EMPTY VESSEL SOUNDS MUCH: An English Poetry Collection composed by Devajit Bhuyan and published by Storymirror. Copy right: Devajit Bhuyan

1. Empty vessel sounds much

Empty vessel sounds much
 Better always avoid to touch
 Towards you they will rush
 They are in need of your brush
 Intention is their dirt you will wash;
 When vessel is empty, it is light
 Without reason it can start fight
 If you give opportunity, it will bite
 For empty stomach all food is right
 Empty pocket pushes us to plight.

2. Don't think you are poor

If you think you are poor
 It will weaken your mind's core
 So, wide open your mental door
 In the city go for a slum area tour
 You will not feel poor anymore;
 Poverty is a relative state of mind
 To your own mind don't be unkind
 Penniless people easily you will find
 If you have enough money for food
 Work for tomorrow and change mood.

3. Move on, move on

Move on, move on
 You are born alone
 No need to mourn
 Cultivate your corn
 Journey, never adjourn;
 Move on, move on
 Life is not porn
 Long ago you born
 Move on, don't worn
 Blow your horn.

4. Don't compare

When you compete with other
 You will not move further
 Comparisons may stop you rather
 Compete with self is always better
 Every day you become smarter;
 When you can't beat, you become jealous
 Your journey to success will be dangerous
 But self-improvement, motivate tremendous
 You gain confidence and become serious
 Don't compare with others, it is hazardous.

5. No one will gossip about your virtue

No one will gossip about your virtue
 This does not mean you will not pursue
 People will criticise your small mistake
 But your success will not be gossip intake
 So, their criticism ignore and forget;
 Gossip is only for bad things to spread
 After few days the topic of gossip is dead
 Virtues are retained in good people's mind
 Years after you will be delighted to find
 To the gossiping people also virtue is kind.

6. Distracting force

Fear is distracting force
 It can push you bad to worse
 Kill it in your mind's source
 You will gallop in race course
 Winner will be your horse;
 In life fear is always hazardous
 For success fear is dangerous
 It's negative potential tremendous
 Throw away fear from your mind
 A successful life you will find.

7.Dreams

Sometimes dreams may be dangerous
 But for bad dreams don't be serious
 It is only reflection of sub conscious mind
 Even if you analyse, nothing you will find
 It can materialise, through work if you bind;
 Good dreams make us happy and cheerful
 For bad dreams no need to become fearful
 Though sometimes you may be tearful
 For real life no dream is bad or harmful
 In the morning forget dream if it is painful.

8.When you dream big

When you dream big
 To find gold must dig
 Strong should be rig
 Don't become like pig
 Nor be weeping fig;
 Dreams are mirage
 To achieve needs courage
 Carrying unnecessarily damage
 If you can't pursue give it passage
 No value in broken dreams salvage.

9.Gossip

For common man gossip is good
 For them gossip is a mental food
 Gossip can change people's mood
 It catches fire easily like dry fire wood
 Only important is, it should not be rude;
 Gossip can spread news very fast
 But very quickly gossiping news rust
 Gossiping news are lighter than dust
 It flies like bubble and in the air burst
 Not to become judgmental, gossip avoiding must.

10. Eat to live or live to eat?

Eat to live or live to eat
 In equal terms both treat,
 God created man to eat apple
 Or God created apple for man?
 Lot of people are mango's fan;
 Most of our struggle is for food
 So, enjoying food is always good
 When you live to eat, you enjoy more
 For eating to live, you become bore
 For a healthy life good food is core.

11. Eyes of my girlfriend

When your eyes smile and speak
 To fulfil your desire can take any risk
 My momentum become very brisk
 Like virus you enter my brain's disk
 Every nook and corner I seriously frisk;
 In your eyes, I see the blue mountain
 The cloud moves from your eyes to rain
 To my mind rationality I can't train
 I hope in your love everything I will gain
 Don't stop your smile and give me pain.

12. To corrupt people, say shame, shame

To corrupt people, say shame, shame
 For money, they always play dirty game
 For their misdeed others they blame
 They try to tarnish good people's name
 Corrupt people's integrity is poor and lame;
 Corrupt peoples are difficult to tame
 Frequently they change their frame
 To grab wealth by unfair means is their aim
 They never bothered for family fame
 Thief, robber and corrupt people are same.

13.Come and hug me

Come and hug me with emotion and love
 Who knows, tomorrow may not come
 The full moon we may not see again
 Tomorrow there may be heavy rain
 To our life problems may come with pain;
 Don't worry about the tiny virus at all
 Otherwise also one day life will see fall
 For us today is beautiful and tall
 So, don't listen to anybody's call
 The duration of beautiful night is small.

14.Mother of invention

Necessity is the mother of invention
 But for some problem no solution
 They have only escaping substitution
 Face your problem with determination
 For invention, do scientific investigation;
 Medicine for cancer, AIDS is necessity
 For their vaccines research needs diversity
 Till now treatment is only of longevity
 Necessity of vaccine for virus is priority
 More important is to improve our immunity.

The world is gloomy with fears
 In the club we can't shout cheers
 In death we can only shed tears
 No one is allowed to hug dear
 We can't go the sick ones near;

 O' God, don't make our life forever narrow.
