

Dam Day Basket Raffle

A Little Luck Goes a Long Way

One of the most fun (and fast-growing!) highlights of Dam Day is our **Basket Raffle**—where creativity, generosity, and a little bit of luck all come together. You'll find a wide variety of themed baskets, each one thoughtfully put together by members of the community. From food and wine to lake-life essentials, gift cards, and fun surprises, there's something for everyone—and every ticket is a chance to take something special home.

How It Works

Browse the baskets, drop your tickets in for your favorites, and keep your fingers crossed. It's simple, exciting, and a great way to support the cause while having a little fun.

Baskets Welcome!

This raffle is powered by the generosity of our community—and **we are always looking for donated baskets**. Whether you're an individual, a business, or a group of friends, creating a basket is a fun way to contribute and be part of the event. Think themed, think creative, think something you'd love to win!

Why It Matters

Every ticket sold helps support the preservation of our nearly 100-year-old dam—protecting the lake we all enjoy.

Volunteers Needed for Dam Day

We Need You!

Dam Day is one of the most special traditions at Rushford Lake, and it only happens because neighbors step up to help. As we prepare for this year's event on August 8, we are looking for volunteers who are willing to share a little time and a lot of heart to make the day a success.

Whether you can help for an hour or the whole day, there is a place for you. We need friendly faces to assist with setup, the chicken BBQ, raffles, vendor support, T-shirt sales, cleanup, and more. No special experience is needed—just a willingness to pitch in and be part of something meaningful for our community.

Volunteering is a great way to meet neighbors, have fun, and make a real difference for Rushford Lake. If you are able to help, please contact **MJ Brown** at **716-698-0357** or **email: RushfordLakeLandowners@yahoo.com**. Every helping hand matters, and together we can make this year's Dam Day the best one yet. Thank you for supporting our lake and our community!
