

Winning profile

Winning profile

Winning profile

1.Contract

Contract is commitment to do
Once agreed you cannot say no
As per agreement job must go
There may be dispute one or two
But differences we must woo
Written agreement needed so.

2.Environment

The progress of civilization is regress for environment
To save environment should be civilisation's commitment;
Nature's blunder is the creation of human in evolution
The mother earth is now incapable to find a solution
The man made civilization is the major cause of pollution;
Our ancestors till monkey has not destroyed ecology
After arrival of human started the destruction chronology
Human has to change its destructive psychology
Otherwise environment will destroy human biology.

3.Let the tear flow

Every drop of tear is also rain
Tear releases mental pain
Rain drops never go in vain
Mother earth always gain
Green grass grows in chain
Excess water flow through drain
Through evaporation again come rain;
The tears will wash all the dirt
New endeavour you can start
Evaporation will bring tears of joy
You can play with success toy

No need to stop tears under the mask
Allow it to flow, no need to keep under husk
After tears flow concentrate on your task.

4.Centre of life

Soil, water and air
To all always be fair
Biodiversity is rare
To preserve take care
Resources please share;
Sun is the centre life
Photosynthesis make it strive
Trees are the nucleus
Without tree rise Celsius
World will be full of virus;
Soil, water, air and sunlight
Together all environment right
Against imbalance we have to fight
Trees can only make environment bright
Sun will always give us free light.

5.Contraceptive

Contraceptive made women progressive
No need to remain submissive
Freedom from unwanted pregnancy
Helped country to improve literacy
World population contraceptive controlled
Progress of feminism it unfold
Contribution of contraceptive remain untold
It has contributed lot to make femininity bold.

6.Control

Control your anger
You will become stronger
Control your greed
Limited will be your need
Control your ego
Negativity will forgo
Control your tension
Easy will be situation
Control your jealousy
Better will become your policy
Control your emotion
You will see solution
Before you control other
Control self, dear brother.

7.Convert

Every moment we are converting
What I am just now is becoming
Time convert every moment to past
Nothing in the world remain ever last
Convert the raw materials to product
Your growth it will boldly induct
Convert your failure to pillar of success
In life every field of work you can progress
Sun convert hydrogen into helium
For nuclear power we convert uranium
Conversion always should be for better
For society and mankind it will matter.

8.Convenience

Freedom from effort and difficulty
Convenience give comfort sufficiently
Convenience improve efficiency
Inconvenience creates deficiency
Convenience store every day destination
Getting everything nearby is satisfaction
Public convenience always keeps clean
If you make it dirty you are doing sin.

9.Conviction

When you have conviction
No place for contradiction
You can perform with dedication
Move forward with determination
Use all permutation and combination
Every problem will have solution
No need to indulge in insubordination
Never allow mind to go for hibernation
When you work for goal with conviction
Success will surely give satisfaction.

10.Cook

Cook are the manufacturer of food
Without food no one have healthy look
Only after food you can read a book
Empty stomach can make you crook;
The beautiful smell of the kitchen
Makes one mouth-watering vixen
Hunger becomes self-driven
If the taste is bad heart is broken;
Every Cook is a Chemical engineer
Cooking is a chemical process forever

Catalyst salt, spices are always there
Pressure, temperature make cooking fair;
Cook can only make food delicious
Bad cook make dishes hilarious
Proportion of ingredients must be judicious
For restaurants Master Chef is precious.

11. Condom

Condom prevents pregnancy random
Against AIDS best prevention is condom
Between love and sex pregnancies fiefdom
For man using condom is the wisdom
In illiterate society condom is used seldom
So sex and population go in tandem;
God created man and woman, ordered them to multiply
Never thought that human will be in over supply
For reducing population explosion god ask for a reply
To save the world, condom so God deploy
For wide circulation condom patent no body apply
Condom now helps man to defy God's order to multiply.

12. Cooperate

When we cooperate
We never regret
To help others is pleasure
It has no monetary measure
But for each other we care;
Cooperation develop team spirit
Team work is the success writ
Bull's eye together we can hit

Team will hold you from falling in pit
Make cooperation you winning kit.

13.Coordination

Bring the different elements into cohesion
For efficiency requirement is coordination
Work for better social, industrial relation
For coordination requirement is negotiation
Good coordinator always has intuition;
Coordination is necessary in every field
Without coordination better fruit never yield
To win a match coordination needed in field
International relations poor coordination shield
With better coordination disputes can be killed.

14.Copper

The red-brown metal carry electricity
In industry copper is necessity
Alloyed to form bronze and brass
Copper coins were once used by mass
In copper age copper ruled civilization
Later came bronze as a combination
Without copper no electricity, no electronics
Copper is an integral part of thermodynamics
Copper plates are still preserved as showpiece
Many people still use copper alloys in utensil and dish.

15.Copycat

Copycat has now rule the world
Majority of people in copy paste fold
Duplicate of everything are now sold
Copycat also pretend they are bold
Even copy right their own they told;
Computer helped copycat boom
Originality has now faced doom
For silent innovator little room
Copycat can easily groom
Internet is copy cat's automatic loom;
China leads the copy paste movement
For copying they provide good solvent
Sufferer is the innovator innocent
Intellectual property right not potent
For success copy paste is good component.

16.Morning shows the day

Morning shows the day
Excellent will be today
Without hesitation I can say
So beautiful the morning ray
For the day none need to pay;
Every day is good and beautiful
Together we can make it fruitful
Violence can make the day harmful
When the day goes it will be painful
Let's make every day delightful.

17.Failure

Life may be full of failure
Consider them as trailer
Continue journey as sailor
Never become your own jailer;
Life is full of golden opportunity
To achieve goals, you need continuity
Don't stop your forward journey
Make your life a winning tourney;
Failure and success two sides of coin
Two sides perseverance can only join
When you make the upside down
You will find the winning crown.

18.Move forward

Cloud can't shadow sun for long
After the rain sun is back and strong
Even a wind can chase away cloud
Along with sun ray rainbow is found;
Hurdles are only to test your endurance
During difficult period show your prudence
Soon problems will fly away with time
Critics will become speechless and mime;
After Sunset morning comes always
Full moon pushes darkness by silvery rays
Don't be afraid of temporary setback
Move forward, good days will come back.

19.Corona

The glow around conductor at high potential
In transmission lines Corona is unavoidable
If your potential is high and try for perfection
To the society your Corona will give satisfaction
The rarefied gas of Sun is not always visible
But even in total eclipse Corona become palpable
Inner potential is the source of Corona effect
Strengthen your potential to win the crown perfect.

20.Critics will never appreciate

Critics will never appreciate
Leg puller will always depreciate
Beneficiaries will not authenticate
This does not mean; you will stop doing good
This does not mean to the critics you will be rude
This does not mean, to the hungry soul you will stop food
Move forward doing good till your last journey
Jesus was also crucified for spreading love in life's tourney
The path to search truth, love and God is painful
Move like Jesus the joy and peace of mind will be bountiful.

21.Correspondent

Correspondent report on regular basis
Many a time misleading their thesis
Half-truth they report for vested interest
Manipulation causes to many disgust
Drawing room correspondents are broker
Once upon a time they were news hacker
Good correspondents are straight, fearless
In public interest no one should be careless
True correspondent report facts and truth

War and crime reporting difficult even for youth
Justice can be given by correspondent through honesty
To uphold truth should be correspondent's polity.

22. Corrupt

Evil and morally depraved are corrupt
Dishonestly money they accept
But their downfall comes abrupt
Corrupt people are always greedy
They never bother for the needy
In third world corruption is rule of law
Society is under corrupt people's jaw
Corruption is destroying religion and culture
Corrupt people are eating nation's wealth like vulture.

23. Companion

In the journey I am not alone
Everyone is of the same clone
Struggle to move forward
Failure and pain push backward
Yet everybody marching for reward
Disease, accident all are companion
The movement continues to become champion
In the long run reached the same destination
Why in the journey quarrel with companion?

24. Jungle

The nature in its perfect balance
The struggle is to defeat nature's challenge
Survival of the fittest is the law
Even the weakest animal we saw
The lion never kills unnecessarily
Deer survive in jungle successfully
The biodiversity maintain survival of all
Many trees become so very tall
Supreme animal is the cause of fall
Destruction of jungle let us stall.

25. My inconsistent mind

O my inconsistent mind
Right path easy to find
Why move like a blind
The right path is be kind
Greed, jealousy to be wind;
When we shed tears for others
We feel like their brothers
Joy of helping is matter to feel
The inconsistency it can kill
Mind can think to move with zeal;
Service to man is service to God
Its satisfaction is better than iPod
Mind becomes strong like iron rod
Look to down and help the needy
Mind will never allow to be greedy.

26. Proud

Don't be proud of wealth
Don't be proud of health
Any moment may stop breath
Any moment may come death
So why choose imposing path;
Health and wealth all are temporary
They will not remain your contemporary
Health is wealth, money is supplementary
Life is bounded by a limited boundary
Proud is a negative force and reactionary.

27. We are actor

Death will come, it is certain
It will lower the stage curtain
For the best role you must bargain
Your performance you have to maintain
Unwanted dialogue one must restrain;
In the stage of world, we all are actor
Individually we are not at all a factor
Even though you are a powerful ractor
Plough the soil with your tractor
For a weak soul become a mentor;
However insignificant your role may be
God wishes your best performance to see
You may have to give oxygen like a tree
Yet be thank to the Lord and bend your knee
Our duty is to play our role like honey bee.

28. Religion

Religion is opium
Yet it's like uranium
When enriched premium
Otherwise raw sodium
Cause fire to stop momentum
Religion needs coating of chromium;
Religion is mass hysteria
Though love and peace is its criteria
Spoiling the society like bacteria
Never become like Cross Victoria
Caused in world only diarrhoea.

29.Zoom

Zoom your horizon
Don't be confined in zoo
Close the zip of friction
Wider vision will give satisfaction;
Zone, zodiac all imaginary
Delete all those are reactionary
Make your zooming satisfactory
Everything you see are momentary;
Zoom and zoom to the sky
The universe will make you fly
Petty things will disappear
Through zooming life will be happier.

30.Plumber

When water tap leaks
The night becomes freak
The top, top nonstop sound
Whole night it hound
To invite plumber is bound
Plumbers are difficult to found
His visits are round
Two hundred dollars bound.

31.Father's Day

Every morning he looks to her face
Then he goes out for the race
He has to work every day with same pace
For his daughter he has to build a base;
When he comes back, she remains asleep
To her beautiful face with smile he peep
His love for her in the heart is very deep
The promises he made he must keep;
The burden to keep her smiling may be heavy
But he considered it to be his privy
He was never an expressive savvy
But carrying load his backbone became curvy;
No one listens to his inner pain
He sacrifices everything for her gain
Bind his emotions with iron chain
On her success his tears fall like rain.

32.Winning profile

Never live life with inferiority complex
Make your life beautiful and duplex
No need to live hiding your face
Like a powerful horse join the race
No need to bow your head even you lose
Fighting back attitude you must choose
Move forward galloping with a smile
To reach goal you have to go thousands mile
With inferiority complex don't be fragile
Confidence, attitude your winning profile.

33.Yacht

Light sailing racing boat
For wind power it wears coat
Only rich can afford the luxury
Before buying yacht fill your treasury
For sailing in rough sea skill is required
Without skill in hostile sea don't go forward
The yacht journey is always wonderful
Your yachtsman should be playful
On harbour yachts looks beautiful
In the cockpit one must be skilful.

34.I want to be a kid

I am never satisfied with need
I want to fulfil my infinite greed
Every moment I saw new seed
So, life is full of variety of breed
To nurture all a difficult deed
Yet the greedy mind never heed
A new wish mind everyday feed
O God, help me to remove weed
Let me go back and become a kid.

35. Three problems

Basic root of all problems is money
Yet in this world money is the best honey
It can make or break life's long journey;
Relationships are always problem major
Many a time in life it can bring horror
Money can lighten relationship corridor;
Health problems can make or break life
Money can give good health is only hype
Through incurable disease richest can wipe;
Take care of money, relation and health
Relationships and health better wealth
Fine balancing give happiness till death.

36. Yoga

Not only good for body and soul
It can improve living as a whole
Yoga is not merely an exercise
It gives resistance against disease
When you inhale more oxygen in
The chances of heart problem thin
Yoga gives flexibility to muscle

Your whole body becomes flexible
When you make yoga your companion
With good health you become champion.

37. Religion and politics

Religion and politics are two sides of the coin
Behind the scene hands both of them join
Both are powerful tool to exploit poor
Protesters can be easily shown the door
In power game one complements other
Religion and politics are true twin brother
Both swear in the name of their father God
But their basic intention is to do fraud
In the power game common people are pony
Politicians and priest always drink honey.

38. Today is best day to feel happy

Cherry blossom only to fall down
Next year again we can found
Year after year it makes round
To come again cherry is duty bound
Never cherry blossom make any sound;
The beautiful flower bloom for few days
Flower knows soon it will lose colourful rays
Enjoy the beauty and fragrance today it says
Any moment wind may blow away the petal
As a dry useless piece the flower may settle;
Life is also same, enjoy it when you bloom
Any moment uncertainty may bring doom
Yet for future there is always hope and room
Don't wait for trouble to come and destroy mood
Today is the best day to drink and eat delicious food.

39. If and but

Don't waste time on if and but
Rather sharpen edge for the cut
If and but are words for post-mortem
Critics used it to criticise and condemn
If and but are only for correcting course
For if and but don't stop galloping horse
Analyse all options before you start
Once started stick to the moment last.

40.Gratitude

Gratitude is a good attitude
With ego never substitute
In life you will not face solitude;
Gratitude is thanks giving
Make it your part of living
In life you will be shining;
Gratitude cost you nothing
Yet it can give you many thing
For many relations it is everything;
Be grateful to the helping hand
Positive signal it will send
Forever he will be your friend.

41.Cost

Unless you control living cost
Under debt you will be lost
Cost always increased by host
Due to high EMI you have to roast
Before spending think for payment most
After wards don't run from pillar to post
Friends will think you to be ghost
Cost can make life from best to worst.

42.Count

In good days we count up
In bad days starts countdown
In every count the total is determined
Through count profit or loss one can found
Count is always associated with sound
In election count is done in several round
To accept the result everyone is bound
Everything in in life can't be counted by pound.

43.Best policy of living

Don't measure everything in life by dollar
Better known people are scholar
If you serve people you can raise collar
Helping mankind also you become taller
Dollar will come and dollar will go
To your goodness nobody will say no
The value of dollar may become low
Yet the value of scholar always grow
Dollar is needed for comfortable living
Best policy is simple living high thinking.

44.Sun will rise soon

When the spirit is low
When the momentum is slow
When the night is dark
When the street dogs bark
Look to the infinite sky

Give your mind prayer bath
The almighty will show path
The sun will rise very soon
Come out from depressive cocoon.

45.Divya (daughter) becomes thirty

You are now becoming thirty plus
We remember your nursery class
On your birthday you cried with a glass;
Time passed like a bullet train
All your birthdays in our memory chain
With every birthday maturity you gain;
When you attained the age of five
Your smile was our inspiration to live
The best thing we always try to give;
Always remain smiling and cheerful
Move forward in life becoming careful
Make all coming years more fruitful;
Thirty is the mid way of our life
To achieve excellence always strive
From the memory lane happiness we will derive.

46.Single

When you are alone and single
With lot of people you can mingle
You can make friendship triangle
Your relationship you can bundle
Yet your heart and soul never trumble;
If married you face lot of trouble
Many a times you may fumble
But you must have to be humble

Smooth relationships then you can cobble
Otherwise spouse will vanish like bubble.

47.Wife is always right

The purpose of wife is to fight
In arguments wife is always right
Husband may show his might
He may be taller than wife in height
Yet dust husband have to bite
His position will become tight
Wife will cut husband's flying kite
So never take your wife light
Better always remain silent in night
You will not be able to carry plight.

48.Birthday

Birthday or date of birth
On this date we came to earth
Balloon, cake and candle
Without wine Birthday can't settle
Important mile stone of journey
Birthday makes joyful our tourney
The celebration was started by other
We have to carry on it further
In the struggle to live poor forget rather.

49.Counter

Speak or oppose when you are right
Your bouncer may make future bright
If you don't counter journey will be tight
Counter does not mean you have to fight
Your argument may be solid and tight
To counter no need to show your might
Your counter point should not be light
Counter can push truth to greater height.

50.Xerox

Xerox is the machine to copy
Still not become like floppy
Photo copies are still required
Original can't move forward
Photocopy is under pressure
Smartphones can copy and share
Scanners are also for long there
Yet Xerox is still surviving in office
For older generation soft copies are novice
For them Xerox provides better service.

51.Country

Demarcation of world made country
It has always a definite boundary
Language and culture binding force
For many people religion is the source
People quarrel for imaginary line
To kill each other for country is fine
People die to keep high country's flag
Battlefields are face of royal stag
Country is the uniting force of human race
Yet for country division people has to face
Olympic represent unity of the countries
Humanity shouldn't encourage boundaries.

52.Sacrifice

Don't sacrifice animal in the name of God
Animals are God's favourite tiny tod
Never hit animal with your cruelty rod
To sacrifice his kids God will not give nod
Sacrificing animal for God is worst fraud;
Survival of the fittest may be law of nature
Yet God is merciful and take animals care
God eating meat of animal is totally rare
To sacrifice animals in God's name not fair
Jesus sacrificed own life but didn't glare
Sacrifice ego, hatred and your greed
God's love and care animals also need.

53.Walk

Moving on your own foot
To move forward it is root
Once walking was necessary
In city life it is now luxury
Walking is good for health
It can save money and wealth
Walking helps protecting environment
Walking habit is so very important
Traffic jams walking can reduce
Carbon emission walking don't produce
Walk, walk and burn your excess fat
Environment friendly example you can set.

54. Water

Another name of water is life
Without it mankind can't rife
For potable water nature gives rain
Polluting water man always give pain
Unused water flow through the drain
Only through preservation society can gain
In cities water becoming scarce commodity
Yet spoiling water is peoples stupidity
Two third of earth is only water
But scarcity of water spreading hunger
Re use of water is now need of the hour.

55. Doctor's Day

On Doctors day everyone say thank you
Doctors contribution society to view
Messenger of treatment are doctor
In the world of pain, healing they sponsor
Doctors are neither God nor superman
Ability for good judgment their acumen
Doctor can give treatment can't cure
Nature can only heal always be sure
Doctors always treat patients with care
Wilful negligence to duty is very rare
Abuse and assault of Doctors not fair.

56.Umbrella

Black, white, colourful or transparent
The duty of umbrella is always apparent
Appearance of umbrella is not permanent
Not to wet in rain umbrella is supplement
To carry umbrella is not liked by gentlemen;
Umbrella is part of life during rainy season
Many women carry it for fashion reason
During winter umbrella remains in prison
In windy rain umbrella is not a solution
For bike riders rain coat is better evolution.

57.Cricket

Six stumps and two bat
The batsman wears hat
Between stump run like rat
Sometimes play on mat
Outside ground some sat
Can't play becoming fat
Chasing run is tit for tat
World cup is money making vat
Cricket is simple game that.

58. Corruption in India

Corruption, corruption everywhere corruption
Law against corruption are for public consumption
When caught someone lost only his reputation
No policy in India for dishonesty reduction
Once upon a time though there was anger eruption
People now need work culture and policy substitution
Honesty is the best policy is already under destruction
Need of the hour is morality, ethics, rule of law incubation.

59. Eat organic

Pure for sure
Don't eat manure
Difficult will be cure
Better eat pure
Pesticide is senior
It spoils the core
Life diseases tore
Treatment needed more
Hospital will make bore
Better eat organic pure.

60.No more Skype

Whole life I have done self-cheating
To show others did false drum beating
Never made public my own feeling
In the wrong direction I was sailing
Before reaching shore, journey is ending;
No one did any of my project funding
To sail through alone I was struggling
Seeing my failures others were smiling
Yet I tried to show friends I am shining
My pain and tears I was falsely hiding;
Now I realise I should also live my life
No need to run after falsehood and hype
I will become a man of free frank type
Not allow society, peer to make me ripe
All sixers in last over, no more skype.
