Below are some exemplary projects that showcase the caliber and proficiency of BAQ Management:

Sharjah Waste to Energy Project (SWEP), Sharjah, UAE

Main Activities:

Fabrication & Installation of Boiler, Pipe Fabrication, Steel Structure Erection, Hydraulic Piping (Tubing)

Clients:

- INCO International FZCO.
- BUTEC s.a.l Co.
- Amistad Oil & Natural Gas Pipelines Contracting LLC, Dubai

Dubai Waste to Energy Project, Dubai, UAE

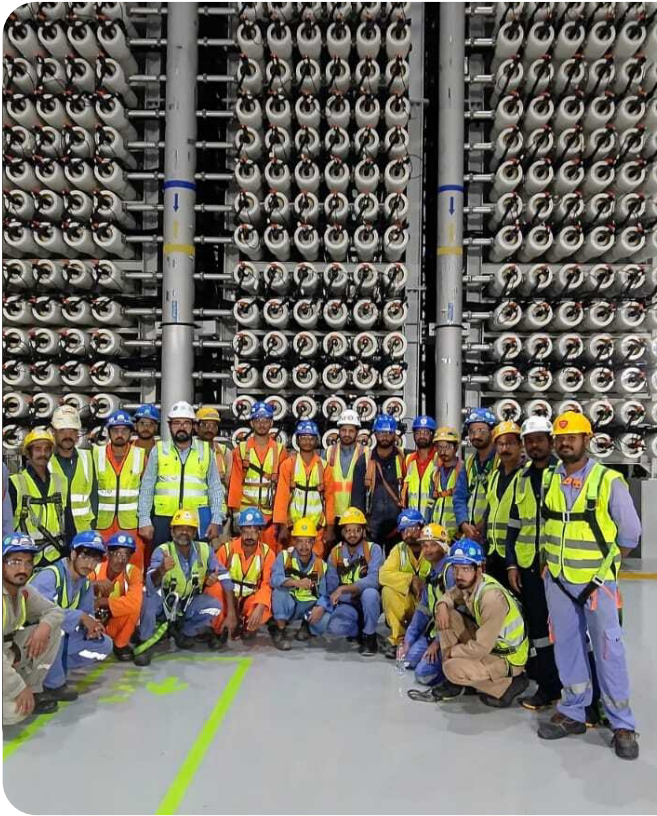

Main Activities:

Fabrication & Installation of Turbine Piping (10000 Dia Inch Approx.) Fabrication and installation of supports for piping (10 T) Fabrication & Installation Steel Structure for Air Condenser & Ash Conveyor, Flue gas Treatment, compressor, and various pipe racks (3000 T Approx.) Installation of wet bottom ash conveyor including equipment Fabrication and installation of Steel Structure (500T Approx.)

Clients:

- INCO Group of Companies.
- EM HIDROMONTAZA

150 MIGD RO Desalination Plant, UAQ

Main Activities:

GRE/ GRP Pipeline lamination work, Super Duplex (SSS) pipe Fabrication, Steel Structure Fabrication and Erection. Construction of Parking Shed.
Replacement of RO Membranes.

Clients:

- NAQAA Desalination Plant LLC
- NOMAC Water Desalination Services LLC
- China Energy Engineering Group Guangdong Power Engineering Co Ltd. Dubai, UAE
- SIDEM VEOLIA
- Alucor Limited Dubai, UAE

UMM AL QUWAIN DESALLINATION PLANT

Main Activities:

Construction of Warehouse, including MEP Works, Painting and Epoxy Flooring Works
Access Widening at DAF-03 and DAF-02

Clients:

- NAQAA Desalination Plant LL

Warehouse construction, New Industrial Area, UAQ.

G+1 Villa Construction

Main Activities:

Construction of Warehouses and G+1 Building

Clients:

- Confidential Private Entity

Burj AL Qudrah Metal Workshop

Our Fabrication workshop is specialized in Steel Structure and piping fabrication and welding. Our workshop is equipped with advanced machinery which helps in achieving quality and precision.

Main Activities:

Steel Structure Fabrication. Fabrication of Parking Sheds. Fabrication of Handrails. Fabrication of Conveyor Trays for EMH. Piping Fabrication and Welding.

Clients:

- Mabani Steel LLC
- EM Hidromontaza
- SIDEM Desalination
- RAWAD Middle east Steel
- AASA CP Holding

Designing fabrication and Supply of Smoking Shelters

Clients:

- NAQAA Desalination Plant LLC

Designing fabrication and Supply of Trailers

Clients:

- Hitachi Zosen Inova

Skid Fabrication, HFZA Sharjah

Main Activities:

Fabrication and Welding of multiple Skids
Piping fabrication and Installation

Clients:

- MAB Group

Subject: Letter of appreciation on completion of Work

Dear Sir,

On the successful completion of the project -JPF4- Fabrication, Erection & Installation of Steel Structure at our Hamriyah Free Zone Yard, Sharjah, we would like to express our sincere appreciation for your support during this project.

Throughout the duration of the construction, your teams worked diligently to ensure the highest standards of quality and professionalism. You have adhered to the agreed-upon timeline and budget, and all necessary inspections and tests have been conducted to ensure compliance with codes regulations and safety standards.

The completion of this project marks a significant milestone for us. It has been a pleasure working with you and your team.

Once again, we extend our gratitude towards the completion of project. We look forward to the possibility of working together again in the future.

Yours sincerely,

Nasser Kunju

Completion of Works Dubai Waste to Energy Project Bottom Ash Treatment Plant

Dear Burj Al Qudrah Team,

We are pleased to confirm that Installation of Bottom Ash Treatment Plant for Dubai Waste to Energy Project, biggest Power Plant of this kind in the World, has been successfully completed as per the related Project Specification and Terms&Conditions outlined in the Contract.

It is worth mentioning that the above-mentioned Plant consisted of Steel Structure, Mechanical Ash Separation Equipment, various Conveyors and Accessories amounting to approximately 500 metric tons.

We would like to highlight that your team has worked diligently completing the Project within the specified timeline and budget, while maintaining the highest standards of quality and safety.

Throughout the construction process, you have maintained open lines of communication with our team, providing regular updates on the progress and addressing any concerns or issues promptly showing high level of cooperation and hard work.

We take this opportunity to express our appreciation for your cooperation, support, and trust throughout the duration of this project. It has been a pleasure working with you and your team, and we hope that this successful collaboration will pave the way for the future partnerships.

Yours sincerely,

Aleksander Gornjak
