

With Gratitude to Mary Jo Hubbard

At the end of this year, Mary Jo Hubbard, longtime Rushford Lake Landowners' Association Secretary/Treasurer will be moving on from her RLLA role to dedicate more time to her role as a Rushford Lake Recreation District Commissioner.

Mary Jo has made countless contributions to the association, lake and community through her tireless efforts, often behind the scenes, to keep everything running seamlessly.

She has diligently managed our finances, prioritized funding, prepared financial reports, created meeting agendas and scribed minutes, organized mailings and executed countless other initiatives that we often take for granted. Her dedication, organization and reliability have been a tremendous gift to the RLLA, and words can't express our gratitude for all she's done.

Thankfully, Mary Jo will still be an integral part of the Rushford Lake community as a Rushford Lake Recreation District Commissioner, continuing her commitment to a place and community that clearly mean so much to her.

We are incredibly grateful to Mary Jo for her time, energy, and dedication to the RLLA. She leaves some very big shoes to fill — so big, in fact, that it will take two people to fill them as we elect a new Secretary and Treasurer!

Mary Jo, thank you for everything you have done for the RLLA and for the Rushford Lake community. We will miss having you at the heart of our organization, but we know you will continue to lead by example to ensure the lake we all love thrives for generations to come.

With heartfelt appreciation, thank you for everything, Mary Jo!

Dam Day 2027 — Save the Date!

Mark your calendars! **Dam Day returns Saturday, August 7, 2027**, and we're already busy planning another great day at Rushford Lake!

Again, we're bringing the celebration to **the Dam and the Park by the Dam**, giving us plenty of room for a full day of fun. We're still working on a few new surprises, but many of your Dam Day favorites will be back, including our **all-day Basket Raffle, Dam Tours, Lake Poker Run, 50/50, Meat Raffle, Rushford Lake merchandise, live music and lots of great vendors.**

And for the grand finale, we'll wrap up the day with a **Chicken BBQ!** Slow-grilled to perfection, it's that classic taste of summer that just seems made for a day at the lake.

There's more in the works, so stay tuned. **Dam Day 2027 is already shaping up to be one you won't want to miss!**

Help Make Christmas Brighter for Our Neighbors

Christmas is a season of giving, but for some families in our Rushford community, simply putting food on the table can be a struggle.

This holiday season, we're asking our generous lake community to help the **Rushford Food Pantry** bring a little extra joy and comfort to our neighbors in need.

Gift cards to stores such as Dollar General, Walmart, or Tops are especially appreciated, as are cash donations. Your generosity will help local families purchase groceries, everyday necessities, and perhaps a little Christmas cheer.

Our lake community has always had a big heart. Let's show it once again!

Please make your donation by December 10, 2026, so families can receive assistance in time for Christmas.

Gift cards may be dropped off at: the Library 9012 Main Street, Rushford, NY (drop box outside).

Checks may be made payable to RLLA and mailed to: RLLA, PO Box 103, Rushford, NY 14777-0103. Please put Food Pantry in the check memo line.

Because the greatest gift we can give is knowing our neighbors are cared for.
