

One night's guest

One night's guest

One night's guest

1.Sweta Singh

With red gown she looks mind blowing
As if an angel on Ganges bank glowing
Her best performance she was showing
Looking at her eyes do not wish blinking
After interview for Sweta everyone thinking
In Sweta beauty and brain is combining
Gorgeous look is will be forever reminding
Now she will have millions of following
In the interview Sweta gave everything
We love you Sweta you are really something.

2.Colourful world

The world is colourful
So, it is very wonderful
Don't make it painful
Avoid act that's sinful
Opportunities are plentiful
Work hard to become powerful
Always try to be skilful
Never become harmful
Let's make colour bountiful.

3.Suicide

Escape route of life suicide
Weak, mad and escapist ride
Suicide is goal offside
Unethical society decide
Everybody has to abide
No remedy society can provide

People's opinion so divide;
Death is the end of every life
Everyone wishes to bloom and strive
But sometimes destiny strike
Joy, smile, progress subside
Only pain and darkness rise
People forget family ties
So took the path of suicide.

4.Coma

Sometimes I wish to go to coma
Will be free from pain and trauma
There will be no profit and loss
Life will continue without any toss
No difference of day and night
No worry for wrong or right
No one will come to make a fight
There will be no more dreaming
Yet time will say that I am living.

5.Zebra

The indomitable freedom
Never allow to restrict movement
Born free in the wild forever
Taming by human allowed never
Black and white stripes hover
For pedestrian Zebra crossing remember
Zebra is horse's cousin brother
Yet totally different in character.

6.Zeal

In life don't give up zeal
It makes colourful life's reel
With zeal problems can be peel
Enthusiasm every moment feel
Problems and pain easily heal
Zeal will not allow smile to kill
With zeal succeed in all deal.

7.Comfort

All struggle in life is for comfort
Hard work needed for its support
For better comfort we need effort
Without work comfort don't report
For earning money comfort don't deport;
Physical comfort money can buy
For greed don't make mental comfort dry
For money don't make health's fry
In search of comfort you may have to cry.

8.Comedy

Entertainment to make audience laugh
But for comedian's life is very very tough
Their day to day journey is too rough
Hide tears behind the mask or smile
People's clap inspires to travel many mile
Always on move to make other happy
As if comedians are society's puppy
Our life is not a Shakespeare's comedy
So, for entertainment we need somebody.

9.Zero

The digit without any value when alone
But when with others it can clone
Zero remains valuable in back foot
In the front foot it has no root
Babylonian, Mayan, Indian used zero first
In modern mathematics zero is must
Hero and zero two sides of the same coin
Someone's victory another's fall zero join
In modern science zero has great significance
In everyday life also zero is equally important.

10.Commando

Endangering own life for others
Commando always move forward
When police can't control situation
Commando can resolve with intuition
Sophisticated weapons in hand
Commandos are rigorously trained
Commando protect society from evil
In dealing terrorists, they are daredevil.

11.Commentator

Commentators are only narrator
They are not society's actual mentor
For money they roam in power corridor
Real problems they rarely monitor;
All commentators are not wise man
Yet they have lot of followers and fan
In search of controversy always ran
Dispute, difference for them golden hen;
However, commentators are needed in society
They should bring people's issues to public politely
Commentators behaviour should be humility
With people they should always show solidarity.

12.Commerce

Richness lies in trade and commerce
In business competition is fierce
Without commerce money can't grow
Development of country become slow
With better commerce economy glow
In commerce place to place money flow
When commerce stops prices give blow
Production and commerce keep prices low
Ecommerce is now popular worldwide
In your doorstep materials it provide.

13/Commission

Instrument of appointment in armed forces
To earn commission middlemen races
For misdeed commission of enquiry faces
Brokers get commission from sellers
Also never forget to collect it from buyers
For commission lot of omission happens
The word commission is full of suspense.

14/Fani

The cyclonic storm Fani is dangerous
It's destructive power is tremendous
To face it people never become nervous
Good thing is it brings rain in surplus;
Village, town Fani can destroy in moment
Work to prevent destruction is comment
Plant and trees have no other option
They fall on ground without emotion

We are helpless in front of angry nature
To save nature everyone should take care.

15/I want to follow my grandfather

I want to be a green man
Emitting less greenhouse gas
Walking, cycling wherever I can
If required sometimes I ran
Less eating is good for health
Boiled food save energy, wealth
Two pairs of shoes are enough
Regularly I can easily brush
Three pairs of cloth enough for me
Without burning candle I pray Thee
I use LED to light my small house
My sweat hand fan can douse
Reduce, recycle, reuse my motto
My grandfather I want to follow ditto.

16/Laughter Day

Smile, smile and make it laugh
To laugh every day is not tough
With smile you can't behave rough
To throw anger laugh is enough;
Laugh is good for heart and brain
It can reduce anxiety and strain
In hard times it brings enjoyable rain
Laugh in the day is always a gain;
Integral part of laugh is friend and joke
Enmity smile and laugh can revoke
Anger and quarrel laugh never provoke
On laughter day barrier of division remove.

17. Communal

The early societies were communal
Because development of society was plural
For survival communalism necessity
Tribal living was also communal society
Religion divided man and social polity
Caste, creed, colour, religion divisive force
They always run the communal horse
Nationalism sometimes turns communal
Let new generation perform its funeral.

18. Negative people

Negative people try to pull me back
But always I push their long neck
They can't hold me to move ahead
So now to face me they're ashamed
In society negative people are in majority
To pull down others is their priority
They will never push anyone upward
Neither they will ever try to move forward
Negative people are destined to doom
Never share with them your drawing room.

19. Shillong

Scotland of east Shillong is diminishing
Lost somewhere the beauty mesmerising
Population explosion is destroying hills
In winter no more snow and thrills
Vehicles are causing jams and pollution
To save flora and fauna no solution
In the evening no more sound of flute

Everything internet and video game mute
Shillong peak is standing as symbol of glory
Nobody knows how to bring back old story.

20.Communication

Communication is uniting the world
Every nook and corner in its fold
To any place product can be sold
Rail, road, air, water already there
Information communication make them fair
Your information with world you can now share
Communication changed world to a global village
In the desert for water no need to chase mirage
Google map is always in the fingertip and handy
Communication made the world traveller friendly.

21.Communism

The failed theory of Carl Marx
Human greed is the crux
Man can't live by bread alone
From many countries' communism gone
A good theory of social governance
Yet majority people dislike its fragrance
People like freedom not dictatorship
One of the basic instincts of man is gossip
China, Cuba still holding communism
So, in those countries no communalism.

22.Modified India

As if India have only one issue called Modi
The entire opposition has become rowdy
Before Modi India was heaven with joy
Rahul and rich kids used to play toy
Modi came to power and destroy
Forced heir apparent to become boy
All the slaves are now abusing one man
Every slave tries to prove he is the best fan
Illogical people still shout dynasty is good
For illiterate people democracy is bad food
But enlighten Indian know which side to stood.

23.Companion

Without companion you can't express your opinion
Tell me your companion I will tell yor character;
If you run fast your companion must be horse
With birds you can take in the sky a flying course;
Companion determines many a time direction of life
With good companion for excellence you strive;
Never make negative people your companion
In life you can't face hurdle to become a champion;
For gossip, back biting companion are abundant
But to hold your hands during bad days most are reluctant;
Companion can make or break your life silently
Avoid bad, jealous and negative companion politely.

24. Don't worry for future

We don't know what will happen tomorrow
Why spoil today thinking future sorrow
When future comes it may unfold surprises
Life maybe full of opportunities and choices
Beautiful today is the tomorrow's gateway
Unknown future years are distant faraway
Enjoy today, enjoy the present moment
Future will certainly come in better format.

25. Compare

Don't compare yourself with friends and neighbour
You will remain unhappy in life forever
Compare your present performance with previous one
Towards success a better job you have done
Comparing with others will make you jealous
Inferiority complex will make your performance callous
Grass on the other side of the fence is always green
Own potential and virtues difficult to be seen
People will never gossip your hidden virtue or encourage
Never compare, just improve performance with courage.

26. I pray for my leg puller

I pray for the leg puller
He becomes Max Muller
One day become great ruler;
Let he learns to fly high
One day he should touch sky
From distance I will say bye;
He should get the magic lamp
Whole world become his ramp

Outside his palace let be my camp;
Happiness and joy shower him
Let him eat the best cream
Looking at his smile I will dream;
To pull my leg he will be ashamed
My great friend he will be named
His photo in my home will be framed.

27.Radar

In air aviation radar is father
Without it planes in hanger
For ground control radar is must
With radio amplification it works fast
Cloud can't make radar to bust
Modi made a small mistake just
He was not a science student in past
So, to help him your vote please cast
After election he will clean all dust.

28.Compass

Compass was once best friend of sailor
Many a time to reach destination failure
Compass can show only South and North
Yet for sailors' compass had high worth
For decades compass showed the path
In many islands Columbus swims and bath
In desert and forests also compass needed
To make compass redundant GPS succeeded.

29.Uncertainty is beauty

Uncertainty is the core of life
Longevity is only hope and hype
You may die before you ripe
Beauty of life is its uncertainty
Why spoil life working for longevity
Smile and enjoy the present moment
Don't bother for your doctor's comment
Dine, wine and dance in the beach
Despite uncertainty make today rich
Death may come without any warning
No one can claim I will see next morning.

30.Competitive edge

Competitive edge brings success
With better edge fight the toughest
Swiss knife has better cutting edge
That is why for it people have craze
Competitive edge gives better speed
For success, advantage everybody need
Sharpen your cutting edge with practice
Your success rate will firmly mortice

31.Compliment

Always compliment others good virtue
Your wishes for happiness will come true
Compliment energises human mind
To move forward courage they will find
Complimentary gifts give people smile
Compliment remains in memory file
Reciprocal is the nature of compliment
Your positive attitude it will supplement.

32.Complex

Life is a very very complex phenomenon
Too many permutation and combination
To make it simple you need determination
Ego and greed bring complexity to life
With good health beautiful body can strive
The human body is a complex mechanism
To the life complex mind bring cynicism
Complex algorithms difficult to understand
For peaceful life complexity to be forbidden
Simple living high thinking is the best option
Complex life is full of sorrow and pollution.

33.Computer

The computing machine changed the world
All activities of mankind are now in its fold
Among all gadget computer is very bold
Every day in the market thousands are sold
With love and care every student hold;
Like fire and wheel computer is game changer
Progress of civilization it has made stronger
No need to depend on human memory for longer
Typing and sharing computer made simpler
Computer is the twenty first century knowledge bringer.

34.Concentrate

Focus and attention can concentrate idea
Don't focus dilute thing in viral media
Concentrate acid can melt iron and gold
Concentrate mind will make you bold

To reach your goal concentrate your work
Concentration will open the hardest lock
With concentration easily cross toughest block
Concentration will give determination and confidence
Success and failure in life are mere coincidence.

35.Messenger of peace

Buddha the messenger of peace
To the world nonviolence he teach
All nook and corner his message reach
Millions of people now Buddhism preach;
Buddha gave noble eightfold path to practice
To the mankind his teaching can give justice
Buddhism follow the middle path without friction
The noble eightfold path leads to liberation
Right view, right intention, right speech, right action
Right livelihood, effort, mindfulness, samadhi give salvation
In today's world Buddhism became more pertinent
Let us make Buddha's noble eightfold path more prominent.

36.Beauty

When I see her beauty with a smile
My heart leaps up in jovial mood
Good morning come as delicious food
Whole day my mind can't become rude
The sun rises in the morning with beauty
To make the day beautiful is our duty
Beauty and ugliness state of the mind
In a smile everywhere beauty you can find.

37. Enjoy with smile

We can't go back
We can only look back
We can't bring back
We can only think back
Don't waste the beautiful moment
Enjoy with smile and good comment
Within a minute it will be past
In the history of time remain as dust
Never allow the present moment to rust
Before time comes, your impression cast
Any moment rainbow bubble may burst.

38. The Dog

The sporting jovial creature
Not simply an ordinary animal
Companion of man from time immemorial
The best friend saved many a man
Sniffer dogs everyone can't train
For master dog can give own life
Never divorce like unfaithful wife
The dog is a wonderful creation of God
If you reverse God it becomes Dog.

39. Concrete

Mixture of cement, stone, sand and water
The hard material can withstand weather
Concrete buildings can last longer
Yet they can't stand on earth forever
Earthquake, tsunami can easily bundle
In nature cities are now concrete jungle

Every country skyscrapers twinkle
In construction it is time to be humble
Preserving nature should be preamble.

40.Conductor

Good conductor can carry heat and electricity
Consumption of electricity is sign of prosperity
In the best orchestra conductor know nitty-gritty
A bus conductor is known by his integrity
For smooth functioning of society good conductor is necessity
To spread electrical network conductor is priority.

41.Conference

Eat, drink and roam with company money
Everybody like conference journey
No work and pressure from boss
In the evening no deadline to cross;
Post lunch you can skip easily
Many participants sleep silently
The speaker woke up them politely
In conference no one react violently;
Topic of conference less important
Food and entertainment omnipotent
Memento and gifts make conference great
In complex presentations everyone late.

42.Conflict

Conflict is the law of nature
Conflict will remain forever

Without friction you can't lit fire
Wheel need friction and gear
Civilization progress through conflict
In history we can see it distinct
Conflict in society should not blow
It can destroy society's glow
Resolution of conflict will give better world
Conflict resolution will make mankind bold.

43. Confidence

Positive feeling arising from own abilities
Confidence give strength to capabilities
Confidence gives unstoppable progress
Courage and confidence key to success
Confidence motivates to perform better
To achieve goals one can move faster
No confidence push government to fall
Only confidence allow people to stand tall.

44. Confused

Never become confused
Success will be refused
Dilemma should be defused
Time not to be misused
Money should not be misused
Resources should be reused
No one should be abused
Distressed one should be rescued
In cross road of life not to be confused.

45.Consensus

Consensus can't be arrived at Congress
Without consensus society has to progress
If we wait for consensus, we miss success;
People's minds are varied and diverse
Many a man many a mind law of universe
In the hope of consensus people polarise;
Consensus is welcome if it is natural
Otherwise always accept the plural
Division will be there urban and rural.

46.Pseudo secularism

No one is secular by heart
Secularism is only a flirt
Inside mind religious dirt
Religion is society's part;
Secularism is only a mask
Power politics is the task
Minority appeasement must
People push secularism to rust;
Islam never support secularism
Hajarat was against pluralism
Secularism is nothing but cynicism
Above religion there is only humanism;
No Islamic country is secular
They are all by religion unipolar
Communist claim proletariat are ruler
Secularists in India are jockey.

47.Election Gone

Election has gone
Result we have done
Now competitor none
Let Prime Minister run
On PM no more dirty fun;
It is now time to work
To break the poverty rock
Whole nation to be flock
Captain will steer to dock
It is not the time to mock;
Best leader is now driving
For excellence nation is striving
No need for any more backbiting
Let us work together for strengthening
If we work hard India will be shining.

48.Constitution

Constitution make nation an institution
Fundamental principles are the intuition
Constitution is the backbone of all law
Through constitution law of land grow
Without constitution democracy impossible
Constitution make democratic process workable
Constitution is supreme in all democracy
Without constitution country become autocracy.

49.Content

When we are content
Greed becomes impotent
Life becomes solvent
Anxiety, tension remain dormant
Health give supplement
We enjoy every moment
Mind is full of good comment
Work becomes benevolent
Thank you omnipotent.

50.Constant

Nothing is constant in universe
Except the omnipotent
Change is the law of nature
The sun will not remain forever
Decay is every moment there
Everything relative when compared
Even our solar system is endangered
In science constants are for calculation
Nothing constant in real circulation.

51.Longevity is not the yardstick

Butterfly and rainbow don't last long
Yet their presence is very strong
In few minutes ends a melodious song
The longevity is not the true yardstick
If you remain alive lame duck and sick
Make others to smile like butterfly
Your pleasure and joy will touch sky

In the hearts of people rainbow never dry
When you depart with affection people will cry.

52. When the sun is bright

The green grass and butterfly
Look at the rainbow and blue sky
The nightingale and cuckoo sing well
See the full moon and beauty of life feel;
The heavenly beauty of the smile
Sea beaches spreading thousands of mile
Keep every beautiful moment in memory file
No need to run in the darkness of night
Enjoy the beauty when the sun is bright.

53. Beautiful today

The first glimpses of sun
Remind me it is time to run
The beautiful day brings fun
Yesterday day has gone
Tomorrow may be none
Today's journey must be done;
Today is the most beautiful day
Looking to sunshine I can say
For the wonderful day no need to pay
God has given free rainbow ray
Time will give a new better way
It is my duty to make a good today.

54. Today is mine

Dine and wine

Evening is fine
Sit below pine
Near flow Rhine
Look at the vine
Night will shine
Friends will line
Together we will dine
It is already nine
Today is mine.

55. Don't forget the rung

In the ladder of success
Every rung is progress
Step boldly don't regress
Slip may cause distress
Time may not keep mattress;
While going up remember the rung
A grateful word will not cost your tongue
Your greatness they will always sung
Even in failure rung will keep you hung
You will be able to breathe with lung.

56. Final corollary

We are travellers for few days
So, look towards the light rays
Enjoy the beauty even in full moon
You may have to depart very soon;
No need to question why we came
Soon will fade your beauty and fame
Move forward before you are lame

In the graveyard all will be same;
Truth and love are the coronary
Wealth, youth, success all temporary
In the journey only time is contemporary
Graveyard is all traveller's final corollary.

57.Indian democracy

Literacy rate may be low
But in heart democracy flow
Every election democracy grow
Government people can throw
Selecting best people know
Good government win in row
Democracy Indian people know
To pressure they never bow.

58.When Jesus in heart

When Jesus is in heart
You look bold and smart
Big venture you can start
Your mind sin can't dirt
The world is your mart;
When Jesus is in heart
You can carry pain cart
The devil can't hurt
Generosity your chart
Peace become life's part.

59.Continent

Asia, Africa, America, Australia, Europe
Continents are bonded by humanity rope
In Vatican live our beloved Pope
Jesus's teaching is our only hope
With destructive forces we have to cope;
Continent are only man-made division
Again, there are countries provision
Caste, creed, colour so many emission
Everywhere divisive submission
Love and brotherhood now in omission;
Continent is needed for geography
Division should not be our philosophy
All humans are of the same biology
One world should be mankind's ideology
Jesus gave to humanity best theology.

60.One night's guest

In search of nectar
We fly in the morning
Looking flowers at surrounding
Coming and going all are busy
Nobody has time to rest
Before Sunset to collect best
In the evening must return to nest
Our nectar future will taste
In this world we are one night's guest.
