

## **A Message to Our Customers**

Unfortunately, we are presently being impacted by staffing shortages, and as a result, we must change the way we operate in order to continue to serve you and provide you with the quality food you have come to expect.

Until further notice, we will be unable to accept call in orders or offer curbside pick-up. Online orders are strongly encouraged as walk-in orders may experience extended wait times. If you do walk in, we encourage you to take advantage of our self-serve ordering from your table to expedite the processing of each order.

Please also monitor our daily hours on Google and Yelp as there may be changes as we determine how best to operate with reduced assistance.

Thank you for your continued patronage and understanding as we navigate these unprecedented times. Stay safe, and we look forward to serving you.
