

DAM DAY AT RUSHFORD LAKE

August 8 | 9:00 AM – 7:00 PM

Dam Park, 7860 Mill Street

Come for the Fun. Stay for the Purpose.

There are summer events... and then there are **Dam good** summer events. Dam Day at Rushford Lake isn't just another Saturday. It's the day our lake community throws open its arms and says, "Pull up a chair. You belong here." Whether you're a landowner, a local, or a visitor discovering our slice of heaven, this is your invitation.

Yes, You'll Have a Blast.

Expect laughter across the water, food that tastes better because you're sharing it with friends, music that gets your toes tapping, and activities for every age. It's wholesome. It's spirited. It's just the right amount of rowdy.

And Yes... It Actually Matters.

Rushford Lake exists because of its nearly 100-year-old dam. That sturdy structure protects homes, preserves property values, supports recreation, and keeps this place vibrant. Maintaining it isn't flashy — it's essential. Dam Day is led by the Rushford Lake Landowners Association to raise funds to preserve and protect this historic dam. When you buy a meal, enter a raffle, sponsor an activity, or simply show up — you're investing in the future of the lake.

Community Is Not Optional Anymore.

In a world that often feels disconnected, Dam Day reminds us that community happens when people show up. When they laugh together.

When they care about something bigger than themselves.

Come for the chicken. Come for the music. Come for the friends you haven't met yet.

Dam Day isn't just an event — it's an investment. It's a celebration.

It's a statement that we take care of what we love.

We'll See You There.
