## Useful Information

- ★ Standard Check in - 3:00 pm / Check out - 11:00 am
- ★ (10) Guests Max Occupancy (8 Adults Max + 2 Children)
- ★ Max 3 Vehicles or 2 + watercraft trailer - there is limited parking. No cover.
- ★ It is recommended that you do not leave watercraft out on the water overnight; our little community beach is located on open water and the conditions could turn easily overnight. Your PWC will not be protected in the way that it would be docked in a cove.
- ★ The water level of the lake will vary. Our swimming hole is clean and clear of grass/trees/debris but the sandy beach may not be as deep as shown at any given time. In the event that the water levels are extremely high, Ebenezer park is a short drive (or walk) for day pass access to their well maintained swim beach (April 1- Labor Day).
- ★ NO Atvs/Utvs/Dirt Bikes/Golf carts both in the neighborhood or on the trails. Trails are Army Corp of Engineer controlled and you will be ticketed.
- ★ Please be advised that this rental is in the thick of the piney woods of East Texas. By nature, you understand that insects of many species are incredibly common here such as ticks, chiggers, mosquitoes, fire ants, etc. We do our best to eradicate/control our general area by use of residential pesticides but we cannot guarantee anything due to the nature of the natural habitat. We advise you bring insect repellent if you wish to explore the trails nearby.
- ★ Smoking is not permitted.
