

When I started out as a traveling tutor, these are the items I found most essential to have in my toolkit.

Tutor Toolbox Supply List

I LOVE my three-layer expandable craft/toolbox by WEWline. You can find it on Amazon. (WEWLINE three layer plastic portable storage craft box. You can find the link to order it on my website.)

Here's what goes inside it:

- **Blank business cards for high frequency word practice**
- **Paper clips, rubber bands**
- **Tape**
- **Scissors (1 pair for lefties, 1 pair for righties)**
- **Crayola markers, thin tip and broad tip**
- **Crayola colored pencils**
- **Blank colored tiles to use with Barton Screener**
- **Crazy Aaron's Thinking Putty**
- **Fidgets**
- **Franklin Speller**
- **Post-it notes, variety of sizes**
- **White out**
