BedandBreakfast.com reviews determine best B&Bs worldwide

AUSTIN, Texas, Oct. 5 /PRNewswire/ -- BedandBreakfast.com, the leading online B&B directory and reservation network worldwide, announced the winners of its fifth annual web-based awards program today. Since launching the BedandBreakfast.com reviews program two years ago, innkeepers have submitted nearly 100,000 B&B reviews. The selection criteria for the Best of BedandBreakfast.com Awards included both quantitative and qualitative analysis of the independently posted reviews on BedandBreakfast.com.

"Despite the worldwide recession, people are still traveling and want to go to places that offer the best value and experience," said Eric Goldreyer, CEO of BedandBreakfast.com. "Unlike traditional awards, which usually favor the most expensive places to stay, Best of BedandBreakfast.com Award winners are loved by innkeepers because they offer a wonderful experience and a fantastic value, some starting at under \$100 a night."

Listed below are some Best of BedandBreakfast.com Award winners. For a complete list of winners, including regional, Canadian and international awards, visit <http://www.BedandBreakfast.com> and click on the WINNERS 2009-2010 badge on the left.
