Dear Marti,

It has been a pleasure discussing the new Inn of the Patriots, LLC project whose location is still to be determined in Washington, DC.

Please accept this letter as confirmation of my commitment for this project as Project Manager or Owner's Representative as deemed appropriate.

I look forward to the opportunity to work closely with CB Design Group, Leo A. Daly, CBRE and Cushman and Wakefield to bring this project to a timely and economic completion.

If you have any questions or require additional details, please contact me.

Respectfully Submitted,
