

♠ Dam Day Poker Run — Luck, Laughter & a Little Lake Swagger

Think you've got a winning hand? Prove it on the water.

The Dam Day Poker Run turns
Rushford Lake into
your personal game board.
Cruise from stop to stop
—by boat or by luck—
and collect your cards
along the way.
No speed required,
no experience needed...
just a sense of adventure
and maybe a lucky streak.

Play it cool, play it bold, or play it like you've got something to prove—
because at the end of the run, the best hand wins bragging rights
(and prizes), and the rest of us blame the dealer.

It's part treasure hunt, part floating party, and 100% Dam fun.

Grab your crew, shuffle your strategy,
and let's see who's holding the winning hand.
