvation..
My son will wait late night near the KFC bin
To collect some discarded bone"
Two drop of tears came from Jatinkai's eye
Yet he responded with broken voice
To the passing parade...Bonde Matorom!
Is freedom imprisoned in password of Swiss bank account.....
Or freedom again caged in Man Ki Baa to deceive millions of Jatinkai?

31. Funeral March

Neither I have remember my birth
Nor I will ever see my death
Life is only in between
Have and have not, to be or not to be
Past present future all are illusion
Living is the only reality;
Then why cry and regret 'O thy Man'
Why worry for dead past or better tomorrow
Live life as it comes
Every morning, Sunshine or cloud
Life will walk in the domain of time
Work and enjoy as life come
Live and let live others
Never will we see our funeral march
To pay homage to our repenting soul!

32. O' Lord

O' Lord

Give Thy strength

Not of ocean

Not of thunder

Not of sun

But of soul

And of mind.

33. Let me die in peace

Let me die in peace

No heaven is needed,

Heaven and hell

Two sides of a coin

I want to rest

In God's soul.

34. Made of same

All living beings

Man and animals

Trees and others,

Their soul is God

Made of the same

Earth, air and water

Woven in fine balance;

Love and care for all

Let it be our prayer

For Lord's kindness.

35. Dancing deer

The dancing deer

Came to me:

“Ask the Lord

Why he created us

Only to Extinct”

I said ‘O’ dear

It is we, not the Lord

Who are cruel to you

And digging our own grave.

36. Give me a place to stand

Give me a place to stand

I will turn the world for you,

Give me a place to sit

I will give you the moon,

Give me a place to sleep

I will give you extreme pleasure,

Give me a piece of land

I will plant tree for future.

37. Old is gold

Old is gold

Gold is costly

Cost is inflationary

Inflation is universe

Universe is world

World is mankind

Mankind is environment

Environment is for protection.

38. Don't separate me

Don't separate me

From the nature

She is our mother,

She fed, she heals, she cures

She is the spirit of freedom.

Don't tell me: "Live in concrete jungle"

In the air of suffocation

Where humanity is buried long ago,

I want to live in peace

I want to live as I was in childhood

In the lap of my mother.

39. Mind is the Angel

Mind is the Angel

Mind is the joy

Mind is narrow

You will be sorrow;

Mind in the sky

Happiness will fly.

40. Truth will prevail

Truth will prevail

Not the sin

Good will prevail

Not the evil,

Mind will prevail

World will be better.

41. Spirit of life

Never ending spirit of life
Man has traveled to Everest
To the sky, moon, mars
The sun is not far away;
Yet there is missing link
Darwin can't tell
Nor the cloning can solve
The mystery still remains
As it was before Jesus was born
As the universe is
As the human being is;
Spirit will never die
Good will prevail
Till we know
Why the universe bloom.

42. The far horizon

I was sleeping without a dream
I woke up and opened the window
To see the moon and stars
To feel the cool night breeze;
The green trees looks
Like a strange creature
In the far horizon,
The owl's voice is cruel
Yet the night is beautiful
It is going to rain
Moon and stars
Distance dream of sky
Let the rain come
I want to overcome
The endless nights.

43. The nights are black

The days has become like the nights

The nights are black

As if the world itself

A perfect black-body.

Yet the light will come

With new spirit

As it is

And birds will woke up

To sing it's regular song,

We will see a new day

A joyful day

As it was

When I was a child.

44. I want a song

I want a song

As new as the sun

As old as the sun

As bright as the sun

As dark as the sun

It is the light

That makes our life

Full of color

Fun and love

Is so blood is red?

45.Jessica's Group

She came with a flag and smile

Ask us to wait for a little while

Everyone came to the exit

She took the role of Ms Fixit

The bus started to move

To the hotel Pilot will drove

Jessica's Group is thus formed

The Canada tour will be groomed

From Surat to Guwahati to Mubai

Delhi to Kerala to Dubai

Mini India is Jessica's Group

She will give everyone travelling soup

Jariwala Pathak Bhuyan Garg Subramanium

All will together play India's unity harmonium

Around Canada in eleven days

From East coast to West coast bays

Niagara Toronto Ottawa Montreal enrout

Our identity is Jessica's Group

We are all like a Indian peace troop

Jessica is our undisputed leader

We look at her for day to day fodder

World is now a global village no doubt

We are only doing in it round about

Time will fly fast and joyfully

Everyone will remember Jessica's group hopefully.

46.Travelling together in Canada

The world is really beautiful

Yet life is more wonderful

Without knowing anybody

But now some one is somebody

We meet for a few days

May be for a reason or season

May be for a life-long fusion

The beauty will remain in beholders eyes

Each of us will say bye bye

Defying cruel hands of time

Memory will remain in hearts

The life is too short for hate and quarrel

Sooner or later will come funeral

Enjoy the beauty of world with open mind

Work positively for wonderful mankind

Leave behind memories of all dark days

Let beautiful memories of travelling stays.

47. We will depart after a while

Greet every one with a smile
We will depart after a while
The smiling face will be remembered
Their sweet memory will be forwarded
The world is a small global village
Smile do not require money and courage
After few months trip will be mirage
Memory will have only the smiling coverage
The laughing Antakshari in Canadian bus
We will recall even in life's moment of harsh
Smiling singing travelling together elixir of life
We are human not robot or its prototype
No need to drop tear of sorrow when we depart
Carry memory of travelling together even to desert
Greet every one with a hug and smile

48. A paradise on the earth

A paradise on the earth
Beautiful both side of path
As you go up to rocky mountain
Lakes are like nature's fountain
The straight pine trees will greet
Some times black bear you may meet
Wonderful Bow River flow all along
But you will not hear bird's song
A crow may greet you at base camp
The lady driver is a real life champ
She will drive you to the Glacier
Ice explorer she will navigate as carrier
The vehicle will overcome all icy barrier
Walking on glacier give excellent pleasure
Very low there the ambient temperature
Tundra forest of Banff beautiful wild young
During journey guide play nostalgic song
Banff is true paradise one will never forget
Visit of Banff and Rockies no one will regret.

49.Canada Dry

Try try don't cry

Never afraid try try

Fear will say bye bye

Failure will be standby

Hope will rise very high

Try try don't cry

Success will come by

You will be lucky guy

Everybody will say hello hi

You will fly in the sky

Enjoy with Canada Dry.

50.Flyover Canada

No need of a balloon with hot air

No need to become a jet plane flyer

No need of a sea plane without tyre

No need to take a chopper on hire

Flyover Canada is an experience unique

Flying over Niagara falls make heart to beep

Hassle free fly over the Canadian Rockies

Four dimensional simulator is not a cookies

Seven minutes will show whole of Canada

No need to go to Montreal Toronto Ottawa

Visit only Flyover Canada in Vancouver port

You will see whole of Canada in short

Fly over Canada is a thing to be seen

You will see Canada is so white and green.

51. Departure

Departure the other side of the coin
When we have arrived we have to depart
Sun rises only to set in the evening sky
Yet whole day the activities of man fly
Setting aside the bad memories of the day
We welcome the night for sweet dream
Departure is welcome after hectic tour
We will carry bags of memories to pour
The arrival is waiting us at our sweet home
When we arrive with memories joy will bloom
This is not the departure final or ultimate
Some day one may back to Canada climate
Though we will leave most of friends forever
Canada fly memory will always remember
When we arrive we had little hesitation
Now we are departing with satisfaction
So enjoy the departure with delighted mind
God gave us wonderful journey he is so kind.

52. Bye bye eight hours

At sixty from service you are retired
As if for ever boss had fired
Yet why desire to be hired
Why become after eight hours tired
Do not lose dignity to be wired
Do good to society you will be admired.

53. Round the clock job

When the Sun sets in the remote village
And the head light of a tractor glow
Remember that there is Indian Oil's flow
While crossing the river by motorized boat
We realized that Indian Oil is afloat
Looking to the white cloud in the mid air
Feel Indian Oil's ATF's presence there
When electricity stops at operation theatre
Sound of generator brings new life to roar
The spirit of life remain alive with every drop
To keep nation on move is IOCL's round the clock job.

54. Nation first

Weapons alone cannot save nation
Citizens must have patriotic emotion
Unity brotherhood should get promotion
No one should be kept in isolation
Never should be there law violation
Work for the nation with satisfaction
Do not push security integrity for dilution
Love for nation is not for politicization.

55.Farewell to a senior colleague

What can we give you
In this moment of farewell
Except a bouquet of good wishes;
Life only begins now
Breaking the periphery
To the horizon
To see the full moon,
The sunrise in blue mountain and
Thundering black cloud.
Life only begins now
To give a giant leap
For doing something big, something great
And to contribute every moment
Not for self, but for others;
Good deeds will certainly come
As thousand angles to write our obituary
When our time is really over
And we make the final journey for heavenly abode.

56.Welcome diversity

Don't see everything as you like
Unitary concept is only a hype
Nature love symmetry not similarity
That is why in earth there is biodiversity
Diversity is sign of progress prosperity
Welcome diversity with warm hospitality
The world is place of diverse university
The fittest will survive not mediocrity.

57.Durga Puja

In the glamour of light and sound
Spirituality no where to found
Durga Puja now a ritualistic bound
Devi is incapable to kill today's demon
Rapist hackers do not listen reason
On parole all evils are out of prison
Everyone has freedom for treason
Devi is now on the cross road junction
Puja is in the catch twenty two situation
Devi should better enjoy cultural function.

58. One day civilization will vanish

Mankind has reached peak of its longevity
Civilization is now approaching escape velocity
One day it will vanish like the Indus Valley city
God will not show to cruel man any pity
To clean the world is God's routine duty
When punishment cannot control crime
When violence dishonesty killings prime
Then for civilization escape velocity time
There will be no more prophet nomination
God will destroy his own divine creation.

59. Me too

Me too me too the shout is now loud
After so long how the truth can be found
Lot of debate and gossip certain to bound
Finally it will be proved world is round
Are we only reinventing the wheel?
Or shouting to take out culprits on bail
We must fix the wheel to the axle
Don't hummer too much to break the spindle
To bring gender equality still lot of hurdle
Sexual abuse is common even in King's castle.

60. Break the glass ceiling

Girls should now break the glass ceiling
Above their head for long it was hanging
Integrity and modesty not for bargaining
Parents should empower in upbringing
Never accompany bad man for drinking
No girl should be crazy for job hiring
Me too should be a lesson for inspiring
Male please help in me too propagating.
