

## Don't Miss This—Seriously

If you live at or love Rushford Lake, the Annual **RLRD/RLLA Lake & Dam Meeting** is one event you really shouldn't skip.

This is your chance to hear *directly* from the experts about what's happening with the lake and dam—no rumors, no guesswork, just the real story. And trust us, it's more interesting than you might expect. We're talking history, behind-the-scenes details, ongoing repairs, and the people who keep it all going.

(And yes—it's true—there are professionals who actually rappel down the backside of the dam to

remove vegetation that can weaken it. Worth coming just to hear about that.)

We'll also have **brand-new Lake T-shirts and posters** by a local artist available—because learning something new and leaving with cool gear is a pretty great combo.

**July 25 at 9:00 AM**  
**Rushford Fire Hall**

**District Elections** will follow immediately after the meeting at the District Office:  
**8999 Main Street, Rushford (around the back)**

Come get informed, ask questions, and be part of what keeps Rushford Lake running strong. This one's worth your time—we promise.

## We're Looking for a Few Good Neighbors!

The Rushford Lake Landowners Association is looking for volunteers to serve as Directors—and it's more fun than it sounds. We help preserve our nearly 100 year old dam and organize favorites like the food pantry drive, Fourth of July fireworks, and the kids' fishing tournament.

The commitment is easy: short meetings, summer only... and yes, refreshments included.

It's a great way to meet neighbors, share a few laughs, and give back to the lake we all love. No experience needed—just a little community spirit. If you've ever thought, "*Someone should help with that,*" this might be your moment!

**Text MJ Brown 716-698-0357**

**RushfordLakeLandowners@yahoo.com**

Come join us—do some good and grab a snack while you're at it.

## Get Ready—Dam Day Is Back and Better Than Ever!

We're pulling out all the stops this year: our **famous Chicken BBQ**, (scan QR code to preorder the chicken BBQ), a brand-new **Poker Run on the lake**, and **DJ music rocking the dam**—all happening at **Dam Park (7860 Mill Street)**. Add in your favorite **meat and basket raffles**, local vendors, and that unbeatable Rushford Lake vibe, and you've got one seriously great day.

Whether you're here for the food, the prizes, the boats, or just the music and sunshine—there's something for everyone.

And the best part? It's all for a great cause. Every ticket, T-shirt, and raffle helps support and preserve our nearly 100 year old dam and the lake we love.

So grab your friends, bring your appetite, and don't forget your lake spirit—**August 8th is going to be a dam good time.**

## Help Keep Our Pantry Shelves Full—We Need You

The need is real, and it's right here in our community. Our local food pantry continues to support families who are struggling—and right now, donations of both food and funds are more important than ever.

If you've already given, **thank you.** Your generosity is making a difference every single day. If you've been meaning to help, now's the time. Even a small donation can put meals on the table for someone who truly needs it.

Non-perishable food or monetary gifts are both greatly appreciated—and easy to arrange.

**Contact Bonnie: 716-801-5415 or bcadyhealthlady@gmail.com**

Let's come together and show what Rushford Lake is all about—neighbors helping neighbors when it matters most.
