

Photography Challenges

- A member of the APG Core Group will create the album for the challenge on the APG Facebook page
- You can share as many of your images as you want.
- If you 'Like' an image, use the Comments field to explain why you like it or to ask a question.
- Please do not post abusive comments.
- Here's the process for adding your photos to an album.....

Step 1 - Open the Aperture Photography Group Facebook Page and click on 'Photos'

Step 2 - Click on Albums.

Step 3 - Select the album into which you want to post your images.

Step 4 - Click on 'Add Photos/Videos'

Photography Challenges

Step 5 - Select the image(s) you want to post, then click on the 'Open' button.

Step 6 - Click on the 'Post' button to upload your image(s) to the APG album.

Photography Challenges

Step 7 - Use the 'Like' and 'Comment' features if you like the image and say why.
