HOW WE ARE DIFFERENT

by
Bill Glover

The Living God Ministry is totally different from any other religious ministry you have ever encountered. First, we do not represent any denomination. That is because Jesus Christ never started a denomination and never allowed His true followers to align themselves with such. In fact, God's Word clearly commands God's true people to come out from this world and its organizations and be separate and different (2 Corinthians 6:14-18).

As with the Apostle Paul, God has committed to us *THE MINISTRY OF RECONCILIATION* and has also committed to us the *MESSAGE OF RECONCILIATION* (2 Corinthians. 5:17-19). And we are therefore AMBASSADORS FOR CHRIST (vs. 20). And, as did Paul, WE IMPLORE YOU TO BECOME RECONCILED WITH GOD WHILE YOU CAN (vs. 20 again). But we clearly point out that EACH PERSON MUST WORK OUT HIS OWN SALVATION (Philippians 2:12). For, the time is rapidly coming when darkness and gloom will encompass the earth and there will be death and destruction everywhere you turn. God allows us to merely WARN you about these coming catastrophes. Once we have done that we have totally fulfilled our responsibilities toward you.

We have no religious ax to grind. We do not try and tell you what to believe or what not to believe. We do not attempt to regulate your religious practices. Certainly we will never try and POLICE you to see if you are living up to 'OUR' standard.

We tell everyone that NO ONE CAN COME TO CHRIST AND BE A TRUE BIBLICAL CHRISTIAN UNLESS AND UNTIL GOD THE FATHER CALLS THAT PERSON (John 6:44). But, to those God has called and converted we caution them not to let these truths slip from their grasp.

God has raised up this ministry to provide meaningful help for literally thousands of His people who are currently hurting because of wrongs they suffered at the hands of ministers and "the church." For fifty years God has used me personally to help hurting people who became devastated by their experiences in the church.

The help we provide for those needing SPIRITUAL HEALING is both meaningful and effective. But it is only effective if you follow the instructions found in the Bible. We pledge to walk with each person through these trials but stress that we cannot and will not even attempt to

make the decisions that must be made for them. We never try and tell anyone how to live their lives or what decisions they should make. Attempting to do such DENIES the person the opportunity of developing character - - and that is the primary reason we are all in the flesh. [If you have not already done so click on to the section titled "OUR OBJECTIVE" for further information).

THREE YEARS IN DEVELOPMENT

It has taken me three years to develop this web page. There are many specific reasons for this delay. The primary factor is the fact that this web page REPRESENTS THE ALMIGHTY GOD. Having read many religious web pages makes me realize that very little SERIOUS thought is given to the contents used. Most of these other web sites show clearly that those who compose them have little or no grasp or understanding of the Almighty God. Many of the religious teachings found on these sites are not only UNSCRIPTURAL but also ridiculous in content.

On these other sites you find human beings claiming to represent God when they do not even know the God of the Bible or what He actually instructs in His Word. You should request the printed article we have which reveals from the Bible what God says about those who profess to represent Him when He IN NO WAY RECOGNIZES THEM! One of the most serious sins a person can commit is to claim to represent God when he has absolutely no proof that God even knows or recognizes him. (Request this article from us).

We are different in that you will never find us ASKING ANYONE FOR DONATIONS OR TITHES. Neither will we ask you to JOIN our group. NO ONE CAN 'JOIN' THE TRUE CHURCH OF GOD - - the body of Christ! Our job is to merely point out scriptures which are very clear in meaning. Then we realize we have done our job with you and we allow the Holy Spirit to do its work by convicting you and helping you understand what God wants you to do.

We do not merely "claim" to represent God - - WE ACTUALLY REPRESENT GOD! We know many will reject this fact but that does not bother nor detour us. We have NO COMMISSION FROM GOD TO TRY AND CONVINCe ANYONE OF ANYTHING. Only God can do that.

We do not soft- pedal the truth of God. We tell it as it is in the Bible. Some are offended by my boldness and my positive attitude and approach. But that was the approach of Jesus Christ, Paul and others and since I represent God and Christ that MUST be my approach too. Since it is not my responsibility to try and convince any one of any thing then I am not disappointed when many reject what I say - - MOST REJECTED CHRIST, PAUL AND THE OTHERS ALSO.

We are different in that we tell you point blank that you should repent and turn to God and ask Him what His will is for you. We tell you that the time is coming pretty soon when you will MEET YOUR MAKER and that you should PREPARE FOR THAT TIME. Once we have done that we have fulfilled our total responsibility from God toward you.

In the section titled "Meet Bill Glover" you will find that I am a flawed human being and totally unfit and unworthy of my calling of and by myself. But that did not prevent God from calling me

and then leading me through unbelievable circumstances so that my experiences could be valuable in helping others cope with the problems they are facing.

As you read this web site you will find many other ways we are different from all other sites. I have absolute proof that my ministry is from God. Ask your minister for **PROOF** that God has placed His stamp of approval on his ministry. If you should be one "claiming" to be a minister then **WHERE IS THE PROOF OF THAT CLAIM?** If you have no proof from God then you had better cease and desist before God calls you to an accounting which will be most unprofitable for you.
