Please be advised that many times and days change, or the management team may switch days and offerings. Boards, sessions, and seated tribunals may switch what is offered or cancel programs. You could be looking at a sheet printed two years ago. Our website links are kept up to date. **Try calling beforehand before wasting gas and driving all the way there.** Play it safe to be sure, friend. If some food you get is bad, please just let the facility know in a nice and loving way so they can inspect donations and make adjustments. Don't be rude or attempt a filth and smear campaign all across the internet based on hate and anger. These organizations are receiving donations and cannot always go out and buy hundreds of thousands of dollars in fresh food to be giving away. Be kind.
